Paths Through The Forest A Biography Of The Brothers Grimm:

Paths Through the Forest Murray B. Peppard, 1971 The brothers who collected Little Red Riding Hood were born in Hesse while Napoleon's armies were sweeping through Europe Trained as librarians and inspired by their love of their own heritage and language which was under threat from the French domination they began collecting folklore in nearby Hessian villages and the surrounding countryside They then began looking at nearly forgotten legends and epic poems which led to a study of archaic linguistic forms They are now known as the men who collected German folklore but also as the pioneers of modern philology Their German dictionary is a monumental testimony of their work **The Brothers Grimm** Daniel Szechi, 2024-10-29 The first English language biography in over fifty years to tell the full vibrant story of Jacob and Wilhelm Grimm known to history as the Brothers Grimm Magisterial Kirkus Reviews More than two hundred years ago the German brothers Jacob Grimm 1785 1863 and Wilhelm Grimm 1786 1859 published a collection of fairy tales that remains famous the world over It has been translated into some 170 languages more than any other German book and the Brothers Grimm are among the top dozen most translated authors in the world In addition to collecting tales the Grimms were mythographers linguists librarians civil servants and above all the closest of brothers but until now the full story of their lifelong endeavor to preserve and articulate a German cultural identity has not been well known Drawing on deep archival research and decades of scholarship Ann Schmiesing tells the affecting story of how the Grimms' ambitious projects gave the brothers a sense of self preservation through the atrocities of the Napoleonic Wars and a series of personal losses They produced a vast corpus of work on mythology and medieval literature embarked on a monumental German dictionary project and broke scholarly ground with Jacob's linguistic discovery known as Grimm's Law Setting their story against a rich historical backdrop Schmiesing offers a fresh consideration of the profound and yet complicated legacy of the Brothers Grimm [The Brothers Grimm](#) Jack Zipes, 2021-10-24 Most of the fairy tales that we grew up with we know thanks to the Brothers Grimm Jack Zipes one of our surest guides through the world of fairy tales and their criticism takes behind the romantics' mythology of the wandering brothers Bringing to bear his own critical expertise as well as new biographical information Zipes examines the interaction between the Grimms' lives and their work He reveals the Grimms' personal struggle to overcome social prejudice and poverty as well as their political efforts as scholars and civil servant toward unifying the German states By deftly interweaving the social political and personal elements of the lives of the Brothers Grimm Zipes rescues them from sentimental obscurity No longer figures in fairy tale the Brothers Grimm emerge as powerful creators real men who established the fairy tale as one of our great literary institutions Part biography part critical assessment part social history the Brothers Grimm provides a complex and very real story about fairy tales and the modern world **The Brothers Grimm** J.
