

PATRIARCHY

DEFINITION

In sociology, patriarchy is described as a form of social organization where cultural and institutional beliefs and values are dominated by men. This leads to male-oriented decision-making and social organization. Patriarchy literally means the "rule of the fathers" (the opposite, matriarchy, means "role of the mothers").

EXAMPLE

Patriarchal Legal system

In patriarchal societies, the laws and rules are biased towards males. Legal provisions and laws are in favor of men, which leaves women exposed. For example, a patriarchal legal system may require men to sign documents on behalf of their wives.

Patriarchal Theory:

Patriarchal Theory Reconsidered Filiz Akgul, 2017-05-11 This study analyses male female violence in comparison to state citizen violence The author argues that norms and values in Turkey are a reflection of processes that accommodate oppression the intersection of which develops the argument that women are to men what the citizen is for the state in the context of Turkey Gender theory and patriarchal theory in particular are explored in this book to describe the logic and design of gender based violence and its relationship with political sociology The Patriarchal Theory John Ferguson McLennan, 1885 Feminist Theory and Literary Practice Deborah L. Madsen, 2000-08-20 An accessible account of the varieties of feminist thought within the context of the key American texts including Kate Chopin Alice Walker and Ann Beattie The Patriarchal Theory John Ferguson McLennan, 1885 The Roots of Patriarchy Ilenia Ruggiu, 2024-10-28 By combining legal and genealogical methodologies this book describes the origin decline resurgence and metamorphosis of patriarchy in the West The book provides the reader with a unified tool for understanding what patriarchy is its dynamics and its main features The reader will find a guide with which to navigate the dozens of definitions and theories of patriarchy and will better understand why despite the proclamations of formal Constitutions of the equality of the sexes the gender gap in the West is still high Approaching patriarchy both as a concept and as a social fact the book shows how patriarchy lay at the Jewish Greek Roman roots of Western civilization how for millennia it was perceived as a benevolent function for social and political life and how feminism reversed this benevolent narrative By reconstructing how patriarchy has been theorized in several disciplines and historical times the book reflects on what has been done and remains to be done to de patriarchalize the West It will be a valuable resource for academics researchers and students in Women s Studies Gender Studies Constitutional Law Cultural Studies Religious Studies and Anthropology **Patriarchal Precedents** Rosalind Coward, 2022-11-30 First published in 1983 Patriarchal Precedents is an excavation of the term patriarchy Rosalind Coward shows how the debates about patriarchy and matriarchy were crucial to social theories in the nineteenth century discussing how the resolution of these debates resulted in our present ways of mis understanding the family sexual relations and sexual characteristics Rosalind Coward argues that the violent debates around patriarchy tell a salutary tale about how the term presupposed as much as it set out to explain She demonstrates how it was used in Marxism and psychoanalysis in ways which blocked any radical thinking about sexual relations and how the arguments against the term patriarchy within anthropology still have to be taken seriously She argues that in order to advance our understanding of how power is exercised in sexual relations of the place which sexual relations have within society and the construction of sexual characteristics a series of presuppositions about sexual relations must now be cleared away This book will be of interest to students of gender studies women s studies sexuality men s studies sociology and anthropology Violence in the Home Karel Kurst-Swanger, Jacqueline L. Petcosky, 2003 Violence in the home is one of the most damaging and widespread of social

problems This book reviews the most current theoretical explanations of family violence and then links theory to practice

Political Theory Eddy Asirvatham | KK Misra, 1995 This text is a classic in Indian political literature as the original author belongs to the Idealist school of great political thinkers such as T H Green and Bosanquet It is a comprehensive treatise on basic structure of established political theories be it Bosanquet s idealistic theory of the State to liberal and anti idealist view as expressed by L T Hobhouse to the Marxian theory of the State The textbook follows an ideological approach where it rejects the attitude of those behaviouralists who place undue emphasis on methods techniques and skills rather than on first principles and value judgements it is developed for the undergraduate students of Political Science Pass and honours courses Aspirants of various competitive examinations such as Civil Services Examination and state public service commission examinations will also find the book extremely useful

Feminist Interpretations and Political Theory Carole Pateman, Mary Lyndon Shanley, 1991 This volume brings together exciting and provocative new feminist readings of famous classic and contemporary texts from Plato to Habermas The collection also includes examinations of the writings of Mary Wollstonecraft and Simone de Beauvoir that are usually excluded from the works conventionally held to comprise Western political thought The essays raise fundamentally important questions about the significance of sexual difference in the great works of political theory and draw attention to neglected arguments and silences in the texts No single feminist view of either the texts or the theoretical way forward informs these essays A wide diversity of feminist approaches and theoretical frameworks are represented forming a rich variety of interpretations and argument about such questions as the patriarchal construction of central political categories the relation between public and private life and the problem of equality and difference including differences among women This refreshing and stimulating collection will be indispensable for students of political thought and offers all those interested in the connection between the classic writings and current political discussions as accessible introduction to feminist argument

Developing Ecofeminist Theory E. Cudworth, 2005-09-08 An original exploration of how the relationship between society and nature is conceptualized focusing on theories of social exclusion and difference A comprehensive overview of feminist and environmental theories of society environment relations considering the range of theoretical and political influences on such theorizing such as socialist and Marxist theory amongst others and the turn to post structuralism and postmodernism within the social sciences Cudworth also develops her own theoretical account for the interrelations between forms of social domination and contributes to important debates with sociology social theory feminist theory and environmentalism

Patriarchal Theory Introduction

In the digital age, access to information has become easier than ever before. The ability to download Patriarchal Theory has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Patriarchal Theory has opened up a world of possibilities. Downloading Patriarchal Theory provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Patriarchal Theory has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Patriarchal Theory. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Patriarchal Theory. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Patriarchal Theory, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Patriarchal Theory has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
