Stay Aislinn Hunter, 2013-09-03 Stay follows Abbey a young woman from Canada now living in a village outside Galway She falls in love with Dermot an older Irish man in an unconventional affectionate but troubled relationship The extraordinary skill of Stay lies in its unsentimental depiction of modern Ireland The inhabitants of Dermot's village form a riotous and poignant chorus commenting on their rapidly changing world with wit and insight Here is a beautiful funny and richly rewarding novel about history and obligation and above all the meaning of human connection in a land poised uneasily between past and present Patrick Scott, *Movers & Shapers 2* Vera Ryan, 2006 Since the 1960s the role of the visual arts in society has undergone major change Here are oral histories on Irish art and the infrastructure on which it developed since 1950 Each interview is structured to bring out the most in the interviewee resulting in a unique compilation historically important but humanly engaging It presents a very good picture of behind the scenes concerns in Irish art over 50 years
