Ruybalid,2003-09-10 **Threads of Hope (Plain Patterns Book #3)** Leslie Gould,2022-03-01 Can they find a way to stitch their suffering into hope and embrace an uncertain future Tally Smucker s quiet life of reading and quilting hides her sorrow over her mother s declining health and the lack of a fulfilling future for herself When her daily life is shaken by her free spirited neighbor Danielle who grew up Plain but joined the Army at eighteen Tally s instinct is to distance herself Yet she finds she can t turn away when Danielle s brother Kenan specifically asks for her help She invites Danielle to visit Plain Patterns quilt shop with her where the story of the plight of a WWI soldier and the girl he left behind resonates with both Tally and Danielle but for different reasons When Tally s mother suffers a setback at the same time Danielle s PTSD becomes unmanageable it seems Tally s efforts to aid them only make things worse Can the soldier s story along with the care of Kenan help Tally accept the hope that waits just around the corner From the talented pen of Leslie Gould comes a moving tale of restoration and renewed hope within the Amish community **Encyclopedia of Disability** Gary L Albrecht,2006 Presents current knowledge of and experience with disability across a wide variety of places conditions and cultures to both the general reader and the specialist Hello, Grace Toviyah J.,2017-12-13 The transparent story of the author s faith invites you to again taste and see that the Lord is good Hello Grace is the vulnerable and powerful journey of a preacher s daughter who was eager to see the world outside the confines of religion After straying away from sacred beliefs she once held dear an unrestrained freewill leads her to the pursuit of a worldly love that leaves her damaged and unrecognizable Refusing to turn back to a way of God she didn t fully understand or accept she goes through life aimlessly as far as her shaken faith will carry her until she stumbles and falls helplessly into the arms of God s grace Before she can become all that God has called her to be she must first face the brokenness of all that she has been Hello Grace reminds us that the boundless grace that God gives is indeed free unearned and unmerited to those who will humbly receive it This is a story of losses in the naive seasons of youth and how the return to God s love and all knowing wisdom brings healing and restoration to our deepest wounds As the author retells the tales of journeying through feeling abandoned rejected and downright worthless you will be moved by the ever present faithfulness of God s amazing grace that says we are not what we did

Adams,1997-11 *Breaking Generational Silence* Nicole Russell-Wharton,2025-02-04 From regarded mental health expert Nicole Russell Wharton a guide to disrupt family patterns and heal from inherited trauma so you can break the cycle of silence for generations to come What if one conversation was**

able to redirect a person's life and create a ripple effect of healing that spans generations. It took a near-death experience for mental health expert Nicole Russell Wharton to realize that after 35 years she didn't know the body she was living in. After being diagnosed with a rare life-altering genetic condition that others in her family had, Nicole couldn't understand how everyone remained silent. I've suffered through many things in silence over the years, says Russell Wharton. It wasn't until I started collecting data on generational issues like poverty and trauma that I had this awakening: our healing challenges are rooted in our families' silence and psychological pathology. It's the silence that's harming us. Generational silence is a term applied to families who have experienced suppressed thoughts or repressed emotions for at least two generations. In this book, Nicole speaks from personal experience about how slavery left an intergenerational impact on her family's emotional and physical health and it invites readers to explore the legacy of their own family history. This book will help you explore the cycle and impact of issues like substance abuse, religion, racism, education, inequality, and parenting. Research, practical tools, and exercises to begin to explore your family history and open up conversations. The root of silence in your own life so you can break the cycle for generations to come. Breaking Generational Silence will help you begin to break the cycle of silence, find the courage to face your family challenges, and become your own best advocate.
