"Blood and Guts" John Devaney,1982 A biography of the controversial commander of the Third Army in World War II

Patton Trevor Royle,2005 General George Smith Patton came to the fore in the fighting in North Africa and Sicily in 1942 and 1943 as a tough and inspirational field commander who drove his army as relentlessly as he did himself Arrogant vainglorious and unpopular with his fellow Allied generals he was nevertheless one of the great land force commanders of the Second World War understand in the light of his treatment of them which was often bullying and sometimes cruel However when the raw and untested US soldiers came to face the much feared German panzer divisions in North Africa he gave his men the self belief to take them on He refused to allow his army to think that they were second best thoughtful and deeply religious with wide interests in literature and military history Patton s fatal car crash in post war Germany in 1945 meant that Old Blood and Guts never faced the horrors of peace he so feared
