

Patton vs Monty vs Bradley & Eisenhower

PATTON'S GAP

An Account of the Battle of Normandy 1944

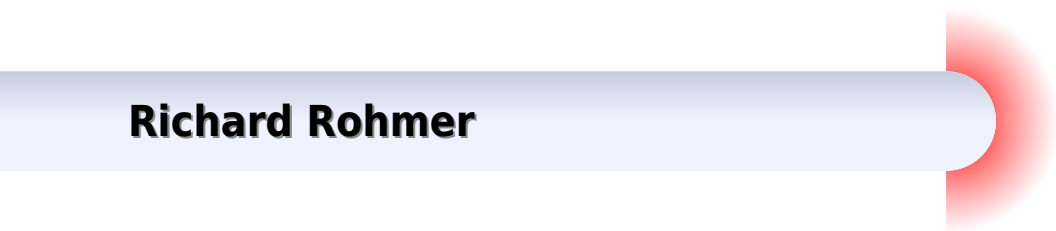

Major - General

RICHARD ROHMER

Pattons Gap An Account Of The Battle Of Normandy 1944

Richard Rohmer

Pattons Gap An Account Of The Battle Of Normandy 1944:

Patton's gap Richard Rohmer,1982 **Patton's Gap** Richard Rohmer,2006-09 By 12 August 1944 the whole of the German Seventh Army and the remnants of the Fifth Panzer Army were caught in a pocket with only one avenue of escape the Falaise Gap The Gap was 20 miles wide and the retreating Germans were beginning to move out through it The Allies had to act quickly to close the Gap and secure victory but they didn't In this edition of his significant book on the Falaise incident Major General Richard Rohmer explains who was to blame for one of the most staggering blunders of World War II who allowed hundreds of thousands of men thousands of vehicles and hundreds of tanks to slip through the Allies fingers Combined with extracts from the 430 Squadron log Rohmer's daily missions as a fighter reconnaissance pilot over the Falaise sector bring the subject to life and we see the problems and consequences at first hand This new edition also contains a tribute to the Canadians involved between June and August 1944 and is updated with a description of the 60th anniversary D Day celebrations in France **Patton's Gap** Richard Rohmer,2024-10-14 An eye opening and hard hitting account of one of the gravest most costly Allied tactical errors of World War Two the failure to close the Falaise Gap This remarkable book which sheds light on an oft forgotten area of the Second World War should be essential reading for those who enjoy the works of Martin Blumenson Simon Trew and Carlo D Este By 12 August 1944 the entire German Seventh Army and what remained of the Fifth Panzer Army were trapped within a pocket with only one route out the Falaise Gap This twenty mile exit remained open for nearly a week and by the time the decision had been made to close the Gap nearly a quarter of a million enemy soldiers all their equipment and thousands of tanks and vehicles had escaped This monumental error which undoubtedly prolonged the war could and should have been prevented yet why was the Gap not swiftly closed when the opportunity to capture an entire German army presented itself Were any of the leading generals Patton Montgomery Bradley or Eisenhower ultimately to blame for this or was it a result of a general lapse of concentration across Allied forces during the heat of battle As a fighter reconnaissance pilot who undertook one hundred and thirty five mission tours Major General Richard Rohmer was able to gain a bird's eye view of the Battle for Normandy This combined with his experience as a military commander analyst and best selling author allows him to have a unique insight into the events leading up to the creation and resolution of the Falaise Gap Drawing upon meticulous research from a variety of sources as well as his own wartime logbook Rohmer's Patton's Gap is a remarkable book that presents a thorough overview as well as eyewitness account to the controversial conclusion of the Battle of Normandy Patton's Shadow Nathan C. Jones,2024-10-19 General George S Patton's legendary image was carefully crafted during World War II and continues to shape our understanding of American history and culture today Historian Nathan C Jones explores the creation of the Patton legend and its enduring legacy in Patton's Shadow The Invasion of Normandy United States. Navy Department. Library,1994 *D-Day 1944* Anthony Tucker-Jones,2019-05-20 D Day was unprecedented An invasion of this scale and magnitude had never been carried

out before The landings in North Africa Sicily and Italy were of limited scope by comparison if they had failed it would not have been a complete disaster whereas Normandy heralded the long awaited Second Front D Day 1944 The Making of Victory investigates the great feats of unique problem solving that enabled the success of such an important invasion Military historian Anthony Tucker Jones brings his expert eye to bear on the D Day landings and subsequent Normandy campaign He reassesses the technical ingenuity required through the eyes of those who fought there and vividly reveals how each side managed whether dealing with the challenges of crossing the Channel safely or in defence of the French coast Including first hand accounts this book places the reader in the thick of the action **Quarterly Review of Military Literature** ,1982

Professional Journal of the United States Army ,1982 **World War II Commemorative Bibliography: The invasion of Normandy** United States. Department of the Navy. Library,1991 **General George S. Patton and the Art of Leadership** William Nester,2025-03-30 For General George S Patton Leadership is the thing that wins battles I have it but I ll be damned if I can define it Probably it consists in knowing what you want to do and then doing it and getting mad if anyone steps in the way Self confidence and leadership are twin brothers Indeed Patton excelled at virtually every dimension of leadership most vitally as a war commander His record as a general is clear The larger more armored and better supplied his armies and the freer he was to decide what to do with them the more rapid and further they advanced to inflict more defeats on the enemy In that no other American army commander matched him during World War II That ranks Patton among the Valhalla of America s greatest generals with him most resembling Thomas Stonewall Jackson and Nathan Bedford Forrest as a fast moving hard hitting commander who repeatedly outflanked and devastated enemy forces Patton led from the front and tried to inspire his troops by being a model officer who exemplified bravery problem solving tactical brilliance and decisiveness He was in near constant motion from his headquarters to rear echelon and front line troops everywhere exhorting them to greater efforts and overcoming challenges at times enduring shell fire strafing mines snipers and other dangers His greatest attribute was his drive to be the best at whatever he chose or was ordered to do He recognized that developing a successful military career depended not just on will and chance but on incessant training and study Yet he believed that instincts were just as vital as skills in being a successful leader I have a sixth sense in war and can put myself in the enemies head and I am also willing to take chances Patton harbored plenty of flaws He was a narcissist who constantly strove to be center stage and outshine his rivals He contrived an idealized version of himself as the epitome of the brilliant general and fearless soldier immaculately dressed and spent his life playing that role He was a braggart who regaled listeners with at times exaggerated tales of his past deeds and those yet to come His boasting did have one positive element He sought to surpass his past glories with greater future victories Patton seesawed between elation and despair rage and compassion He could chew out a subordinate for some mistake in the morning and comfort him for a similar mistake in the afternoon His quick temper and provocative views often overpowered his self control Twice that cost him an army command

During Germany's occupation in August 1945 he casually quipped to several reporters that being a Nazi in Germany was no different from being a Republican or Democrat in the United States. For that Eisenhower relieved him from Third Army's command. Most notoriously during the Sicily campaign he slapped two soldiers suffering combat fatigue that he accused of malingering. General George S. Patton and the Art of Leadership is his most psychologically penetrating biography that captures the paradoxical character behind his brilliant military feats and often dismaying failures. Throughout Patton explains his values and deeds through hundreds of quotes along with scores of insights from those who knew him: comrades and critics alike.

If you ally craving such a referred **Pattons Gap An Account Of The Battle Of Normandy 1944** books that will meet the expense of you worth, acquire the utterly best seller from us currently from several preferred authors.
