Paul Simon Songs From The Capeman:

Paul Simon Omnibus Press, **The Words and Music of Paul Simon** James Bennighof, 2007-10-30 Paul Simon is commonly acknowledged to be one of the most successful singer songwriters of the pop rock era His work has flourished in the context of Simon and Garfunkel as well as in his own solo career Starting with the folk rock style that marked his earliest significant success he has drawn on a wide variety of influences including many American traditions and later many international ones as well He has won multiple Grammy awards in both the duo and the solo phases of his career His songwriting has also provided the impetus for brief forays into film and musical theatre After providing a brief biographical overview this work examines Simon s songwriting work in depth providing a critical discussion of each song as a fusion of text and music so as to help the reader to identify elements that enhance appreciation A particularly valuable contribution in this context is the discussion of the wide variety of musical elements that contribute significantly to the value of Simon s work These include such easily understandable issues as verse chorus structure melodic variation selection of particular instruments and even performers variation of musical style within a song general harmonic characteristics relationships among keys rhythm and pacing of text etc While the book proceeds chronologically through Simon s recorded output specific threads are developed throughout and the discussion of individual songs takes place in the context of these threads both drawing on them and developing them further The diversity of Paul Simon s work reflects his very American background and no discussion of American music is complete without accounting for his influence Paul Simon Cornel Bonca, 2014-10-10 Paul Simon An American Tune is the first full scale survey of the career of one of the most honored musicians and songwriters in American history Starting out as a teeny bopper rocker in the late 1950s Paul Simon went on to form the most influential pop duo of the 1960s Simon Garfunkel and after their break up in 1970 launch one of the most successful varied and surprising solo careers of our time In Paul Simon An American Tune Cornel Bonca considers Simon s vast trove of songs in the biographical and cultural context in which he wrote them from the pop cultural revolution of the 1960s which Simon himself helped to create the singer songwriter movement of the 1970s the turn toward world music in the 1980s that gave the world the monumental Graceland to the intimate personal turn his music took in the millennial era Analyzing Simon s albums one by one often song by song Bonca provides a deep and artful exploration of the work of one of today s major songwriters Offering a lucid and vivid portrait of an astonishing decades long career Paul Simon An American Tune will interest a wide audience from Simon fans to students and scholars of American popular culture *Paul Simon* Laura Jackson, 2003 Traces the more than four decade career of the top hit songwriter and musician from his first chart hit with Art Garfunkel at the age of sixteen through his 2002 receipt of the Kennedy Center Honors discussing his private life political involvements and troubled relationships **Paul Simon** Marc Eliot, 2010-09-23 The definitive biography of legendary singer songwriter Paul Simon Paul Simon one of the country s most popular musicians has been a dynamic creative force for more

than half a century Now New York Times bestselling biographer Marc Eliot draws on extensive research and original interviews to trace the incredible life and career of this iconic musician Along the way Eliot examines Simon s early struggles to succeed as a singer songwriter the ups and downs of his decades long collaboration with Art Garfunkel his at times obsessive admiration and competitive drive with Bob Dylan his musical triumphs such as Still Crazy After All These Years and Graceland the spectacular failure of his Broadway musical The Capeman and much more The first comprehensive biography of Paul Simon and his music Explores the complex relationship between Paul Simon and Art Garfunkel through years of their musical breakups and reunions Reveals personal details with interviews of Simon s life away from music Includes dozens of exclusive photographs several published for the first time Whether you grew up listening to classic Simon and Garfunkel songs or came to love Paul Simon s music through his solo albums this highly entertaining biography will give you a new understanding of this talented artist and the many surprising twists and turns of his life and work as a songwriter a performer and an icon of Boomer Generation

Paul Simon Robert Hilburn,2019-05-28 Acclaimed music writer Robert Hilburn s epic and definitive Rolling Stone biography of music icon Paul Simon written with Simon s full participation but without his editorial control that reminds us how titanic this musician is The Washington Post For more than fifty years Paul Simon has spoken to us in songs about alienation doubt resilience and empathy in ways that have established him as one of the most beloved artists in American pop music history Songs like The Sound of Silence Bridge Over Troubled Water Still Crazy After All These Years and Graceland have moved beyond the sales charts and into our cultural consciousness But Simon is a deeply private person who has said he will not write an autobiography or talk to biographers Finally however he has opened up for Robert Hilburn for more than one hundred hours of interviews in this brilliant and entertaining portrait of Simon that will likely be the definitive biography Publishers Weekly starred review Over the course of three years Hilburn conducted in depth interviews with scores of Paul Simon s friends family colleagues and others including ex wives Carrie Fisher and Peggy Harper who spoke for the first time and even penetrated the inner circle of Simon s long reclusive muse Kathy Chitty The result is a deeply human account of the challenges and sacrifices of a life in music at the highest level In the process Hilburn documents Simon s search for artistry and his constant struggle to protect that artistry against distractions fame marriage divorce drugs record company interference rejection and insecurity that have derailed so many great pop figures As engaging as a lively American tune People Paul Simon is a straight shooting tour de force that does thorough justice to this American prophet and pop star USA TODAY four out of four stars Read it if you like Simon read it if you want to discover how talent unfolds itself Stephen King
