Sin and Man Benny Tucker,2015-04-24 In this book we will look into the depths of sin with the intent to show you the reader that sin is very real and it has and never had anything in it that God approved of I guess some people look at life as a giant chess board or game between God and Satan and they are playing for the souls of men This is so untrue man will look at things in life and try to convince himself that it is just the way things are but the condition of things was caused by an action of disobedience better known as a sin Things continue to worsen because the sinfulness of sin continues to grow The condition of the world is because of sin but man continues with his disobedience towards God and feeds the sinfulness just like gas feeds a fire

Studies of Paul's Letters to Timothy, Titus, & Philemon Dennis Dinger, 2013-03-04 These four letters from Paul were written to men whom he considered to be his sons in the faith In 1 Timothy and Titus Paul gave practical explanations of church order In 2 Timothy he taught believers how to relate to the truth of God In Philemon he set a wonderful example how believers should relate to one another as he appealed to Philemon on behalf of Onesimus These letters are valuable instructive and applicable to all members of God's family Paul is the perfect individual to give this instruction because of his calling as an apostle and his close relationship to the early Christian church All who study these letters should find them extremely beneficial as they guide each of us towards Christian maturity

A Commentary on St. Paul's Epistle to the Romans Joseph Agar Beet, 1881

The "Man Christ Jesus" Stephen Oliver Stout, 2011-06-17 Does the Apostle Paul have any use for the person of Jesus presented in the Gospels Critical scholarship thinks not but this book argues that Paul not only mentions more than seventy specific details of the historical Jesus but he also commends the character of Jesus and echoes His teachings repeatedly in his letters and sermons in full agreement with the Gospel accounts Stout examines Paul's intriguing description of the Man Christ Jesus 1 Tim 2:5 and suggests that this title fulfills the OT expectation of God appearing in human history as a man In his incarnated humanity the Man Christ Jesus accomplished salvation in the historical events of his life and death and in his resurrected humanity he appeared to Paul on the Damascus Road rooting Paul's Christology deeply in human experience Furthermore Stout shows how Paul rests his concept of salvation on a neglected aspect of his doctrine that the entire church is associated with the historical events of the life death

and resurrection of Jesus an association which also unites his church with one another in fellowship and service This book then demonstrates that Paul s gospel rests upon Jesus as a man of history who brings salvation into human history in his life death and exaltation as the Man Christ Jesus
