Department of Printed Books, 1969 Stars at War Marvin D. Pipher, 2022-11-30 This book outlines the lives and achievements of one hundred entertainers and athletes mostly Americans who served their nations well both in times of war and in times of peace It spans the period from the Spanish American War 1898 up to 2020 but concentrates most heavily on World War II The book was initiated in response to an apparent difference noted between the reactions of entertainers and athletes to the events of September 11 2001 and those following the attack on Pearl Harbor on December 7 1941 It began as an effort to understand

who those earlier people were what they did and why to identify the one hundred who did the most during World War II and to rank them in accordance with their achievements This proved to be an impossible task since there was no way to identify the one hundred and there was no common basis for comparison some were truly heroic some were wounded and some killed while others simply served to the best of their abilities The best that could be done was to categorize the men and women selected and subjectively rank them with their peers Over time this effort expanded to be more inclusive touching lightly upon the Spanish American War World War I the Korean War Vietnam the war on terror and upon more recent events Some of those presented herein served before becoming famous some after some volunteered and some were drafted while others served as civilians in their chosen fields Two became presidents of the United States Three won the Congressional Medal of Honor Aside from their service however these were truly remarkable men and women whose stories deserve to be told if for no other reason than to give us a glimpse into the kinds of people who made the United States the greatest nation in the history of the world

Sal Mineo Michael Gregg Michaud,2011-10-11 Sal Mineo is probably most well known for his unforgettable Academy Award nominated turn opposite James Dean in Rebel Without a Cause and his tragic murder at the age of thirty seven Finally in this riveting new biography filled with exclusive candid interviews with both Mineo s closest female and male lovers and never before published photographs Michael Gregg Michaud tells the full story of this remarkable young actor s life charting his meteoric rise to fame and turbulent career and private life One of the hottest stars of the 1950s Mineo grew up as the son of Sicilian immigrants in a humble Bronx flat But by age eleven he appeared on Broadway in Tennessee Williams s The Rose Tattoo and then as Prince Chulalongkorn in the original Broadway production of The King and I starring Yul Brynner and Gertrude Lawrence This sultry eyed dark haired male ing nue of sorts appeared on the cover of every major magazine thousands of star struck fans attended his premieres and millions bought his records which included several top ten hits His life offstage was just as exhilarating full of sports cars motor boats famous friends and some of the most beautiful

young actresses in Hollywood But it was fourteen year old Jill Haworth his costar in Exodus the film that delivered one of the greatest acting roles of his life and earned him another Academy Award nomination and a Golden Globe win with whom he fell in love and moved to the West Coast But by the 1960s a series of professional missteps and an increasingly tumultuous private life reversed his fortunes By the late sixties and early seventies grappling with the repercussions of publicly admitting his homosexuality and struggling to reinvent himself from an aging teen idol Mineo turned toward increasingly self destructive behavior Yet his creative impulses never foundered He began directing and producing controversial off Broadway plays that explored social and sexual taboos He also found personal happiness in a relationship with male actor Courtney Burr Tragically on the cusp of turning a new page in his life Mineo s life was cut short in a botched robbery Revealing a charming mischievous creative and often scandalous side of Mineo few have known before now Sal Mineo is an intimate moving biography of a distinctive Hollywood star
