Charles A. Wanamaker,2013-06-01 The letters of Paul to the newly founded Christian community at Thessalonica hold a special place within the Christian tradition as possibly the earliest extant Christian writings They are also of special interest not only for their theological value but for their sociological context Among the communities established by Paul the church at Thessalonica appears to have been the only one to have suffered serious external oppression These two important epistles then speak uniquely to contemporary Christians living in a society often ideologically if not politically opposed to Christian faith In this innovative commentary Charles A Wanamaker incorporates what may be called a social science approach to the study of 1 and 2 Thessalonians taking into full account the social context that gave rise to Paul s correspondence While Wanamaker in no way ignores traditional historical critical linguistic literary and theological approaches to writing a commentary in fact at several points he makes a significant contribution to the questions raised by traditional exegesis at the same time he goes beyond previous commentaries on the Thessalonian correspondence by taking seriously the social dimensions both of Christianity at Thessalonica and of the texts of 1 and 2 Thessalonians themselves In blending traditional exegetical methods with this newer approach Wanamaker seeks to understand Pauline Christianity at Thessalonica as a socio religious movement in the first century Greco Roman world and attempts to grasp the social character and functions of Paul s letters within this context A significant and original addition to the literature on 1 and 2 Thessalonians this commentary will be valuable to scholars pastors and students alike *Studies of Paul's Letters to the Thessalonians* Dennis Dinger,2013-03-04 The two letters from Paul to the Thessalonian saints contain details of the second coming of the Lord and encouragements to proper behavior leading up to that day The Thessalonian saints were beset by persecution from rabble rousers and by deceptive words of false teachers The letters contain explanations words of comfort caution and command and encouragements to watch rejoice walk and please God These letters are apropos to the 21st Century because today s saints have similar interests and similar problems to those facing the Thessalonians of the 1st Century plus we are now 2000 years closer to the Lord s return *1st and 2nd Thessalonians Paul's Letters to the Churches Affirming the Believer* Practical Christianity Foundation,2020-08-08 Empowering the Church In his second epistle to the Corinthian Church the

apostle Paul empowered the church by affirming that God's strength and power is revealed and works in our weakness. The apostle empowered the church with God's strength after having confronted the immorality, doctrinal confusion, and frequent disputes that had become commonplace among the Corinthian believers. Paul's message to this church was simple yet powerful. Consider the values of Christ's redemption and realign your thinking with God's instructions. Although this letter was written to admonish, instruct, and encourage the early church, they are just as relevant to us today. This verse-by-verse devotional study, complete with engaging commentary and practical life applications, will challenge you to pursue a closer walk with Jesus Christ and grow in the faith.
