Paw Prints on Your Heart Jo Bruner, 2005-05 Paw Prints on Your Heart provides the reader with a fascinating and humorous journey into the wonderful relationship between human beings and their four legged friends be they dogs cats rabbits hamsters etc No matter which pet animal takes over your household the relationship can best be described in one word precious This is pointed out time and time again by the stories described by author Jo Bruner They are the types of stories that will warm the cockles of your heart to use an old adage Throughout her many years in business and as a homemaker Jo has had a variety of pets but not until she and her husband Dick moved to Florida did she as she describes it strike it rich During one of her early morning walks around the new neighborhood Jo ran into one of her neighbors Sue who announced that she was adopting a new standard black poodle Sam and she also pointed out that Sam s breeder Sondi had other puppies in the same litter Off went the Bruners to visit Sondi and the puppies Soon after that Jo and Dick returned home having just adopted a three month old cream colored poodle The Bruners named their new boarder Rocky because as Dick put it we didn t want a sissy poodle Not too long after that Jo and Rocky started on their walks around the neighborhood every early morning and early evening They got to meet greet and chat with a whole host of their neighbors who you guessed it were also walking their canine friends pals and children When she returned home after each walk she would report on these meetings with her husband who told her you ve got a book there but we may have to move out of the neighborhood He was only kidding of course But read for yourself Prompted by her observations during visits with her late mother then in a nursing home Jo decided to do something about the loneliness she could see in many of the home s other residents Her plan Why not take Rocky into nursing homes and let his natural charm bring some sunshine to those people who were all alone and in need of a smile That s when she

approached the Humane Society of the Treasure Coast and offered Rocky as a volunteer After considerable training Rocky was certified as a therapy dog and he and Jo began visiting nursing homes according to Jo A very rewarding experience In 2003 the family expanded by one a 2 month old silver standard poodle named Beau was adopted Join the Bruners on their travels throughout the United States and the Canadian Maritimes in their motor home Both boys had a ball and since most people in RV s also travel with pets Rocky and Beau did beaucoup socializing Readers of Paw Prints on Your Heart will certainly enjoy sharing in their escapades and it will remind you of the wonderful times with your own special pet

in mid June 2013 The nature s fury had broken loose in Kedarnath valley Excerpts from the book It didn t take long for nature to reveal its frightening designs It was indeed a natural calamity but a manmade disaster too The sudden blackening of the blue sky which Inder had witnessed was caused by a cloud burst over the Chorabali Tal situated at the height of 14 000ft four km from the Kedarnath temple It remains blanketed throughout the year with snow white flakes The clouds poured god knows how many thousand cusecs of water into the lake Consequently the walls of the lake could no longer withstand the water pressure and were breached at several points releasing a huge water jinn which tore apart whatever tried to block it And then when no shackle was left to constrain it the jinn was free to wreak havoc upon the lives of the people Chetak again raised its two bleeding forelimbs to hit the attacker But by that fraction of a second the war was lost and won The poor dog tried to bark But its neck was stifled between the leopard s two sets of teeth The hapless creature could not make even a final cry Blood was oozing from its throat The black brown hairs of the neck gradually became crimson The birds had returned to their nests They were chirping all around The leaves of the kafol tree were fluttering in the evening breeze and emanating the sound like ankle bells The temple bells were ringing Standing on the ramparts of heaven with silver peak railings on the sides the not so bright moon was smiling and peeking through the fluttering leaves of the peepal tree in front

of their house The heaven and earth extended a warm welcome to the long lost son of the family The sky above Himalaya was bathed in a crimson red hue
