

A DREAM WITHIN A DREAM

BY EDGAR ALLAN POE

Take this kiss upon the brow!
And, in parting from you now,
Thus much let me avow—
You are not wrong, who deem
That my days have been a dream;
Yet if hope has flown away
In a night, or in a day,
In a vision, or in none,
Is it therefore the less gone?
All that we see or seem
Is but a dream within a dream.

I stand amid the roar
Of a surf-tormented shore,
And I hold within my hand
Grains of the golden sand—
How few! yet how they creep
Through my fingers to the deep,
While I weep—while I weep!
O God! Can I not grasp
Them with a tighter clasp?
O God! can I not save
One from the pitiless wave?
Is all that we see or seem
But a dream within a dream?

Poems And More:

The family library of poetry and song, selections from the best poets, including tr., ed. by W.C. Bryant.

Memorial ed William Cullen Bryant, 1880 Poems Madison Cawein, 2018-09-20 Reproduction of the original Poems by Madison Cawein **Something More** Mark Dunster, 1999-06-01 **Expressive Networks** Matthew Kilbane, 2025-06-10 Expressive Networks convenes an urgent conversation on digital media and the social life of contemporary poetry Tracing how poems circulate through online spaces and how capitalized platforms have come to pattern the reading and writing of poetry contributors emphasize both the expressivist cast of digital literary culture and the deep running ambivalence that characterizes aesthetic and critical responses to platformed cultural production The volume features chapters on Pan African spoken word programs Singaporean Facebook groups decolonial hemispheric networks and Japanese media critical poetries as well as platforms such as Twitter X Instagram and Amazon Though contributors write from a variety of methodological positions and address themselves to a range of archives they share the primary conviction that the impact of Web 2.0 on literary practice is far reaching far from self evident and far more variegated and unpredictable than easy summations of social media's influence suggest Expressive Networks asks after poetry's present and future by examining what poems themselves express about the social make up of networked platforms Edited by Matthew Kilbane with contributions from Cameron Awkward Rich Micah Bateman Andrew Campana Sumita Chakraborty Scott Challener C. R. Grimmer Tess McNulty Michael Nardone Seth Perlow Anna Preus Susanna Sacks Carly Schnitzler Melanie Walsh and Samuel Caleb Wee **Diary of a Poem** Andrew Hudgins, 2011 A humorous and insightful collection of essays on poetry and its process The News from Poems Jeffrey Gray, Ann Keniston, 2016-08-11 A groundbreaking collection explores contemporary American poetry's relation to social critique and the public sphere Becoming a Giant Cole Lemme, 2014-10-27 Most of the written works of Cole D. Lemme including the weird poetry short stories other tales notes and essays *Still More Rhymes and Reflections* Gordon Alexander, 2023-02-13 This collection is the third book in a series and contains sixty poems by Gordon Alexander As in the previous two poetry collections the writer continues with his approach using astute perceptions expressed with artful rhyming Each poem is titled with a single word and does not intend to lure the reader into any special meaning Instead the poems are straight forward reflecting a personal awareness exploration and expressions of truth or experience Clear and concise the words mean exactly what they say as the author creatively plays with the rhythmic consonants and musical tones of vowels that embellish the topic The author's inspiration comes from personal observations witnessed from afar or in conversation with people known and unknown The topics are broad in nature some humorous some poignant and philosophical One of the strengths of the poet's writing is the universality of content that makes them accessible entertaining and almost educational at times This poetry collection does not require any chronological order to read and enjoy the poems making it suitable for short or long poetic reflections that give all readers freedom and flexibility To date Gordon Alexander

has written and published over 200 poems and has joined the ranks of American poets from the country's midwestern region His style is reminiscent of Ogden Nash's word play in poetry complemented with strains of older Scottish poet Gerald Manley Hopkins who used the rhythm of ordinary speech In the end reading these poems will heighten everyone's appreciation of the power of words as well as encourage more personal presence in life that transforms even the most ordinary moment into a revelation Catherine Thompson Other books by Gordon Alexander Rhymes and Reflections c 2020 Gordon Alexander Published by Outskirts Press More Rhymes and Reflections c 2021 Gordon Alexander Published by Outskirts Press For more information visit gordonalexanderpoet.com
