Poetry Reaching Beyond Emotions Touching The Heart:

Poetry - Reaching Beyond Emotions; Touching the Heart Rory Mitchell, 2005-03 It is not often in this 21st century that one comes across a poet whose work is not only inspirational and a source of comfort and introspection but whose work shows the genuine spark of divine genius that is the signature of a classic in the making Esther Simkin *Whispers of a Lonely Heart* MD. Mohsin Malik, 2023-12-19 *Whispers of a Lonely Heart* Love Loss and Digital Yearning tells the poignant tale of a man navigating the complex landscapes of modern love through the digital realm Fueled by a deep yearning for connection the protagonist's journey unfolds in a symphony of emotions from the sweet notes of blossoming love to the discordant echoes of heartbreak The narrative follows his attempts to bridge the gap between solitude and companionship as a fleeting connection with Ziya turns into a poignant exploration of love's complexities With each digital stroke the man pours his soul into the virtual canvas oscillating between the sweetness of romance and the bitterness of betrayal As the nights unfold in a rhythmic dance of longing the story explores the timeless themes of love loss and the enduring resilience of the human heart in the face of uncharted emotional terrain *Whispers of a Lonely Heart* invites readers into a world where the digital stars bear witness to the silent elegy of a love story that transcends the boundaries of pixels and screens

Murm'ring of the Heart Olivia Villa-Real, 2015-11-18 In this fast paced world of science and technology we have set ourselves to a never ending race with time We've lost our capacity to enjoy the simple pleasures in life We have dulled our senses from appreciating the wild flowers along our way that flaunt their beauty and waft their fragrance on the breeze We cast our vision hurriedly past the inviting pathways into the deep woods that eagerly entice us to take a moment's rest Lest we become robots devoid of feeling machineries unable to experience bliss we must elevate ourselves from the mundane to such loftiness of spirit as will enable us to experience and enjoy the true essence of life This book offers us a sanctuary to rest our weary body and spirit and its poetry allows us to feel the realities within ourselves too often missed yet are far richer than the physical realities around us that are too commonplace and barren to appreciate The poems tug at the root of our being awakening the treasures lurking within us little gems too inspiring to miss and too beautiful to forget This book is a window into my soul the anima within me that gives me life It is the true reality of my existence more than the reality of my physical being It is beyond what my intellect can reach and what my emotions can inspire My poetry which includes my songs is the fresh breath of my soul it is the raw expression of what is at my core borne in the spur of the moment and perfected by inspiration It is therefore in a spirit of love and absolute trust that I welcome you into this sanctuary of my soul since I render myself bare naked and vulnerable as I put you in touch with my true reality which is devoid of fear pretenses inhibitions as well as self serving needs or purpose *Reflections of Life* GERALD W. JONES, 2014-01-31 *Reflections of Life* is a collection of spirit filled poems and thoughts covering daily lives of people from every ethnic background It acts as an therapeutic guide to examine emotions and stimulate contemplative thought through poetry Much like the first book written by Gerald this
