Portraits Of Paul An Archaeology Of Ancient Personality:

Portraits of Paul Bruce J. Malina, 1996-01-01 The authors focus on Paul to discern how ancient persons understood themselves other people and the world around them believing that biblical interpretation can be skewed if contemporary presuppositions about personality are imposed on history

"The Law of the Spirit" John Anthony Bertone, 2005 Paul's explication of the relationship between the Spirit and Law in Romans 8 has been the subject of protracted scholarly debate In Romans 7 6 Spirit and Law are set in opposition to each other However in Romans 8 4 they appear conjoined operating in a more harmonious manner With the use of cognitive dissonance theory this book proposes that Paul perceived a state of dissonance between covenantal nomism and his post Damascus cognitions on the Spirit As a result he attempts to reduce the qualitative distinction between these two clusters of cognitions by establishing cognitive overlap between them and by striving to achieve social validation for his cognitions within his own fictive family of Roman believers with whom he shared the experience of the Spirit

The Price of Partnership in the Letter of Paul to the Philippians Mark A. Jennings, 2018-01-25 Mark A Jennings challenges the consensus that there is no clear single purpose that shapes the entire epistle to the Philippians instead arguing that there is significant evidence for Paul to have written the letter with the sole intent of persuading the church to maintain its exclusive partnership with him and his gospel mission Jennings examines each section of Philippians with standard historical critical methods rhetorical criticism and social scientific methods Establishing that Paul's argument is rooted in three fundamental tenets emphasis is first placed on koinonia and the agreement that Paul and the Philippians had entered into regarding his apostolic mission Second Jennings looks at the repeated proofs that Paul offers that simultaneously affirm the ordained superiority of his apostolic mission and repudiate the claims of his rivals Third Jennings analyses the issue of finances in the epistle discussing how Paul rhetorically transforms the Philippians financial support into a salient indicator that they esteem his gospel mission authentic Finally whereas other scholars have argued that Paul entreats the Philippians to be steadfast in their commitment to the gospel of Christ Jennings proposes that Paul urges the church to be steadfast in their commitment to his gospel of Christ Jennings then considers how this seemingly small distinction has profound ramifications for understanding the letter and shows the gap between these interpretations

Paul on Baptism Nicholas Taylor, 2017-09-15 Drawing on recent scholarship on the Pauline tradition within early Christianity this book examines Paul's theology of baptism and highlights its practical application in ministry today It considers what the rite represented and effected in the light of the social and cultural milieu in which his letters were written and of his strategies for mission and the formation and nurture of new Christian communities The need to integrate recent scholarship with contemporary pastoral issues and to do so in a theologically reflective way is acute Using a wide range of social scientific approaches to the ancient world and Christian origins including identity religious conversion and ritual the book explores the implications of this reconstruction for contemporary issues of baptismal practice pastoral care and mission

aiming to bring the insights of specialists to those working on the frontline of pastoral practice Paul and First-Century Letter Writing E. Randolph Richards, 2025-07-29 Traditional Christian art depicts Paul the letter writer pen in hand attentive to the Spirit We might think we know better and imagine him pacing in agitation as he rapidly dictates to a secretary his letter to the Galatians But in reality neither of these pictures is accurate In Paul's day producing a letter was a time consuming and costly business And we have ample resources from the ancient world to piece together what it must have been like A secretary was usually part of the picture But so were notes drafts corrections and careful rewrites not to speak of scratchy pens sooty ink and coarse papyrus Interestingly there is evidence that Paul involved his missionary team in the writing of letters And then came the delivery over land and sea the reading and circulation as well as the epistolary afterlife of copying collecting and storing E Randolph Richards has extensively studied ancient letter writing and secretaries Informed by the historical evidence and with a sharp eye for telltale clues in Paul's letters he takes us into this world and places us on the scene with Paul the letter writer What first appears to be just a study of secretaries and stationery turns out to be an intriguing glimpse of Paul the letter writer that overthrows our preconceptions and offers a new perspective on how this important portion of Christian Scripture came to be The Lord's Prayer in Matthew 6:9-13 F. Manjewa M'bwangi, 2022-04-26 In this book a socio rhetorical analysis blending literary with social sciences approaches provides the exegetical leverage to explore Matthew's use of the Lord's Prayer in shaping the identity of his community in the antiquity The book lays down a foundation for drawing insights from the Lord's Prayer concerning Christian norms values and traditions that are pertinent to pastors students researchers and lecturers who are interested in exploring matters of identity in their communities institutions and society at large **T&T Clark Handbook to Social Identity in the New Testament** J. Learning the Way Cassandra Carkuff Williams,2009-03-31 How should the church respond to the changing cultural and societal changes going on around it Should it reject the historical traditions that served the early Christian church or should it turn a blind eye to the changes happening in modern society Neither as Cassandra D Carkuff Williams advocates it should and it must recover and reclaim our foundations and reinterpret them in light of present day realities In Learning the Way Reclaiming Wisdom from the Earliest Christian Communities Williams suggests that the biggest problems facing the church today are the victim mentality created out of its own presumptions and that we have allowed our cultures and societies to dictate the way in which we lead our churches Williams explores early Christian communities and their practices in order to create principles for discipleship formation She then offers expert advice on how to approach modern day issues of Christian education and the nurturing of disciples based on the examples set forth by our earliest

forebears in the faith As Williams states Discipleship is a way of being grounded in vocation nurtured within community and guided by tradition This book provides an overview of the past in order that we might take the proven example and apply it toward our present and our future *Reading the Human Body* Mladen Popović, 2007 Offering new reconstructions and interpretations of physiognomic and astrological texts from Qumran in comparison with Babylonian and Greco Roman texts this book gives a fresh view of their sense function and status within both the Qumran community and Second Temple Judaism

The Nordic Paul Lars Aejmelaes, Antti Mustakallio, 2008-10-21 A challenging and thought provoking scholarly discussion on Pauline theology by leading Pauline scholars

Paul, Apostle to the Nations Walter F. Taylor, 2012 Who was Paul what did he do what did he write Walter F Taylor sets out to bring together a wealth of contemporary perspectives in a clear and accessible synthesis bringing to bear on his subject the best of recent social scientific and cultural anthropological thinking on Paul An appendix presents a clear summary of issues related to Paul s thought on gender and sexuality

The Heavenly Trumpet Margaret Mary Mitchell, 2002-01-01 Arguing that all Pauline interpretation depends significantly on the ways in which readers formulate their own images of the apostle Margaret M Mitchell posits that John Chrysostom the most prolific interpreter of the Pauline epistles in the early church exemplifies this phenomenon Mitchell brings together Chrysostom s copious portraits of Paul of his body his soul and his life circumstances and for the first time analyzes them as complex rhetorical compositions built on well known conventions of Greco Roman rhetoric Two appendices offer a fresh translation of Chrysostom s seven homilies de laudibus sancti Pauli and a catalogue of color plates of artistic representations that graphically represent the author exegete dynamic this study explores

Paul, Christian Textuality, and the Hermeneutics of Late Antiquity, 2023-12-07 The essays in the present volume celebrate the work of Margaret M Mitchell University of Chicago by engaging extending and challenging her ground breaking research in three areas 1 the letters of Paul the Apostle both authentic and pseudepigraphic 2 the emergence and rapid development of early Christian literary culture over the first few centuries of the cult s existence and 3 Late Antique interpretive practices and perspectives particularly among patristic readers of the scriptures

Paul's Message of the Cross as Body Language Wenhua Shi, 2008 Revised version of the author s doctoral thesis

The Holy Spirit and Ethics in Paul Volker Rabens, 2013 Volker Rabens answers the question of how according to the apostle Paul the Holy Spirit enables religious ethical life In the first part of the book the author discusses the established view that the Spirit is a material substance which transforms people ontologically by virtue of its physical nature In order to assess this Stoic reading of Paul the author examines all the passages from the Hebrew Bible early Judaism Hellenism and Paul that have been put forward in support of this concept of ethical enabling He concludes that there is no textual evidence in early Judaism or Paul that the Spirit was conceived as a material substance Furthermore none of these or any of the Graeco Roman writings show that ethical living derives from the transformation of the substance of the person that is imbued with a physical Spirit The second part of the study offers a fresh

approach to the ethical work of the Spirit which is based on a relational concept of Paul's theology Rabens argues that it is primarily through initiating and sustaining an intimate relationship with God the Father Jesus Christ and with the community of faith that the Spirit transforms and empowers people for ethical living The author establishes this thesis on the basis of an exegetical study of a variety of passages from the Pauline corpus In addition he demonstrates that Paul lived in a context in which this dynamic of ethical empowering was part of the religious framework of various Jewish groups Living in the Flesh by the Spirit Brian H. Thomas, 2020-02-05 What does Paul mean by the flesh There is a great deal of confusion among laymen and disagreement among scholars on this issue Christians know that we are supposed to walk by the Spirit so that they will not gratify the desires of the flesh but it is not entirely clear what these expressions mean Furthermore Paul can also be confusing when he addresses the Christian's relationship to the flesh are we in the flesh or not This book clarifies these issues for us by exploring the different meanings of flesh throughout the Bible and analyzing the influence both of Old Testament conceptions of flesh as well as new salvation historical realities on Paul's thinking especially in the context of the controversy over circumcision in Galatians By carefully following Paul's thought we will also gain greater insight into other Pauline themes that intersect with his theology of the flesh new creation and his view of this age and the one to come Most importantly we will discover Paul's own program for our spiritual transformation so that we may live a life of Christlike love and service despite the moral weakness of our flesh *Quality Research Papers* Nancy Jean Vyhmeister, Terry Dwain Robertson, 2014-02-11 This updated third edition of *Quality Research Papers* fast becoming a standard reference textbook for writing research papers in the fields of religion and theology gives improvements and added material for such things as the expanding field of online research and doing church related research in a professional manner Because so many new developments have taken place in the field of research especially in terms of electronic research this handy reference explores the ways to do research on the internet including how to document such research *Quality Research Papers* offers great opportunities to students today especially in distant learning situations to determine which resources can be used and which should be rejected For this reason Nancy Vyhmeister brought in Terry Robertson Seminary Librarian at Andrews University and professor of the seminary master's level research courses His expertise in library computers and the Internet are invaluable to the book In addition to substantial current information on electronic resources and online research this third edition preserves all of the features of the original editions now presented in a newly revised more logical order
