The 10 Habits of Happy Mothers Meg Meeker, 2011-09-06 This sanity saving guide offers practical ways to help you let go of mom guilt in order to become a happier healthier woman Parent Child Now with wellness tips and exercises The pressure on women today has pushed many American mothers to the breaking point It feels as if doing your best is never enough to please everyone and the demands mothers place on themselves are both impossible and unrealistic Now Meg Meeker M D critically acclaimed author of Strong Fathers Strong Daughters puts her twenty five years experience as a practicing pediatrician and counselor into a sound sane approach to reshaping the frustrating exhausting lives of so many moms Mothers are expected to do it all raise superstar kids look great make good salaries volunteer for everything run errands keep a perfect house be the perfect wife Single mothers often have even more demands and less support In this rallying cry for change Dr Meeker incorporates clinical data and her own experience raising four children to show why mothers suffer from the rising pressure to excel and the toll it takes on their emotional physical mental and spiritual health Too many mothers are increasingly lonely anxious depressed and unhappy with themselves refusing to let themselves off the hook Here Dr Meeker has identified the 10 most positive habits of mothers who are healthy happy and fulfilled The key is to embrace a new perspective and create real joy and purpose by utilizing such core habits as making friends with those who know the meaning of friendship finding out what money can buy and what it cannot lightening the overload and doing less more often discovering faith and learning how to trust it taking some alone time and reviving yourself Mothers it s time to view the unconditional trust that you see in your children s eyes when they take your hand or find your face in a crowd as a mirror of your own wonder and worth You are the light that shines in their lives the beacon that guides them By implementing the key strategies in Dr Meeker s book you can be happy hopeful and a wonderful role model You can teach your children to be the very best they can be and isn t that still the most precious reward of motherhood

Homosexual Desire Guy Hocquenghem,1993 This essay focuses on the possibility of social and personal transformation which was opened up by the gay liberation movement in France which the author terms a revolution of desire

Virtuous Emotions Kristján Kristjánsson,2018-04-20 Many people are drawn towards virtue ethics because of the central place it gives to emotions in the good life Yet it may seem odd to evaluate emotions as virtuous or non virtuous for how can we be held responsible for those powerful feelings that simply engulf us And how can education help us to manage our emotional lives The aim of this book is to offer readers a new Aristotelian analysis and moral justification of a number of emotions that Aristotle did not mention awe grief and jealousy or relegated at best to the level of the semi virtuous shame or made disparaging remarks about gratitude or rejected explicitly pity understood as pain at another person s deserved bad fortune Kristj n Kristj nsson argues that there are good Aristotelian reasons for understanding those emotions either as virtuous or as indirectly conducive to virtue Virtuous Emotions begins with an overview of Aristotle s ideas on the nature of emotions and of emotional value and concludes with an account of Aristotelian emotion education

Heartbreak House George Bernard Shaw,2023-09-18T20:27:14Z Published in 1919 Heartbreak House is an examination of the failings of the European leisure classes before World War I failings that author George Bernard Shaw blamed for the war and that he predicted would quickly lead to another longer war The play is set in an English country house where representatives of every type of English society have gathered at the home of the seemingly mad Captain Shotover Hidebound aristocrats and cultured bohemians wealthy capitalists and radical idealists prim moralists and idle libertines are all laid bare in one of Shaw s bleakest and yet most absurd plays This book is part of the Standard Ebooks project which produces free public domain ebooks

Posing Sex Alan Singer,2018-04-19 Posing Sex Toward a Perceptual Ethics for Literary and Visual Art views the long and provocative tradition of representing the sexual act in Western art as an occasion for challenging assumptions about personhood It is uncontroversial that what Singer dubs the sex image the artist s

posing of human figures in the act of coitus is an enduring compositional armature for artists from antiquity to the present Singer however makes the quite controversial claim that this aesthetic practice in literature and painting especially serves as a powerful medium for exploring how the mind is continuous with the sensuously lively body rather than its rationalistic antagonist Singer draws upon a rich philosophical tradition from the Greek Stoics Descartes Spinoza and Hegel to contemporary theorists of perception and aesthetic agency to show how the stakes of aesthetic experience epitomized in the sex image are essentially ethical Referencing a broad range of image based artworks literary painterly and cinematic Singer illustrates the proposition that posing sex broadens the scope of our knowledge about how feeling reciprocates with reason giving

Retroactive Jealousy Vincenzo Venezia,2023-05-23 Does your partner s past obsess you Do you want to know every detail even if you know it will hurt you Do you fill in the blanks with absurd imaginary scenarios Do you sometimes think that you are going crazy The answer to the above questions although complex and often confusing can be given in two words Retroactive Jealousy Feeling jealous is normal No one is thrilled about their partner s dating history however unlike the garden variety green eyed monster retroactive jealousy RJ describes an obsession or feelings of envy related to your partner s past typically around their previous romantic or sexual relationships Do you feel like you are trapped in an endless loop of negative thoughts mentally exhausted drained and short of energy Letting retroactive jealousy escalate can be harmful to your peace of mind and your relationship I recommend that you read this book if You find yourself ruminating about your partner s past You might find yourself repeatedly thinking about your partner s past and feeling envious of their previous partners You digitally stalk their ex You are on a casual FB Instagram or Tik Tok scroll when you see a vaguely familiar name put like or comment on your partner s friend s post Before you know it you get sucked in you find yourself lurking on your partner ex s profile trying to dig up all the information that you can You are always making comparisons You might narrow in on a specific person your partner dated before you and compare yourself to them You doubt your partner Jealousy can cause you to engage in unhealthy relationship behaviours such as checking up on your partner doubting their word or going through their phone You may find yourself calling their friends or their workplace to check on their whereabouts or reading their text messages to their ex You find yourself imagining missing details If you are unaware of the details of your partner s romantic history it could be more enticing to imagine a more idealised version of

their past You might fear that your partner dated the most perfect successful and beautiful people before you RJ could be hell you feel confused and misunderstood by your partner and friends The good news You can work through these feelings Fortunately there are methods in this manual to identify and interrupt dysfunctional patterns and cultivate new ones that are helpful and tailored to you It is important to do this for yourself and your loved ones You probably hate yourself for all those thoughts that obsess you but before you start reading this manual I want you to be aware of three things Everything you are experiencing is not ridiculous you are not crazy and you are not alone There is a way out and it is an extremely liberating feeling This book was written for you Act now *Heartbreak House* Bernard Shaw,2021-01-01 *Heartbreak House* by Bernard Shaw In this satirical play Bernard Shaw uses the backdrop of a wealthy household to critique British society and the complacency of its upper class during the early 20th century Through a series of humorous and thought provoking conversations Shaw examines the flaws and foibles of the characters and comments on the societal and political issues of his time providing a biting commentary on the state of British society Key Aspects of the Book *Heartbreak House* Satire and Social Critique Shaw employs satire to lampoon the attitudes and behaviors of the upper class exposing their ignorance and detachment from the reality of the world Complex Characters The play features a diverse cast of characters each representing different social classes and embodying distinct societal issues Themes of War and Decay *Heartbreak House* explores the consequences of war and the decay of British society commenting on the moral and political decline of the era Bernard Shaw 1856 1950 was an Irish playwright critic and essayist He was a prominent figure in the literary and intellectual circles of his time and played a pivotal role in the development of modern drama Shaw s works often addressed social political and ethical issues and he was a staunch advocate for various causes including women s rights and socialism His unique blend of humor wit and social commentary continues to make his plays relevant and engaging to contemporary audiences *Handbook of Cognition and Emotion* Tim Dalgleish,Mick Power,2000-11-21 Edited by leading figures in the field this handbook gives an overview of the current status of cognition and emotion research by giving the historical background to the debate and the philosophical arguments before moving on to outline the general aspects of the various research traditions This handbook reflects the latest work being carried out by the key people in the field **The Jealous Goddess** Madge Mears,1915 *All the World Will be Jealous of Me* Ernest R. Ball,1917 *From Smartphones to Social Media* Mark Carrier,2018-10-18 This book examines how technology such as smartphones computers and the internet shape our physical health cognitive and psychological development and interactions with one another and the world around us Technology has become a ubiquitous part of modern life but its impact on our physical psychological and social health and development runs just as deep as does our dependence upon it How is the development of babies brains affected by their playing with their parents smartphones and tablets How have computers altered the way we process and learn information How have texting and social networking sites such as Facebook changed the way in which we interact with others Can online

dating lead to meaningful real world relationships From Smartphones to Social Media investigates these questions and many complex issues related to technology Readers will discover what researchers know about how the use of technology affects us through accessibly written thematic chapters The main text is complemented by a collection of case studies and interviews with a variety of experts providing insight into how technology s positive and negative effects manifest in our everyday lives and what we can do to mediate the negative ones *Werner's Readings and Recitations* ,1891 Helen Potter's
