

Witchcraft and Demon Possession

- In the 15-17 centuries, demon possession was associated with witchcraft (part of a Satanic conspiracy).
- Compendium Maleficarum – witchhunting manual from the 17th century.
- People who were of low social status but intelligent, well-traveled, or privy to thoughts and actions of others were suspected.
- Behaviors of those possessed were involuntary

Possession And Witchcraft

Michael D. Bailey

Possession And Witchcraft:

The Devil's Children Jean La Fontaine, 2016-03-16 A number of cases of serious child abuse have resulted from beliefs that children may be possessed by evil spirits and may then be given the power to bewitch others Misfortune failure illness and even death may be blamed on them The cure nowadays called deliverance rather than exorcism is to expel the spirits sometimes by violent means This book draws together contributions on aspects of possession and witchcraft from leading academics and expert practitioners in the field It has been put together following conferences held by Inform a charity that provides accurate information on new religions as a public service There is no comparable information publicly available this book is the first of its kind Eileen Barker founder of Inform introduces the subject and Inform's Deputy Director goes on to detail the requests the charity has answered in recent years on the subject of children possession and witchcraft This book offers an invaluable resource for readers whether academic or practitioner particularly those in the fields of the safeguarding of children and their education health and general welfare

Child Abuse Linked to Accusations of "possession" and "witchcraft" Eleanor Stobart, 2006

Demonic Possession on Trial William W. Coventry, 2003 Demonic Possession on Trial demonstrates that the phenomenon of demonic possession reflects a society's cultural characteristics intellectual perceptions religious concerns and popular beliefs In this work William Coventry analyzes seven legal cases of alleged demonic possession from England and colonial America during the late sixteenth and seventeenth centuries These examples reveal the political and religious rivalries medical controversies and inter communal conflicts that influenced the development and prosecution of the cases The book also sheds light on the Salem proceedings which many times have been viewed only in their distinctive and radical sense The Massachusetts colonists brought their opinions memories traditions and laws over from England so these earlier cases almost certainly affected the mindset at Salem After describing and comparing these case studies the author draws some interesting conclusions Though possession cases all shared certain commonalities the fascinating interplay of diverse influences and issues created vastly different outcomes culminating with the executions during the Salem witchcraft trials

New Perspectives on Witchcraft, Magic, and Demonology: Witchcraft in the British Isles and New England Brian P. Levack, 2001

Witchcraft, Exorcism and the Politics of Possession in a Seventeenth-Century Convent Nicky Hallett, 2017-11-22 Presenting a remarkable set of previously unpublished papers this book concerns the bewitchment possession and exorcism of two seventeenth century nuns living in exile in an English convent in the Spanish Netherlands The two women left behind an extensive set of personal writing that reveals unprecedented detail about their devotional lives and spiritual states before during and after exorcism Unlike other similar cases here the women write for themselves for the first time in 350 years this book allows their voices and their silences to resound in all their vibrancy An extensive introduction discusses the politics of piety and possession at a time when exorcism had become increasingly contentious amidst conflicting claims for rival church reform The book includes both

autobiographical and biographical material written by the nuns and about them and casting new light on processes of female self writing at just the time when the modern subject is often said to have emerged **Vexed with Devils** Erika Gasser,2019-12-15 Stories of witchcraft and demonic possession from early modern England through the last official trials in colonial New England Those possessed by the devil in early modern England usually exhibited a common set of symptoms fits vomiting visions contortions speaking in tongues and an antipathy to prayer However it was a matter of interpretation and sometimes public opinion if these symptoms were visited upon the victim or if they came from within Both early modern England and colonial New England had cases that blurred the line between witchcraft and demonic possession most famously the Salem witch trials While historians acknowledge some similarities in witch trials between the two regions such as the fact that an overwhelming majority of witches were women the histories of these cases primarily focus on local contexts and specifics In so doing they overlook the ways in which manhood factored into possession and witchcraft cases *Vexed with Devils* is a cultural history of witchcraft possession phenomena that centers on the role of men and patriarchal power Erika Gasser reveals that witchcraft trials had as much to do with who had power in the community to impose judgement or to subvert order as they did with religious belief She argues that the gendered dynamics of possession and witchcraft demonstrated that contested meanings of manhood played a critical role in the struggle to maintain authority While all men were not capable of accessing power in the same ways many of the people involved those who acted as if they were possessed men accused of being witches and men who wrote possession propaganda invoked manhood as they struggled to advocate for themselves during these perilous times Gasser ultimately concludes that the decline of possession and witchcraft cases was not merely a product of change over time but rather an indication of the ways in which patriarchal power endured throughout and beyond the colonial period *Vexed with Devils* reexamines an unnerving time and offers a surprising new perspective on our own using stories and voices which emerge from the records in ways that continue to fascinate and unsettle us *Witchcraft and Magic in Ireland* Andrew Sneddon,2015-08-25 This is the first academic overview of witchcraft and popular magic in Ireland and spans the medieval to the modern period Based on a wide range of un used and under used primary source material and taking account of denominational difference between Catholic and Protestant it provides a detailed account of witchcraft trials and accusation **Demonic Possessions in History** Anita Croy,2019-07-15 Possession by a malevolent spirit sounds like a horrific nightmare or bizarre fiction but history has certainly shown that it isn t such a far fetched concept The fear of these possessions stems from Christianity and other religions They had treacherous repercussions such as witch hunts in Europe and the United States and attempted exorcisms Murderers even used the guise of demonic possession as an excuse for their crimes Readers poring through these engrossing extensive accounts can decide for themselves what may have a ring of truth to it **Encyclopedia of Witchcraft** Richard M. Golden Director, Jewish Studies Program,2006-01-30 The definitive compilation on witchcraft and witch hunting in the early modern

era exploring significant people places beliefs and events Encyclopedia of Witchcraft The Western Tradition is the definitive reference on the age of witch hunting approximately 1430 1750 its origins expansion and ultimate decline Incorporating a wealth of recent scholarship in four richly illustrated alphabetically organized volumes it offers historians and general readers alike the opportunity to explore the realities behind the legends of witchcraft and witchcraft trials Over 170 contributors from 28 nations provide vivid documented descriptions and analyses of witchcraft trials and locations folklore and beliefs magical practices and deities influential texts and the full range of players in this extraordinary drama witchcraft theorists and theologians historians and authors judges clergy and rulers the accused and their persecutors Concentrating on Europe and the Americas in the early modern era the work also covers relevant topics from the ancient Near East including the Hebrew and Christian Bibles classical antiquity and the European Middle Ages The Oxford Handbook of Witchcraft in Early Modern Europe and Colonial America Brian P. Levack, 2013-03-28 The essays in this Handbook written by leading scholars working in the rapidly developing field of witchcraft studies explore the historical literature regarding witch beliefs and witch trials in Europe and colonial America between the early fifteenth and early eighteenth centuries During these years witches were thought to be evil people who used magical power to inflict physical harm or misfortune on their neighbours Witches were also believed to have made pacts with the devil and sometimes to have worshipped him at nocturnal assemblies known as sabbaths These beliefs provided the basis for defining witchcraft as a secular and ecclesiastical crime and prosecuting tens of thousands of women and men for this offence The trials resulted in as many as fifty thousand executions These essays study the rise and fall of witchcraft prosecutions in the various kingdoms and territories of Europe and in English Spanish and Portuguese colonies in the Americas They also relate these prosecutions to the Catholic and Protestant reformations the introduction of new forms of criminal procedure medical and scientific thought the process of state building profound social and economic change early modern patterns of gender relations and the wave of demonic possessions that occurred in Europe at the same time The essays survey the current state of knowledge in the field explore the academic controversies that have arisen regarding witch beliefs and witch trials propose new ways of studying the subject and identify areas for future research **A Skin for Dancing in** Tanya Krzywinska, 2000 Witchcraft, Lycanthropy, Drugs and Disease Homayun Sidky, 2010-04-01 Long before the political mass murders witnessed in the present century western Europe experienced another kind of holocaust the witch hunts of the early modern period Condemned of flying through the air changing into animals and worshipping the Devil over a hundred thousand people were brutally tortured systematically maimed and burned alive Why did these persecutions take place Was it superstition irrationality or mass delusion that led to the witch hunts This study seeks explanation in the tangible actions of human actors and their worldly circumstances The approach taken is anthropological inferences are grounded on a wide spectrum of variables ranging from the political and ideological practices used to mystify earthly affairs to the logical structure of witch beliefs

torture technology and the role of psychotropic drugs and epidemic diseases *Demonology and Witchcraft* Jean-Pierre Coumont, 2021-11-01 Extensive bibliography on demonology and witchcraft systematically describing all materials including books monographs conference reports and doctoral dissertations covering these subjects subjects from the 15th century to the 21st century 5000 entries and indices on author subject and anonymous works *Possessed By the Devil* Dr Andrew Sneddon, 2013-05-15 County Antrim Ireland 1711 Eight women were put on trial accused of bewitching and demonically possessing young Mary Dunbar amid an attack by evil spirits on the local community and after the supernatural murder of a clergyman's wife Mary Dunbar was the star witness in this trial and the women were by the standards of the time believable witches they dabbled in magic they smoked they drank they had disabilities A second trial targeted a final male witch and head of the Sellar witch family With echoes of the Salem witch hunt this is a story of murder of a community in crisis and of how the witchhunts that claimed over 50 000 lives in Europe played out on Irish shores It plunges the reader into a world where magic was real and the power of the Devil felt with disastrous consequences **The History of Witchcraft and Demonology** Montague Summers, 1926 This work about witchcraft sorcery black magic neuromancy damnation satanism and every kind of magic and occult is written by the undisputed scholar in the field and is a work of unprecedented authority of interest to all who are connected with the subject *Witchcraft and belief in Early Modern Scotland* J. Goodare, L. Martin, J. Miller, 2007-12-04 This pioneering collection concentrates on witchcraft beliefs rather than witch hunting It ranges widely across areas of popular belief culture and ritual practice as well as dealing with intellectual life and incorporating regional and comparative elements *Witchcraft, Demonology and Magic* Marina Montesano, 2020-05-20 Witchcraft and magic are topics of enduring interest for many reasons The main one lies in their extraordinary interdisciplinarity anthropologists folklorists historians and more have contributed to build a body of work of extreme variety and consistence Of course this also means that the subjects themselves are not easy to assess In a very general way we can define witchcraft as a supernatural means to cause harm death or misfortune while magic also belongs to the field of supernatural or at least esoteric knowledge but can be used to less dangerous effects e g divination and astrology In Western civilization however the witch hunt has set a very peculiar perspective in which diabolical witchcraft the invention of the Sabbat the persecution of many thousands of mostly female and sometimes male presumed witches gave way to a phenomenon that is fundamentally different from traditional witchcraft This Special Issue of Religions dedicated to Witchcraft Demonology and Magic features nine articles that deal with four different regions of Europe England Germany Hungary and Italy between Late Medieval and Modern times in different contexts and social milieus Far from pretending to offer a complete picture they focus on some topics that are central to the research in those fields and fit well in the current cumulative concept of Western witchcraft that rules out all mono causality theories investigating a plurality of causes **The Witchcraft Reader** Darren Oldridge, 2019-09-04 The Witchcraft Reader offers a wide range of historical perspectives on the subject of witchcraft in a

single accessible volume exploring the enduring hold that it has on human imagination The witch trials of the late Middle Ages and the sixteenth and seventeenth centuries have inspired a huge and expanding scholarly literature as well as an outpouring of popular representations This fully revised and enlarged third edition brings together many of the best and most important works in the field It explores the origins of witchcraft prosecutions in learned and popular culture fears of an imaginary witch cult the role of religious division and ideas about the Devil the gendering of suspects the making of confessions and the decline of witch beliefs An expanded final section explores the various revivals and images of witchcraft that continue to flourish in contemporary Western culture Equipped with an extensive introduction that foregrounds significant debates and themes in the study of witchcraft providing the extracts with a critical context The Witchcraft Reader is essential reading for anyone with an interest in this fascinating subject

The A to Z of Witchcraft Michael D. Bailey, 2009-09-28 A great deal has been written about the history of witchcraft but much of what has been written is unreliable exaggerated or inaccurate This problem is especially acute in regard to modern witchcraft or Wicca and its supposed connections to historical witchcraft in medieval and early modern Europe The A to Z of Witchcraft provides a reliable reference source for both academics and general readers interested in the actual historical development of witchcraft in the western world The focus of the dictionary is on Western Europe during the late medieval and early modern periods when the specific idea of diabolical witchcraft developed and when the so called great witch hunts occurred Entries are also provided that deal with magic and witchcraft in the earlier Christian period and classical antiquity as well as with the lingering belief in witchcraft in the modern world and with the development of the modern neo pagan religion of witchcraft also known as Wicca For comparative purposes some entries have been provided that deal with aspects and systems of magic found in other parts of the world that seem to bear some relation to the idea of witchcraft as it developed in Christian Europe The regions dealt with are mainly Africa along with such New World practices as Voodoo and Santeria Entries in the dictionary cover important people in the history of witchcraft from the medieval inquisitors and early modern magistrates who developed the stereotype of the historical witch to the modern individuals who have developed the religion of Wicca Also included are legal terms and concepts important to the prosecution of the supposed crime of witchcraft and religious and theological concepts pertaining to the demonic elements that came to be associated with witchcraft as well as more popular beliefs and aspects of common folklore and mythology that became attached to the developing idea of witchcraft Geographic entries are also included discussing the scope of witch hunting in various regions

Witchcraft: The Basics Marion Gibson, 2018-06-14 Witchcraft The Basics is an accessible and engaging introduction to the scholarly study of witchcraft exploring the phenomenon of witchcraft from its earliest definitions in the Middle Ages through to its resonances in the modern world Through the use of two case studies this book delves into the emergence of the witch as a harmful figure within western thought and traces the representation of witchcraft throughout history analysing the roles of culture religion

politics gender and more in the evolution and enduring role of witchcraft Key topics discussed within the book include The role of language in creating and shaping the concept of witchcraft The laws and treatises written against witchcraft The representation of witchcraft in early modern literature The representation of witchcraft in recent literature TV and film Scholarly approaches to witchcraft through time The relationship between witchcraft and paganism With an extensive further reading list summaries and questions to consider at the end of each chapter Witchcraft The Basics is an ideal introduction for anyone wishing to learn more about this controversial issue in human culture which is still very much alive today

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Possession And Witchcraft eBooks, including some popular titles.

FAQs About Possession And Witchcraft Books

What is a Possession And Witchcraft PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Possession And Witchcraft PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Possession And Witchcraft PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Possession And Witchcraft PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Possession And Witchcraft PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
