Peter Juviler

Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology:

Post-communist Studies And Political Science Frederic J. Fleron, Erik P Hoffmann, 1993-04-25 In this first extended reassessment of Sovietology in over two decades the authors argue that the field's isolation from the social sciences has diminished analysts' ability to explain the dramatic changes in the USSR

Post-communist Studies And Political Science Jr. Fleron, Erik P Hoffmann, 2019-08-15 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self-destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism

Beyond Post-communist Studies Terry D. Clark, 2016-07-08 This book makes the case that several East Central European countries have emerged as fully consolidated democracies As such they may be integrated into the mainstream of political science research and not consigned forever to a transitional category encompassing countries that are now fully democracies as well as some that are not democratic at all The author outlines the steps of another transition from post communist studies to political science research He demonstrates how institutionalist or rational choice theories can be applied to the analysis of political processes in the successfully democratized countries and proposes a new research agenda for political scientists studying the region The results of this work can enrich political science as well as our understanding of both democracy and the politics of contemporary Eastern Europe

Russian Studies, Political Science, and the Philosophy of Technology Guoli Liu, Joanna Drzewieniecki, 2022-04-18 This volume presents state of the art creative scholarship in political science and area studies with an emphasis on Russia The contributors all well known in their specialties share the conviction that advancement in the social sciences can only be achieved through plural methodological approaches and interaction with various disciplines Their work in this collection provides critical analyses of key issues in Russian and post Soviet studies It explores the most fruitful ways of studying Russia with particular emphasis on the federal system politics in the era of Putin challenges of Russian foreign policy and Russian attitudes toward democracy The vagaries of democracy are also explored in articles on Georgia and Turkey Additionally this book examines the philosophy of technology with an emphasis on critical theory eco domination and engineering ethics

Postcommunist Studies and Political Science Jr Fleron, Erik P Hoffmann, 2021-06-02 Serious stock taking is in progress now among practitioners of what has been called Sovietology meaning studies of the Union of Soviet Socialist Republics The reason is that the field for the most part had not been

expecting what happened in 1991 The USSR collapsed and went out of existence as a unified state system governing a sixth of the world's territory having allowed its East European empire to free itself from Soviet dominance somewhat earlier It might be said in defense of Sovietology that by the beginning of the 1980s it understood that economic and political crises were brewing in the Soviet Union and its outer empire But the field as a whole failed to grasp the full depth of the systemic crisis in Soviet Russia and the destructive or self-destructive potentialities inherent in it As the editors of this valuable volume write in the Introduction Sovietology was not prepared for perestroika and postcommunism

Politics, Paradigms, and Intelligence Failures Ofira Seliktar, 2015-05-20 Washington's failure to foresee the collapse of its superpower rival ranks high in the pantheon of predictive failures The question of who got what right or wrong has been intertwined with the deeper issue of who won the Cold War Like the disputes over who lost China and Iran this debate has been fought out along ideological and partisan lines with conservatives claiming credit for the Evil Empire's demise and liberals arguing that the causes were internal to the Soviet Union The intelligence community has come in for harsh criticism for overestimating Soviet strength and overlooking the symptoms of crisis the discipline of Sovietology has dissolved into acrimonious irrelevance Drawing on declassified documents interviews and careful analysis of contemporaneous literature this book offers the first systematic analysis of this predictive failure at the paradigmatic foreign policy and intelligence levels Although it is focused on the Soviet case it offers lessons that are both timely and necessary

The Fall Steven Saxonberg, 2017-07-05 With a foreword by Seymour Lipset Hoover Institution and George Mason University USA The Fall examines one of the twentieth century's great historical puzzles why did the communist led regimes in Eastern Europe collapse so quickly and why was the process of collapse so different from country to country This major study explains why the impetus for change in Poland and Hungary came from the regimes themselves while in Czechoslovakia and East Germany it was mass movements which led to the downfall of the regimes

What Happened to the Soviet Union? Christopher I. Xenakis, 2002-09-30 Xenakis examines the responses of Soviet experts in American academia primarily political scientists but also economists and defense scholars who specialized in the USSR to the unfolding evidence of Soviet reform during the 1970s and 1980s and to its ultimate collapse He concludes that American Sovietologists and other political scientists were more responsive to the Cold War consensus to the needs of the State Department Defense and CIA policy makers and to the official Washington line of the moment than to the changing face of the Soviet Union As Xenakis makes clear many of the Cold War ideas and attitudes shared by Sovietologists the notion that the USSR was an evil empire the idea that Soviet society was irredeemably xenophobic and indolent that the Soviet political and economic system could not be fixed or reformed and the view that the best way for Washington to deal with Moscow's influence was to contain the USSR through arms races global and proxy wars were reminiscent of the policies and arguments of the Truman and Eisenhower administrations not to the facts on the ground in the 1970s and 1980s An important work for scholars students and

researchers involved with Soviet and Russian studies international political and military affairs intellectual history and the relationship between academia and the government

The Political Economy of Asian Transition from Communism

Sujian Guo,2017-11-28 A comparative study of the political economy of the transition from communism in East and Southeast Asian countries China North Korea Vietnam Laos and Cambodia addressing the key theoretical questions generated from the debate between shock therapists and gradualists While accurately defining the pre reform model this book explores the causal variables that have contributed to reform efforts within Asia examining the significance of the sequencing of political and economic transition and the interplay between politics and the economy in determining variations in transition outcomes Comparing the real world experiences of transition nations in communist Asia with Eastern Europe prominent questions are brought to the fore will market capitalism or market socialism prevail after the grand failure of communism This book makes an important contribution to the political economy theory of comparative communist and post communist studies and provides detailed analytical insights that will prove influential in future theoretical work

Environmental Transitions

Petr Pavlínek,John Pickles,2002-09-26 Environmental Transitions is a detailed and comprehensive account of the environmental changes in Central and Eastern Europe both under state socialism and during the period of transition to capitalism The change in politics in the late 1980s and early 1990s allowed an opportunity for a rapid environmental clean up in an area once considered one of the most environmentally devastated regions on earth The book illustrates how transformations after 1989 have brought major environmental improvements as well as new environmental problems It shows how environmental policy economic change and popular support for environmental movements have specific and changing geographies associated with them Environmental Transitions addresses a large number of topics including the historical geographical analysis of the environmental change health impacts of environmental degradation the role of environmental issues during the anti communist revolutions legislative reform and the effects of transition on environmental quality after 1989 Environmental Transitions contains detailed case studies from the region which illustrate the complexity of environmental issues and their intimate relationship with political and economic realities It gives theoretically informed ideas for understanding environmental change in the context of the political economy of state socialism and post communist transformations drawing on a wide body of literature from West Central and Eastern Europe

Designs for Democratic

Stability Abdo I. Baaklini,Helen Desfosses,2016-06-16 Since the 1980s and the collapse of communist military and race based regimes across the world the euphoria has given way to the question of how to enhance the viability of democratic constitutional government This text covers this issue

Democracy and Its Alternatives

Richard Rose,William Mishler,Christian Haerpfer,Christian W. Haerpfer,1998-10-16 The collapse of Communism has created the opportunity for democracy to spread from Prague to the Baltic and Black Seas But the alternatives dictatorship or totalitarian rule are more in keeping with the traditions of Central Europe And for many post Communist societies democracy has come to be

associated with inflation unemployment crime and corruption Is it still true then as Winston Churchill suggested a half century ago that people will accept democracy with all its faults because it is better than anything else To find out political scientists Richard Rose William Mishler and Christian Haerpfer examine evidence from post Communist societies in eastern Europe Drawing on data from public opinion and exit polls election results and interviews the authors present testable hypotheses regarding regime change consolidation and prospects for stabilization The authors point out that the abrupt transition to democracy in post Communist countries is normal gradual evolution in the Anglo American way is the exception to the rule While most recent books on democratization focus on Latin America and to some extent Asia the present volume offers a unique look at the process currently under way in nine eastern European countries the Czech Republic Hungary Slovakia Poland Slovenia Bulgaria Romania Belarus and Ukraine Despite the many problems these post Communist societies are experiencing in making the transition to a more open and democratic polity the authors conclude that a little democracy is better than no democracy at all

The Political Economy of China's Great Transformation Xingyuan Feng, Christer Ljungwall, Sujian Guo, 2016-07-15 The Political Economy of China's Great Transformation consists of three parts first covering the current political transformation providing a general political background for the socio economic fiscal and urban and rural transformation The book analyses the economic transformation and addresses the shortcomings of existing interpretations of the Chinese Miracle and develops a new multi dimensional framework In addition it shows how the private sector has been developing and what a major role it is playing in pushing forward the overall economic development The book also focuses on the analysis of China's fiscal transformation With the set of refined principles of fiscal federalism that the author has developed it examines the problems of Chinese fiscal federalism in contrast to them It further elaborates on topics such as the local government debt and explains why further reforms are necessary making this book a very comprehensive read to understand China's progress

The Demise of the Soviet Union Jan Hallenberg, 2018-05-08 This title was first published in 2002 Designed as a research text for academics in higher education and interested practitioners this volume weaves together an original strand of international relations theory with key empirical case studies of the United States United Kingdom France and Sweden and their attitudes towards the Soviet Union Original in nature and composition the book deals with aspects of predictability in foreign policy and gauges the level of impact that international events have on domestic levels of awareness The hypothesis and the typology are solid giving the book its strong analytical structure In sum this book is cutting edge It will be of great use as a research text to those studying the countries of Western Europe and also those with an interest in Russia and the Soviet Union Given its strong theoretical content and its choices of case study this cross disciplinary text is also suitable for area studies in general

Freedom's Ordeal Peter Juviler, 2010-11-24 Fifteen countries have emerged from the collapse of the Soviet Union Freedom's Ordeal recounts the struggles of these newly independent nations to achieve freedom and to establish support for fundamental human rights Although history has shown

that states emerging from collapsed empires rarely achieve full democracy in their first try Peter Juviler analyzes these successor states as crucial and not always unpromising tests of democracy's viability in postcommunist countries Taking into account the particularly difficult legacies of Soviet communism *Freedom's Ordeal* is distinguished by its careful tracing of the historical background with special attention to human rights before during and after communism Juviler suggests that the culture and practices of despotism may wither wherever modernization conflicts with tyranny and with the curtailment or denial of democratic rights and freedoms

The Legacy of the Soviet Union W. Slater, A. Wilson, 2004-03-31 The Legacy of the Soviet Union offers a distillation by a group of eminent scholars of their experience of the post Soviet years Analysis of the post Soviet landscape is accompanied by meditations on the impact of the post Soviet transition on both policy makers and academics The book therefore examines both assumptions of transition and reconsiders the experience of Soviet communism in the light of its demise

Understandings of Russian Foreign Policy Ted Hopf, 2010-11-01 Scholars from Asia Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism Drawing on both archival sources and interviews they cover such major issues as Russia's decision to use military force in Chechnya its reactions to NATO expansion and its emergent relations with Japan and East Asia The contributors are Eunsook Chung Henrikki Heikka Ted Hopf Andrea Lopez Hiroshi Kimura Sergei Medvedev and Christer Pursiainen

Sowing Market Reforms M. Crumley, 2013-09-18 By examining a sector of the economy that was exposed to increased imports more than four decades ago Crumley illuminates the economic pressures resistance and reform that help to shape Russia's agrarian sector today

Russian Studies and Comparative Politics Frederic J. Fleron Jr., 2016-12-27 This book brings together several of the author's empirical studies that demonstrate the strength and utility of sociologist Robert Merton's classic middle range theory for understanding aspects of both Soviet and post Soviet Russian politics Some of those studies demonstrate that testing middle range social science theory could take place even in the Soviet era when there were significant limitations of access to empirical data and meaningful field research in the USSR was all but impossible In the introductory chapter the author explains the need for and advantages of studying Russian and Soviet politics from the perspective of middle range social science theory Then follow three chapters analyzing methodological issues in Soviet post Soviet studies The author presents his six empirical studies employing middle range social science theories to explore in Russia USSR dimensions of organizations ideology and decisionmaking technology transfer and cultural diffusion political culture public opinion and democratization and congruence of authority patterns in state society relations The book concludes with a chapter arguing the advantages of thinking theoretically about Russian and Soviet politics with the establishment of a new epistemic community organized around studies employing middle range theory This book presents examples of solutions to long standing debates between area studies and the academic disciplines and between idiographic and nomothetic approaches to

knowledge in the social sciences In contrast to the tradition of Carnivals and Cockfights in Russian Soviet area studies since the mid 20th Century the book offers a new way of approaching the study of Russian politics for the 21st Century

Ukrainian Foreign and Security Policy Jennifer D.P. Moroney, Taras Kuzio, Mikhail A. Molchanov, 2002-04-30 A key country for stability and security in Europe Ukraine is struggling to create consistent foreign and security policies Political alliances identity struggles economic goals and geopolitical position all pull this newly emergent state in different and often conflicting directions Due to its dependencies on both the West and Russia Ukraine's foreign policy is in a state of flux To ensure stability in this newly emergent state the contributors to this volume argue that the West should be more assertive in offering an unambiguous developmental perspective supporting democracy and the rule of law and offer EU affiliation in the near future International Relations theory and Ukraine's foreign policy are examined in the first section followed by chapters exploring civil military relations Next comes a look at Ukraine's foreign and security policy orientations in comparative context The book concludes with chapters focusing on matters of national identity ideology and their impact on Ukrainian security policy Scholars and analysts of contemporary Eastern European politics will be interested in what these well known scholars and government officials have to say about the contemporary state of affairs in this pivotal nation

Thank you enormously much for downloading **Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology**. Most likely you have knowledge that, people have seen numerous periods for their favorite books taking into consideration this Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology, but end taking place in harmful downloads.

Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology Introduction

Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology Offers a diverse range of free eBooks across various genres. Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology, especially related to Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology books or magazines might include. Look for these in online stores or libraries. Remember that while Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google

Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology eBooks, including some popular titles.

FAQs About Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology Books

What is a Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology PDF?

A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online

Post Communist Studies And Political Science Methodology And Empirical Theory In Sovietology

tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
