**The Post-Soviet Decline of Central Asia** Eric Sievers,2003 Sievers presents a compelling and unorthodox challenge to development agencies scholars and human rights organizations to realize the implications of globalization and the challenges of sustainable development in Central Asia **Sustainable Development and Comprehensive Capital** Eric Sievers,2001

The Post-Soviet Decline of Central Asia Eric W. Sievers,2013-12-02 Sievers draws on his experience of Central Asia to take on the task of explaining the remarkable economic declines of the post Soviet Central Asian states Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan in the past decade and the turn of these states towards despotism

**Identity and Memory in Post-Soviet Central Asia** Timur Dadabaev,2015-08-11 Central Asian states have experienced a number of historical changes that have challenged their traditional societies and lifestyles The most significant changes occurred as a result of the revolution in 1917 the incorporation of the region into the Soviet Union and gaining independence after the collapse of the USSR Impartial and informed public evaluation of the Soviet and post Soviet periods has always been a complicated issue and the official descriptions have often contradicted the interpretations of the past viewed through the experiences of ordinary people Identity and Memory in Post Soviet Central Asia looks at the tradition of history construction in Central Asia By collecting views of the public s experiences of the Soviet past in Uzbekistan the author examines the transformation of present day Central Asia from the perspective of these personal memories and analyses how they relate to the Soviet and post Soviet official descriptions of Soviet life The book discusses that the way in which people in Central Asia reconcile their Soviet past to a great extent refers to the three fold process of recollecting their everyday experiences reflecting on their past from the perspective of their post Soviet present and re imagining These three elements influence memories and lead to selectivity in memory construction emphasising the aspects of the Soviet era people choose to recall in positive and negative lights Presenting a broader picture of Soviet everyday life at the periphery of the USSR the book will be a useful contribution for students and scholars of Central Asian Studies Ethnicity and Identity Politics

**Soft Power in Central Asia** Kirill Nourzhanov,Sebastien Peyrouse,2021-05-25 Central Asia often evokes images of imperial power rivalry dating back to the 19th century Yet as the region s international politics becomes more complex in the age of globalization the need for new ways of looking at its many actors is more pressing than ever Today even the traditional great powers rely increasingly on subtle forms of influence to augment their military might and economic clout in order to achieve their objectives in Central Asia Bearing this in mind Soft Power in Central Asia examines the patterns of attraction and persuasion that help shape the political choices of countries in the region Starting with an investigation of soft power projection by the US Russia and China it sheds light on normative transfer and public diplomacy of the European Union Turkey and Israel and concludes with a discussion of the Central Asian republics active stance in the competition for the hearts and minds Containing original chapters contributed by leading experts in the field the volume will appeal to scholars and professionals

with interest in international relations political science and Central Asian studies

**Social and Cultural Change in Central Asia** Sevket Akyildiz, Richard Carlson, 2013-10-15 Focusing on Soviet culture and its social ramifications both during the Soviet period and in the post Soviet era this book addresses important themes associated with Sovietisation and socialisation in the Central Asian states of Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan The book contains contributions from scholars in a variety of disciplines and looks at topics that have been somewhat marginalised in contemporary studies of Central Asia including education anthropology music literature and poetry film history and state identity construction and social transformation It examines how the Soviet legacy affected the development of the republics in Central Asia and how it continues to affect the society culture and polity of the region Although each state in Central Asia has increasingly developed its own way the book shows that the states have in varying degrees retained the influence of the Soviet past or else are busily establishing new political identities in reaction to their Soviet legacy and in doing so laying claim to re defining and reinventing pre Soviet and Soviet images and narratives Throwing new light and presenting alternate points of view on the question of the Soviet legacy in the Soviet Central Asian successor states the book is of interest to academics in the field of Russian and Central Asian Studies

**The Politics of Transition in Central Asia and the Caucasus** Amanda E Wooden, Christoph H. Stefes, 2009-06-08 Most books on the Caucasus and Central Asia are country by country studies This book on the other hand fills a gap in Central Eurasian studies as one of the few comparative case study books on Central Eurasia covering both the Caucasus and Central Asia it considers key themes right across the two regions highlighting both political change and continuity Comparative case study chapters written by regional experts from a variety of methodological backgrounds provide historical context and evaluate Soviet political legacies and emerging policy outcomes Key topics include the varied types and sources of authoritarianism political opposition and protest politics predetermined outcomes of post Soviet economic choices social and stability impacts of natural resource wealth variations in educational reform international norm influence on gender policy and the power of human rights activists Overall the book provides a thorough up to date overview of what is increasingly becoming a significant area of concern

Mynbayeva Gulnara Namysova Dana Nygmetzhanova Assel Sharimova Elaine Sharplin Mir Afzal Tajik Lyazat Turmukhambetova and Elaine Wilson      **Post-Liberal Statebuilding in Central Asia** Philipp Lottholz, 2022-05-25 Drawing on decolonial perspectives on peace statehood and development this illuminating book examines post liberal statebuilding in Central Asia Through its analysis the book highlights the problem with assumptions about liberal democracy modern statehood and capitalist development as the standard template for post conflict countries      Central Asia Tom Everett-Heath, 2003-12-08 The five central Asian States of Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan stand at the crossroads of world civilization Influenced by South Asia Iran China and Russia this region which has recently burst onto the world stage once again guards a distinct identity This collection by established experts on the area covers the dramatic Soviet interventions of the early twentieth century and details the role of ethnicity and the contribution made by Islamic impulses in the process of building the modern nation states      **Energy, Wealth and Governance in the Caucasus and Central Asia** Richard Auty, Indra de Soysa, 2006-08-21 Drawing upon recent progress in development economics and political science the book provides fresh analysis of the Caucasus and Central Asia CCA countries transition to a market economy by tracing the impact of natural resource endowment The book examines the synergies between energy rich and energy poor states and highlights the practical consequences of both well managed and poorly managed deployment of energy Featuring contributions from prominent specialists on resource driven economies the book argues that unless CCA elites change the way in which they deploy natural resource revenues regional development will fall short of its potential with possible disastrous consequences The contributors apply the experience of the developing market economies to demonstrate that the region still holds considerable potential to become an important stable supplier of raw materials and a source of industrial demand to the global economy However the CCA is equally likely to become a threat to the global economy as a consequence of the misuse of energy revenues to promote the interests of predatory political elites      *Environment and Post-Soviet Transformation in Kazakhstan's Aral Sea Region* William Wheeler, 2021-10-25 The Aral Sea is well known for its devastating regression over the second half of the twentieth century and for its recent partial restoration Environment and Post Soviet Transformation in Kazakhstan s Aral Sea Region is the first book to explore what these monumental changes have meant to those living on the sea s shores Following the fluctuating fortunes of the pre Soviet Soviet and post Soviet fisheries the book shows how the vast environmental changes the region has undergone cannot be disentangled from the transformations of Soviet socialism and postsocialism This ethnographic perspective prompts a critical rethinking of the category of environmental disaster through which the region is predominantly known Tracing how the sea s retreat and partial return have been apprehended by diverse local actors in the former port of Aral sk and surrounding fishing villages as well as by scientists bureaucrats and international development workers William Wheeler draws out the multiple meanings environmental change acquires within different contexts This study of how people make their lives amidst overlapping

ecological and political economic upheavals is rich in ethnographic detail that is both rooted in Soviet legacies and alive to the new transnational connections that are reshaping the region Offering a rigorous political ecology of Soviet socialism and after the book is a major contribution to the nascent environmental anthropology of Central Asia It will be of interest to environmental anthropologists environmental historians and scholars of all disciplines working on Central Asia and the former USSR

*Understanding Central Asia* Sally N. Cummings, 2013-01-25 Since Soviet collapse the independent republics of Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan have faced tremendous political economic and security challenges Focusing on these five republics this textbook analyzes the contending understandings of the politics of the past present and future transformations of Central Asia including its place in international security and world politics Analysing the transformation that independence has brought and tracing the geography history culture identity institutions and economics of Central Asia it locates the political in the region A comprehensive examination of the politics of Central Asia this insightful book is of interest both to undergraduate and graduate students of Asian Politics Post Communist Politics Comparative Politics and International Relations and to scholars and professionals in the region

**Islam, Society, and Politics in Central Asia** Pauline Jones, 2017-07-20 During the 1990s there was a general consensus that Central Asia was witnessing an Islamic revival after independence and that this occurrence would follow similar events throughout the Islamic world in the prior two decades which had negative effects on both social and political development Twenty years later we are still struggling to fully understand the transformation of Islam in a region that s evolved through a complex and dynamic process involving diversity in belief and practice religious authority and political intervention This volume seeks to shed light on these crucial questions by bringing together an international group of scholars to offer a fresh perspective on Central Asian states and societies The chapters provide analysis through four distinct categories the everyday practice of Islam across local communities state policies toward Islam focusing on attempts to regulate public and private practice through cultural legal and political institutions and how these differ from Soviet policies how religious actors influence communities in the practice of Islam state policies towards the religion and subsequent communal responses to state regulations and how knowledge of and interaction with the larger Islamic world is shaping Central Asia s current Islamic revival and state responses The contributors a multidisciplinary and international group of leading scholars develop fresh insights that both corroborate and contradict findings from previous research while also highlighting the problem of making any generalizations about Islam in individual states or the region As such this volume provides new and impactful analysis for scholars students and policy makers concerned with Central Asia

**Migration and Identity in Central Asia** Rano Turaeva, 2015-11-19 This book is an ethnographic and sociolinguistic study of Uzbek migrants in the capital city of Uzbekistan The ethnographic details of the book represent post Soviet urban realities on the ground where various forms of belonging clash and kinship ties are reinforced within social safety networks Theoretically it challenges the existing theories

of identity and identification which often considered the relations between We and Them taking the We for granted The book offers in depth insights into the communication strategies of migrants the formation of collective consciousness and the relations within the We domain Constructed around contradictions regarding Uzbek identity and how various groups relate to one another as different ethnic groups the theoretical argument of the book is built through such methods and analytical tools as strategic rhetoric and discourse analysis communication and identity theories and the analysis of power and dependence The book will be of interest to students and scholars of Central Asian Studies Migration Studies and Central Asian Culture and Society

**The Politics of Knowledge in Central Asia** Sarah Amsler, 2007-04-24 Through careful historical and ethnographic research and extensive use of local scholarly works this book provides a persuasive and careful analysis of the production of knowledge in Central Asia The author demonstrates that classical theories of science and society are inadequate for understanding the science project in Central Asia Instead a critical understanding of local science is more appropriate In the region the professional and political ethos of Marxism Leninism was incorporated into the logic of science on the periphery of the Soviet empire This book reveals that science organizes and constructed by Soviet rule was also defined by individual efforts of local scientists Their work to establish themselves between Marx and the market is therefore creating new political economies of knowledge at the edge of the scientific world system

Leadership and Authority in Central Asia Otambek Mastibekov, 2014-05-16 This book explores the unfolding of world history in a remote corner of Central Asia the region of Badakhshan The history of this region has commonly been explored through the lens of the major superpowers who competed over its territory in the nineteenth and twentieth centuries including Britain Russia and China Here we are offered a comprehensive overview of the history of the Ismaili community in Tajikistan Leadership and Authority in Central Asia identifies traditional forms of religious authority within the network of religious functionaries at a range of levels and discusses the functions of Ismaili political leaders as they have evolved through time Skilfully applying an interdisciplinary approach drawing on historical sources including unpublished materials and ethnographic fieldwork data collected through interviews and a perceptive analysis of political theories of leadership in communist and post communist societies this book challenges the ways religious and secular categories have been distinguished in recent scholarship Developing a structural explanation for the survival and evolution of religious and political authorities of Badakhshani Ismailis in times of radical social and political upheaval this book will be of interest to scholars of Muslim societies Political Science and Central Asian Studies

The Management of Public Services in Central Asia David Scott, 2016-03-02 The ending of the Soviet Union in 1991 had a major political and economic impact on Central Asia Kyrgyzstan was one of the most severely affected countries suffering a deeper recession than the other republics During the first five or six years Kyrgyzstan followed the advice of the International Monetary Fund and was considered a model of both economic and political reform This book analyses the ability of the newly independent government in Kyrgyzstan to create a realistic

national vision prepare a strategy organise and control its public services to deliver the desired result Covering a fifteen year period and using the case study of the educational sector which declined even though the economic situation in Kyrgyzstan improved the author throws light on many other aspects of a country in transition in particular on strategy implementation and outcomes Comparisons with other sectors such as roads and pensions and in particular the health care sector are presented A multifaceted approach using case studies phenomenology interviews historical and comparative analyses offers a more complete picture of national management of public service and the structure of government administration The book also investigates the contribution made by the international aid organisations A detailed study of institutional transformation in Kyrgyzstan this book is of interest to academics studying former socialist countries in transition the history of the Soviet Union and Central Asian studies in general      **Sustainable Land Management in Greater Central Asia** Victor

Squires,Lu Qi,2017-09-22 Greater Central Asia encompasses a vast area that includes deserts natural grasslands steppes shrublands and alpine regions Many of these land types are degraded and productivity is falling at a time when human populations and livestock inventories are on the rise Ecosystem stability and biodiversity are under threat and there is an urgent need to develop more sustainable land management regimes This book uses an integrated regional approach to provide a comprehensive exploration of sustainable land development in Central Asia An interdisciplinary team of experts analyses the economic ecological sociological technological and political factors surrounding sustainable land and water management in the region sharing potential problems and solutions As international concern about desertification grows the book concludes by asking how the region is likely to develop in the future This book will be of value to scholars students policy makers and NGOs with an interest in sustainable development in Central Asia      *Oil, Islam, and Conflict* Robert Johnson,2007-10-15 The author looks at the policies of the Central Asian governments that includes their attitudes to democratic reform human rights energy and economic development and how these are related to civil violence
