Post Soviet Economy Soviet And Western Perspectives:

The Post-Soviet Economy Anders Aslund, 1992 In the context of the Soviet economic crisis of 1991 this work offers the views of 12 economists half from the USSR half from the West While all agree on the need for a market economy the Soviet writers here argue for a markedly more gradual change than do their Western counterparts **Alternative Political** Economy Models of Transition John Marangos, 2017-07-05 The collapse of centrally administered socialism in Russia and Eastern Europe resulted in what is commonly referred to as the transition problem the transformation from a centrally administered socialist economic system to one that is market based Economic science has been faced with the challenge of developing an appropriate body of analysis advice and direction to help other nations that may be undergoing this process In this volume John Marangos adopts a political economy approach that yields alternative models of transition The volume develops transition models from what Marangos defines as the primary elements of six variables 1 economic analysis 2 definitions of the Good Society 3 speed of transition 4 political structure 5 ideological structure and 6 initial conditions The models developed include the shock therapy model the neoclassical gradualist model of transition the post Keynesian model the pluralistic market the socialist model and the non pluralistic market socialist model After identifying the primary elements of each transition model Marangos considers the elements of each model with respect to the desirable reforms An essential element of the transition process is not only to identify the necessary reforms but also a sequence in which the reforms should be introduced For each transition model developed in this book a set of primary and secondary elements were provided in conjunction with a sequence of reforms Analyzing the transition problem from a political economy perspective Marangos shows that it is possible to have inconsistencies within each transition model and between transition models yet be able to identify the potential for implementation and maintenance of necessary reforms each model recommends This volume contributes to the understanding of the process of transition with the objective of identifying an optimal model of transition

International Political Economy and Globalization Syed Javed Maswood, 2008 The second edition of International Political Economy and Globalization is completely revised and updated to include new material on trade monetary and environmental issues It provides a comprehensive treatment of major developments in the global economy and is suitable for adoption as a primer in undergraduate courses in international political economy. The author takes a stand that is supportive of globalization in principle while acknowledging that there are many areas of inequity that disadvantage developing countries. This is explored in chapters that deal with trade debt crises and the environment Students will find that the material is presented in a readable format that does not presuppose prior familiarity with economics. Mongolia Ian Jeffries, 2007-03-16. This book provides a full account of the key political and economic events in Mongolia focusing on the period since the establishment of the Soviet backed Mongolian People's Republic in 1924 and the transition towards a democratic free market system since the collapse of the Soviet Union.

The Caucasus and Central Asian Republics at

the Turn of the Twenty-First Century Ian Jeffries, 2003-09-04 This book provides a unique level of coverage of economic and political events of global significance including foreign trade foreign direct investment the impact of oil and natural gas finds Islamic extremism the 11 September 2001 terrorist attacks on the United States and the reaction of the CIS countries and the war on international terrorism It will provide an invaluable source of reference for all those interested in transitional and developing countries The author presents a clear detailed and accessible breakdown of the developments in the Caucasus Armenia Azerbaijan and Georgia and the Central Asian republics of Kazakhstan Kyrgyzstan Tajikistan Turkmenistan and Uzbekistan Alternative Political Economy Models of Transition Marangos, Conversion, And Enterprise Reform In Russia Michael Mcfaul, Tova Perlmutter, 2019-09-05 This volume provides an evaluation of initial efforts to convert post Soviet Russian industry from that of a highly centralized military oriented economy to that of a civilian economy with a stronger base in private enterprise The authors address crucial issues of the embattled economic transformation at the level of particular enterprises and geographic regions as well as in the contexts of state policy finance and planning Their analyses offer readers an understanding of the various obstacles that impede post Soviet economic restructuring and point to ways in which they may be overcome Imagining America Alan M. Ball, 2004-09-09 In Imagining America historian Alan M Ball explores American influence in two newborn Russian states the young Soviet Union and the modern Russian Republic Ball deftly illustrates how in each era Russians have approached the United States with a conflicting mix of ideas as a land to admire from afar to shun at all costs to emulate as guickly as possible or to surpass on the way to a superior society Drawing on a wide variety of sources including contemporary journals newspapers films and popular songs Ball traces the shifting Russian perceptions of American cultural social and political life As he clearly demonstrates throughout their history Russian imaginations featured a United States that political figures and intellectuals might embrace exploit or attack but could not ignore

International Development and the Washington Consensus John Marangos, 2020-07-16 In this book John Marangos offers an insightful analytical and theoretical review of the Washington Consensus and its successors among the mainstream Following an intuitive structure it explores international development and the Washington Consensus as a critique through the lenses of Neoclassical economics Post Keynesian economics Institutional economics and Marxist economics Ultimately it provides a compelling alternative perspective to the dominant development paradigm and enables readers to identify the interconnections interrelationships and intercontradictions between different frameworks and policies It will be a valuable supplementary reading for students researchers and policymakers in international development development economics heterodox economics and the history of In Search of the True West Esther Kingston-Mann, 1998-12-21 This ground breaking work economic thought documents Russian efforts to appropriate Western solutions to the problem of economic backwardness since the time of Catherine the Great Entangled then as now with issues of cultural borrowing educated Russians searched for Western

nations ideas and social groups that embodied universal economic truths applicable to their own country Esther Kingston Mann describes Russian Westernization which emphasized German as well as Anglo U S economics while she raises important questions about core values of Western culture and how cultural values and priorities are determined This is the first historical account of the significant role played by Russian social scientists in nineteenth century Western economic and social thought In an era of rapid Western colonial expansion the Russian guest for the right Western economic model became more urgent Was Russia condemned to the fate of India if it did not become an England In the 1900s Russian liberal economists emphasized cultural difference and historical context while Marxists and prerevolutionary government reformers declared that inexorable economic laws doomed peasants and their medieval communities On the eve of 1917 both the tsarist regime and its leading critics agreed that Russia must choose between Western style progress or feudal stagnation And when peasants and communes survived until Stalin's time he mercilessly destroyed them in the name of progress Today Russia's painful modernizing traditions shape the policies of contemporary reformers who seem as certain as their predecessors that Property to the People: The Struggle for Radical Economic economic progress requires wholesale obliteration of the past Reform in Russia Julie Nelson, Irina Y. Kuzes, 2021-01-31 This text sets Russia's current economic transformation in the context of economic and political change and provides an overview of issues central to the economic reform debate in Russia It also highlights the human dimension of large scale economic change through case studies and interviews **Reform in Yeltsin's Russia** Julie Nelson, Irina Y. Kuzes, 2016-09-16 This work examines the political and organizational factors that have shaped Russian economic reforms since the demise of the Soviet Union The author draws on a variety of sources including interviews conducted in Ekaterinburg Voronezh and Smolensk to present a multilayered portrait of the successes failures and umintended consequences of the reforms The book covers the consequence of dissolving the USSR and Russia's role in the CIS political transition economic reform assessment of the political and social implications of neo liberal moneterism and of the voucher privatisation programme and both regional and federal structures and processes

No More Heroines? Sue Bridger, Rebecca Kay, Kathryn Pinnick, 2005-08-04 With the collapse of Soviet rule and the emergence of independent Russia the image of Russian women in the Western imagination has changed dramatically The robust tractor drivers and athletes have been replaced by glamorous but vulnerable beauty queens or the dishevelled and downcast women trading goods on the streets The authors of this work take a closer look at what lies behind the above images and how Russian women are coping with a very different sort of life The main focus is on the effect of unemployment on Russian women and how they are coping with it Based on case studies and personal interviews carried out in the Moscow region in 1993 94 No More Heroines will provide both specialist and non specialist alike with access to the thinking of women and their organisations in Russia today Youth, Risk and Russian Modernity Christopher Williams, Vladimir Chuprov, 2018-05-08 Title first published in 2003 This timely and original book is the most comprehensive and authoritative

analysis of Russia s risk society to date Referring to the works of Douglas Beck and Giddens it considers a variety of theories of risk and applies them to young people in different risk societies showing how these youngsters have adapted to cope with Exiting a Lawless State Karla Hoff, Russia and the World Economy Alan H Smith, Alan Smith, 1993-05-20 risk Russia and the World Economy analyses the major economic historical and political obstacles to the successful integration of the Russian economy into the world economy Alan Smith examines the role of Western assistance and advice in this process and the potential implications of failure of reforms in Russia for global stability and international Childhood and Youth Ruth Evans, Louise Holt, 2016-04-08 Diverse Spaces of Childhood and Youth focuses on the diverse spaces and discourses of children and youth globally The chapters explore the influence of gender age and other socio cultural differences such as race ethnicity and migration trajectories on the everyday lives of children and youth in a range of international contexts These include the diverse urban environments of Istanbul Copenhagen Helsinki Toronto London and Bratislava and the contrasting rural settings of Ghana and England The analyses of children's young people's parents and professionals experiences and discourses provide critical insights into how gender and other socio cultural differences intersect The importance of everyday practices and performances in the formation of children's and young people's identities is revealed through for example friendships and everyday sociality mobilities and movements across space in both rural and urban environments. The volume shows how discourses of childhood particularly those associated with risk intersect with difference The recognition of young people's agency and participation is central to many of the chapters whilst also raising methodological guestions about how discourses of childhood and youth are researched Overall the book provides an original contribution to geographies of children youth and families and research on diversity and difference in global contexts This book was published as a special issue of Children's Geographies **Left Parties And Social Policy In Postcommunist Europe** Linda J Cook, 2020-04-28 This book attempts to explain why and to evaluate what the return of the left has meant for the social policy of the states they have helped govern It focuses on the East Central European countries of Poland Hungary and the Czech Republic significantly Russia Handbook on Taxation W.
