Postmodernism And China Boundary 2:

Postmodernism and China Xudong Zhang, Arif Dirlik, 2000-10-27 This work maps the terrain of the postmodern in China

Postmodernism and China Arif Dirlik, Xudong Zhang, 1997 This special issue of BOUNDARY 2 maps out the terrain of post modernism in Chinese intellectual and creative activity specifically in the domains of literature the arts film and architecture Essays consider Chinese postmodernity in its relationship to new patterns of consumption and production as China moves into the global capitalist system

Essentials of Chinese Literature and Art Criticism Volume I Xu Yuechun, Wang Ning, 2024-11-21 This book offers a detailed analysis of China's original view of literature and art theory and critical practice from the ancient to the modern period providing views on dancing image making the circulation of artifacts critical theory creative writing art design aesthetic cyber arts photography etc This book makes visible the traditional Chinese ideas philosophy and practices on literature and art in the world and contributes to the diversity of current international literary and art studies All 15 chapters are translations of selected high quality original theoretical contributions on Chinese literary and art theory published in prestigious peer reviewed Chinese journals whose authors are established scholars in Chinese academia

After Postmodernism Wang Ning, 2022-07-19 This book engages with the critical decline of postmodernism and newer currents of thinking that have come to the fore including postcolonialism feminism and cultural studies constituting an exploration of the cultural landscape after the heyday of postmodernism in the West and its profound influence on the Chinese cultural scene Topics discussed include the prevalent theoretical trends and cultural phenomena in the West in the wake of postmodernism how these developments have influenced contemporary Chinese literary and cultural criticism and how Chinese scholars can have an equal dialogue with the dominant Western theorists The chapters examine critical issues and figures in the fields including postmodernity and globalization as well as the theories of Edward Said Gayatri Spivak Homi Bhabha and Judith Butler Taking a comparative and cross cultural perspective especially between China and the West the title also sheds light on the imprint of Western theoretical trends on the literature and culture of contemporary China exemplified in diasporic writing cinema women's literature popular culture and the overall orientation of contemporary Chinese literature The book will be a critical reference for all levels of reader interested in postmodernism critical theory postcolonialism feminism cultural studies comparative and world literature and contemporary Chinese literature and culture

The Chinese Postmodern Xiaobin Yang, 2002 An insightful look into contemporary Chinese avant garde fiction and the problem of Chinese postmodernity

China, Transnational Visuality, Global Postmodernity Hsiao-peng Lu, Sheldon H. Lu, 2001 By focusing on Chinese cultural formations and critical discourses of the last decade of the century the author dissects the intellectual economic and political contradictions of a turbulent era This wide ranging deeply interdisciplinary work demarcates the cultural terrain by examining diverse media film television avant garde art and literature as well as critical theory and intellectual history

Public Secrets, Public Spaces Stephanie Donald, 2000 Public Secrets Public Spaces

explores the possibility of symbolic public space in the context of Chinese cinema Focusing especially on women children and the dispossessed Stephanie H Donald looks at the ways public space is constructed and occupied and how it interacts with public secrets O the unstated common sense knowledges of everyday life extraordinary to those who are not initiated into the routines of a particular cultural place and space In traditional societies public secrets are organized through observable ritual in modern societies they are embedded in the cultural discourse of the routine and the everyday As we see in this perceptive book film offers a rich medium for unearthing these secrets **Middle Class Shanghai** Cheng Li,2021-05-11

The United States may be headed toward a disastrous conflict with China unless Washington updates its understanding of contemporary Chinese society After four decades of engagement the United States and China now appear to be locked on a collision course that has already fomented a trade war seems likely to produce a new cold war and could even result in dangerous military conflict The current deterioration of the bilateral relationship is the culmination of years of disputes disillusionment disappointment and distrust between the two countries Washington has legitimate concerns about Beijing s excessive domestic political control and aggressive foreign policy stances just as Chinese leaders believe the United States still has futile designs on blocking their country s inevitable rise to great power status Cheng Li s **Middle Class Shanghai** argues that American policymakers must not lose sight of the expansive dynamism and diversity in present day China The caricature of the PRC as a monolithic Communist apparatus set on exporting its ideology and development model is simplistic and misguided Drawing on empirical research in the realms of higher education avant garde art architecture and law this unique study highlights the strong constructive impact of bilateral exchanges Combining eclectic human stories with striking new data analysis this book addresses the possibility that the development of China s class structure and cosmopolitan culture exemplified and led by Shanghai could provide a force for reshaping U S China engagement Both countries should build upon the deep cultural and educational exchanges that have bound them together for decades The author concludes that U S policymakers should neither underestimate the role and strength of the Chinese middle class nor ostracize or alienate this force with policies that push it toward jingoistic nationalism to the detriment of both countries and the global community With its unique focus this book will enlighten policymakers scholars business leaders and anyone interested in China and its increasingly fraught relations with the United States **A Philosophy of Chinese Architecture** David

Wang,2016-12-08 **A Philosophy of Chinese Architecture** Past Present Future examines the impact of Chinese philosophy on China s historic structures as well as on modern Chinese urban aesthetics and architectural forms For architecture in China moving forward author David Wang posits a theory the New Virtualism which links current trends in computational design with long standing Chinese philosophical themes The book also assesses twentieth century Chinese architecture through the lenses of positivism consciousness phenomenology and linguistics structuralism and poststructuralism Illustrated with over 70 black and white images this book establishes philosophical baselines for assessing architectural developments in China

past present and future **Historical Dictionary of Modern Chinese Literature** Li-hua Ying, 2009-12-22 Modern Chinese literature has been flourishing for over a century with varying degrees of intensity and energy at different junctures of history and points of locale An integral part of world literature from the moment it was born it has been in constant dialogue with its counterparts from the rest of the world As it has been challenged and enriched by external influences it has contributed to the wealth of literary culture of the entire world In terms of themes and styles modern Chinese literature is rich and varied from the revolutionary to the pastoral from romanticism to feminism from modernism to post modernism critical realism psychological realism socialist realism and magical realism Indeed it encompasses a full range of ideological and aesthetic concerns Historical Dictionary of Modern Chinese Literature presents a broad perspective on the development and history of literature in modern China It offers a chronology introduction bibliography and over 300 cross referenced dictionary entries on authors literary and historical developments trends genres and concepts that played a central role in the evolution of modern Chinese literature **The A to Z of Modern Chinese Literature** Li-Hua Ying, 2010 The A to Z of Modern Chinese Literature presents a broad perspective on the development and history of literature in modern China It offers a chronology introduction bibliography and over 300 cross referenced dictionary entries on authors literary and historical developments trends genres and concepts that played a central role in the evolution of modern Chinese literature

China's Architecture in a Globalizing World: Between Socialism and the Market Jiawen Han, 2017-12-12 China is currently in the midst of an unprecedented building boom and indeed interest in Chinese contemporary architecture has been fuelled by this huge expansion Through a cutting edge theoretical discussion of Chinese architecture in relation to Chinese modernity this book examines this phenomenon in detail In particular it highlights how changes in the social political system the residual influence of Mao and the demands of the market have each shaped and determined style and form in recent years Using key case studies of Liu Jiakun Cui Kai and URBANUS it analyses the intricate details of historical pressures and practical strategies affecting Chinese architecture In doing so it demonstrates that Chinese architects contribute in specific ways to the international architectural discourse since they are actively engaging with the complex societal transition of contemporary China and managing the dynamics and conflicts arising during the process China's Architecture in a Globalizing World Between Socialism and the Market offers a lens into the innovation and uniqueness of architectural design in China As such this book will be useful for students and scholars of architecture Chinese culture and society and urban studies *Popular Music and Human Rights* Ian Peddie, 2011-08-01 Popular music has long understood that human rights if attainable at all involve a struggle without end The right to imagine an individual will the right to some form of self determination and the right to self legislation have long been at the forefront of popular music's approach to human rights At a time of such uncertainty and confusion with human rights currently being violated all over the world a new and sustained examination of cultural responses to such issues is warranted In this respect music which is always produced

in a social context is an extremely useful medium in its immediacy music has a potency of expression whose reach is long and wide This two volume set comprises Volume I British and American Music and Volume II World Music Keywords
