Postwar Politics In The G 7 Orders And Eras In Comparative Perspective:

Postwar Politics in the G-7 Byron E. Shafer, 1996 Seven analysts and professors of political science provide an examination of each of the countries comprising the Group of Seven with a focus on the period from the end of WWII to the end of the Cold War Introductory and concluding essays provide some synthesis No bibliography Paper edition unseen 19 95 Annotation copyrighted by Book News Inc Portland OR *Postwar Conservatism, A Transnational Investigation* Clarisse Berthezène, Jean-Christian Vinel, 2017-04-19 This volume offers a unique comparative perspective on post war conservatism as it traces the rise and mutations of conservative ideas in three countries Britain France and the United States across a short twentieth century 1929 1990 and examines the reconfiguration of conservatism as a transnational phenomenon This framework allows for an important and distinctive point the 1980s were less a conservative revolution than a moment when conservatism understood in Burkean terms was outflanked by its various satellites and political avatars namely populism neoliberalism reaction and cultural and gender traditionalism No long running unique conservative mind comes out of this book s transnational investigation The 1980s did not witness the ascendancy of a movement with deep roots in the 18th century reaction to the French Revolution but rather the decline of conservatism and the rise of movements and rhetoric that had remained marginal to traditional conservatism **Politics In The American States: A Comparative Analysis**

Virginia Gray, Russell L. Hanson, Thad Kousser, 2013 Fully updated and with new coeditor Thad Kousser the tenth edition brings together the high caliber research you expect from this trusted text with comprehensive and comparative analysis of the fifty states Students will appreciate the book s glossary the fully up to date tables and figures and the maps showcasing comparative data A companion website includes downloadable graphics and data **Two Cultures of Rights** Manfred Berg, Martin H. Geyer, 2002-03-11 This collection addresses key issues in the historical struggle for civil rights political rights and social rights in the United States and Germany from the late nineteenth century to the present Using a cross national comparative approach this book presents national case studies that explore the similarities and differences of conceptualizing rights on both sides of the Atlantic This book analyses the struggle for these rights by individuals and groups and how this struggle became an essential feature not only in political discourse but also in social and political practice and culture in both Germany and the United States More specifically the book examines the different ways rights have been denied due to race ethnicity gender and sexual orientation Considerable attention is given to the impact of Nazism and the struggle for social rights during and after World War II **The Two Majorities and the Puzzle of Modern American**

Politics Byron E. Shafer, 2003 Where did the Era of Divided Government come from What sustains split partisan control of the institutions of American national government year after year Why can it shift so easily from Democratic or Republican presidencies coupled with Republican or Democratic Congresses How can the vast array of issues and personalities that have surfaced in American politics over the last forty years fit so neatly within indeed reinforce the sustaining political pattern of

our time These big questions constitute the puzzle of modern American politics The old answer a majority and a minority party plus dominant and recessive public issues will not work in the Era of Divided Government Byron Shafer a political scientist who is regarded as one of the most comprehensive and original thinkers on American politics provides a convincing new answer that has three major elements These elements in combination not divided government as a catch phrase are the real story of politics in our time The first element is comprised of two great sets of public preferences that manifest themselves at the ballot box as two majorities The old cluster of economic and welfare issues has not so much been displaced as simply joined by a second cluster of cultural and national concerns The second element can be seen in the behavior of political parties and party activists whose own preferences don t match those of the general public That public remains reliably left of the active Republican Party on economic and welfare issues and reliably right of the active Democratic Party on cultural and national concerns The third crucial element is found in an institutional arrangement the distinctively American matrix of governmental institutions which converts those first two elements into a framework for policymaking year in and year out In the first half of the book Shafer examines how dominant features of the Reagan first Bush Clinton and second Bush administrations reflect the interplay of these three elements Recent policy conflicts and institutional combatants in Shafer s analysis illuminate this new pattern of American politics In the second half he ranges across time and nations to put these modern elements and their composite pattern into a much larger historical and institutional framework In this light modern American politics appears not so much as new and different but as a distinctive recombination of familiar elements of a political style a political process and a political conflict that has been running for a much much longer time The G7/G8 System Peter I Hajnal,2019-01-04 First published in 1999 this guide to the G7 G8 system discusses the origins characteristics role and agenda of the G7 G8 system reviews its evolution surveys the major debates and questions about the G7 G8 and provides a detailed study of its complex and elusive documentation It also includes a comprehensive bibliography of the G7 G8 and its concerns listing over 600 books shorter writings publications in series book chapters articles in periodicals government publications international organisation publications and Internet resources The book is intended as a contribution to scholarly literature and as a useful work of reference for academics government officials the media libraries and the general public *The End of Southern Exceptionalism* Byron E. Shafer,Richard Johnston,2009-03-31 The transformation of Southern politics after World War II changed the political life not just of this distinctive region but of the entire nation Until now the critical shift in Southern political allegiance from Democratic to Republican has been explained by scholars and journalists as a white backlash to the civil rights revolution In this myth shattering book Byron Shafer and Richard Johnston refute that view one stretching all the way back to V O Key in his classic book Southern Politics The true story is instead one of dramatic class reversal beginning in the 1950s and pulling everything else in its wake Where once the poor voted Republican and the rich Democrat that pattern reversed as economic development became the engine of

Republican gains Racial desegregation never far from the heart of the story often applied the brakes to these gains rather than fueling them A book that is bound to shake up the study of Southern politics this will also become required reading for pundits and political strategists for all those who argue over what it takes to carry the South

Politics, Parties, and Elections in America John F. Bibby, 2000 This comprehensive text that incorporates the latest research concerning what political parties do how they are organized how party leaders behave the limitations of political parties and their evolving nature This text also discusses the mechanics of elections and how American politics have come to be controlled by political parties

America, History and Life, 1998 Article abstracts and citations of reviews and dissertations covering the United States and Canada

The Two Majorities Byron E. Shafer, William J.M. Claggett, 1995-07-25 Why do Democratic political candidates avoid the one issue on which the general public is most in agreement with them Why do Republicans consistently raise the one issue their advisors urge them to avoid Why do voters so often exhibit patterns of policy preference vastly different from what analysts and strategists predict And why do these same voters consistently cast ballots that ensure the continuation of divided government In *The Two Majorities* Byron Shafer and William Claggett offer groundbreaking political analysis that resolves many of the seeming contradictions in the contemporary American political scene Drawing on an unusually large sample of all Americans taken by the Gallup organization Shafer and Claggett argue that the recent turbulence in American politics is in some ways superficial Below the surface they contend the political preferences of the American people remain remarkably stable Shafer and Claggett find that American public opinion is organized around two clusters of issues both of which are favored by a majority if voters social welfare social insurance and civil rights which constitute an economic welfare factor associated with Democrats and cultural values civil liberties and foreign relations a cultural national factor associated with Republicans Provocatively the authors argue that each party's best strategy for success is not to try to take popular positions on the whole range of issues but to focus attention on the party's most successful cluster of issues

The British National Bibliography Arthur James Wells, 1999 *Reconstructing Citizenship* Miriam Feldblum, 1999-09-30 Provides the most comprehensive analysis of the rise of citizenship conflict in contemporary France

Politics in the American States Virginia Gray, Russell L. Hanson, Thad Kousser, 2017-03-10 Winner of the 2017 Mac Jewell Enduring Contribution Award of the APSA's State Politics and Policy Section *Politics in the American States* Eleventh Edition brings together the high caliber research you expect from this trusted text with comprehensive and comparative analysis of the 50 states Fully updated for all major developments in the study of state level politics including capturing the results of the 2016 elections editors Virginia Gray Russell L. Hanson and Thad Kousser bring insight and uncover the impact of key similarities and differences on the operation of the same basic political systems Students will appreciate the book's glossary the fully up to date tables and figures and the maps showcasing comparative data

The Carter Presidency Gary M. Fink, Hugh Davis Graham, 1998 After the Nixon and Ford administrations liberal Democrats hoped

Jimmy Carter's election in 1976 would restore the New Deal agenda in the White House. Instead, during four tumultuous years in office, Carter endorsed many of the fiscal and economic policies later espoused by his Republican successor Ronald Reagan. But Carter also backed most New Deal social programs and, however reluctantly, pursued a traditional containment foreign policy. In this book, more than a dozen eminent scholars provide a balanced overview of key elements of Carter's presidency, examining the significance of his administration within the context of evolving American policy choices after World War II. They seek not only to understand the troubled Carter presidency but also to identify the changes that precipitated and accompanied the demise of the New Deal order. By the time Carter took office, many Americans had become disenchanted with big government and welfare spending, and his presidency is viewed in these pages as a transitional administration. As this volume demonstrates, Carter's dilemma emerged from his effort to steer a course between traditional expectations of federal government and new political and economic realities. While most of the contributors agree that his administration may be justly criticized for failing to find that course, they generally conclude that Carter was more successful than his critics acknowledge. These thirteen original essays cover such topics as the economy, trade and industrial policies, welfare reform, energy, environment, civil rights, feminism, and foreign policy. They offer thoughtful assessments of Carter's performance, focusing on policy both as cause and effect of the post-industrial transformation of American society that shadowed his administration. A final essay shows how Carter's public spirited post-presidential career has made him one of America's greatest ex-presidents. Grounded on research conducted at the Carter Library, *The Carter Presidency* is an incisive reassessment of an isolated Democratic administration from the vantage point of twenty years. It is a milestone in the historical appraisal of that administration, inviting us to take a new look at Jimmy Carter and see what his presidency represented for a dramatically changing America. **Canadian Periodical Index**, 1996 **Rebuilding Canadian Party**

Politics R. Kenneth Carty, William Cross, Lisa Young, 2007-11-01. Canadian party politics collapsed in the early 1990s. This book is about that collapse, about the end of a party system with a unique pattern of party organization and competition that had governed Canada's national politics for several decades, and about the ongoing struggle to build its successor. *Rebuilding Canadian Party Politics* discusses the breakdown of the old party system, the emergence of the Reform Party and the Bloc Québécois, and the fate of the Conservative and New Democratic Parties. It focuses on the internal workings of parties in this new era, examining the role of professionals, new technologies, and local activists. To understand the ambiguities of our current party system, the authors attended local and national party meetings, nomination and leadership meetings, and campaign kick-off rallies. They visited local campaign offices to observe the parties' grassroots operations and conducted interviews with senior party officials, pollsters, media and advertising specialists, and leader tour directors. Written in a lively and accessible style, this book will interest students of party politics and Canadian political history, as well as general readers eager to make sense of the changes reshaping national politics today. *Labor Policy Change in a Developmental Authoritarian State* Yung

Chul Lee,1999 Die Sicherheit des Westens Enrico Böhm,2013-11-18 Gipfeltreffen der G8 sind bis heute Ereignisse die in der internationalen Presse viel Aufmerksamkeit erwecken Ihre Entstehung als G7 Gipfel in Zeiten des Kalten Krieges noch ohne Russland geht zurück auf die ökonomischen und politischen Krisen der 1970er Jahre Enrico Böhm rekonstruiert welche Erwartungen und Funktionen sich mit den Gipfeln verbanden Zugleich sind diese Gipfel Indikatoren für den Wandel von internationaler Politik in einer Zeit der intensivierten Globalisierung Im Vergleich zu den übrigen Formen der zwischenstaatlichen Kooperation legten die Gipfel ein ungewöhnlich starkes Gewicht auf die teilnehmenden Personen die sich hier als leader der westlichen Welt präsentieren Entsprechend konturiert der Autor die These dass es sich bei den Gipfeln um ein Legitimierungsinstrument der Staats und Regierungschefs handelte ein heute wieder hoch aktuelles Phänomen In seiner Analyse folgt Enrico Böhm einem innovativen Ansatz der erweiterten Politikgeschichte der weit über nationale oder rein chronologische Darstellungsformen hinausgreift

□□□□ □□ □□ □□ □,2025-03-21 26 *American State and Local Politics* Ronald E. Weber,Paul Brace,1999-06-15 Ronald E Weber and Paul Brace bring together a distinguished team of scholars of state and local government to provide an array of viewpoints on the impact of the major institutional changes that have been taking place over the past three decades These experts discuss the current status of state and local government practices and identify some of the challenges facing officials today

Postwar Politics In The G 7 Orders And Eras In Comparative Perspective Introduction

Postwar Politics In The G 7 Orders And Eras In Comparative Perspective Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Postwar Politics In The G 7 Orders And Eras In Comparative Perspective Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Postwar Politics In The G 7 Orders And Eras In Comparative Perspective : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Postwar Politics In The G 7 Orders And Eras In Comparative Perspective : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Postwar Politics In The G 7 Orders And Eras In Comparative Perspective Offers a diverse range of free eBooks across various genres. Postwar Politics In The G 7 Orders And Eras In Comparative Perspective Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Postwar Politics In The G 7 Orders And Eras In Comparative Perspective Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Postwar Politics In The G 7 Orders And Eras In Comparative Perspective, especially related to Postwar Politics In The G 7 Orders And Eras In Comparative Perspective, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Postwar Politics In The G 7 Orders And Eras In Comparative Perspective, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Postwar Politics In The G 7 Orders And Eras In Comparative Perspective books or magazines might include. Look for these in online stores or libraries. Remember that while Postwar Politics In The G 7 Orders And Eras In Comparative Perspective, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Postwar Politics In The G 7 Orders And Eras In Comparative Perspective eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Postwar Politics In The G 7 Orders And Eras In Comparative Perspective full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of Postwar Politics In The G 7 Orders And Eras In Comparative Perspective eBooks, including some popular titles.

FAQs About Postwar Politics In The G 7 Orders And Eras In Comparative Perspective Books

1. Where can I buy Postwar Politics In The G 7 Orders And Eras In Comparative Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Postwar Politics In The G 7 Orders And Eras In Comparative Perspective book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
