computer images are so clear and richly colored you'll want to eat the food right off the page. And because you just have to see how some things are done like cutting a chicken into serving pieces, basic techniques are clearly illustrated with original step-by-step photographs. This unique book doesn't ignore health concerns either. All the entries include nutritional highlights. A glossary of terms along with a comprehensive index of the technical and most commonly known names for each entry are provided at the end of the book. Plus while this is an encyclopedia, not a cookbook, serving ideas and traditional recipes using selected ingredients are featured. From the novice cook to the experienced chef, there are timeless lessons to be learned from *The Visual Food Encyclopedia*. **Pennsylvania Farmer Consolidated with the Pennsylvania Stockman and Farmer**
