Pound Joyce Letters Of Ezra Pound To Jam:

Pound/Joyce; the Letters of Ezra Pound to James Joyce Ezra Pound, 1967 Donated by Michael Dillon June 2009 **Serial Encounters** Clare Hutton, 2019-06-06 James Joyce's *Ulysses* was first published in New York in the *Little Review* between 1918 and 1920. What kind of reception did it have and how does the serial version of the text differ from the version most readers know: the iconic volume edition published in Paris in 1922 by Shakespeare and Company? Joyce prepared much of *Ulysses* for serial publication while resident in Zurich between 1915 and 1919. This original study based on sustained archival research goes behind the scenes in Zurich and New York in order to recover long forgotten facts that are pertinent to the writing, reception and interpretation of *Ulysses*. The *Little Review* serialization of *Ulysses* proved controversial from the outset and was ultimately stopped before Joyce had completed the work. The New York Society for the Suppression of Vice had taken successful legal action against the journal's editors on the grounds that the final instalment of the thirteenth chapter of *Ulysses* was obscene. This triumph of the social purity movement had far-reaching repercussions for Joyce's subsequent publishing history and for his ongoing efforts with the composition of *Ulysses*. After chapters of contextual literary history on the cultural world of the *Little Review*, the early production history of *Ulysses* and the New York trial of 1921, the study moves to a consideration of the textual significance of the serialization. It breaks new ground in Joycean scholarship by paying critical attention to *Ulysses* as a serial text. The study concludes by examining the myriad ways in which Joyce revised and augmented *Ulysses* while resident in Paris; it shows how Joyce made *Ulysses* more sexually suggestive and overt in explicit response to the work's legal reception in New York. Joyce, Aristotle, and Aquinas Fran O'Rourke, 2022-04-26 In this book Fran O'Rourke examines the influence of Aristotle and Thomas Aquinas on James Joyce, arguing that both thinkers fundamentally shaped the philosophical outlook which pervades the author's oeuvre. Writing the City Desmond Harding, 2004-06 This work examines and challenges the traditional transatlantic axis London-Paris-New York that marks the intersection between western thinking about the City and the advent of literary modernism. **Reading Joycean Temporalities**, 2017-10-02 In *Reading Joycean Temporalities* Jolanta Wawrzycka gathered scholars who address James Joyce's experimental treatment of narrative time in terms that go beyond the much-discussed monologue interior and stream of consciousness. Contributors examine Joyce's attempts to render temporal simultaneity through inescapably spatial means of language, including his deployment of Lessing's concepts of *nacheinander* and *nebeneinander*, analyse Joyce's handling of modalities of time in finitude and temporal disharmonies in time sense and tackle Joyce's engagements with historical time, Homeric time and with poetic markers of time. The essays re-contextualize modernist and postmodernist critical, theoretical, philosophical and narratological polemics on time, temporality, relativity, language and memory and offer insightful readings of Joyce's double timing: writing of finitude, time without measure and psychological vs. mechanically measured time. Contributors are Valerie Benjam, Tim Conley, Erika Mihálycsa, Stephanie Nelson, Christine O'Neill, Cilin Owens, Fritz Senn.

Annalisa Volpone and Jolanta Wawrzyszka **Ireland, Reading and Cultural Nationalism, 1790-1930** Andrew Murphy, 2017-10-26 The emergence of an Irish common reader in the nineteenth century had significant implications for the evolution of Irish cultural nationalism The rise of literacy rates prompted a cultural crisis with nationalists fearing that the beneficiaries of mass education were being drawn to populist publications emanating from London which were having the effect of eroding Irish identity and corrupting Irish morals This fear prompted an intensification of cultural nationalist activity at the turn of the century Andrew Murphy's study which includes a chapter on W B Yeats and the Irish reader moves freely between historical and literary analysis and demonstrates how a developing sense of cultural crisis served as an engine for the Irish literary revival Examining responses to Irish reading habits advanced by a wide range of cultural commentators Murphy provides a nuanced discussion of theories of nationalism and examines attempts finally to control reading habits through the introduction of censorship The Letters of Ezra Pound to James Joyce, with Pound's Essays on Joyce Ezra Loomis Pound, James Augustine Aloysius Joyce, 1967 **Ezra Pound Criticism, 1905-1985** Ezra Pound, Volker Bischoff, 1991 **Pound/Joyce; the Letters of Ezra Pound to James Joyce Edited and with Commentary by Forrest Read** Ezra Pound, 1967 **Making Space in the Works of James Joyce** Valerie Benejam, John Bishop, 2012-05-23 James Joyce's preoccupation with space be it urban geographic stellar geometrical or optical is a central and idiosyncratic feature of his work In *Making Space in the Works of James Joyce* some of the most esteemed scholars in Joyce studies have come together to evaluate the perception and mental construction of space as it is evoked through Joyce's writing The aim is to bring together several recent trends of literary research and criticism to bear on the notion of space in its most concrete sense The essays move dialectically out of an immediate focus on the phenomenological and intra psychic into broader and wider meditations on the social urban and collective As Joyce's formal experiments appear the response to the difficulty of enunciating truly the experience of lived space this eventually leads us to textual and linguistic space The final contribution evokes the space with which Joyce worked daily that of his manuscripts or what he called paperspace With essays addressing all of Joyce's major works this volume is a critical contribution to our understanding of modernism as well as of the relationship between space language and literature **Mr. James Joyce and the Modern Stage** Ezra Pound, 1916 *Pound* Ezra Pound, 1967 **Pound/Joyce: the Letters of Ezra Pound to James Joyce, with Pound's Essays on Joyce; Edited and with Commentary by Forrest Read** Ezra Pound, 1968 **Ezra Pound: Politics, Economics and Writing** Peter Nicholls, 1984 **Pierre Boulez** Joseph Salem, 2023 Pierre Boulez *The Formative Years* mixes a biographical journey with the musical development of the central twentieth century composer Pierre Boulez The book is chronologized into three parts each with a different thematic emphasis Boulez's early life and education his musical works and experimentation and his legacy among contemporary aesthetic movements and artistic challenges Portable Modernisms Emily Ridge, 2017-06-23 Luggage is an overlooked detail in the stock sketch of the expatriated modernist writer from the

valise fashioned desks of both James Joyce and Vladimir Nabokov to the lost manuscript laden cases of Ernest Hemingway and Walter Benjamin While the trope of modernist exile has long been spotlighted little attention has been given to the material meaning of this condition What things and objects do modernism s exiles and emigres carry with them and how does the act of carriage enter into the modernist picture more broadly What are the implications and historical resonances of a portable outlook particularly from the angles of gender wartime conflict and character conception Above all how far does such an outlook impact upon artistic vision Portability represents the simultaneous transportation and repudiation of domesticity and the home those key frames of reference in the nineteenth century novel This book examines the multifarious ways in which the emergence of a modern culture of portability prompts a radical if often problematic departure from Victorian architectural conceptions of fiction towards more movable understandings of form and character **MLA**

Microscope Diane Negra,Su Holmes,2011-03-17 This timely collection explores the politics of female celebrity across a range of contemporary and historical media contexts Amidst concerns about the apparent decline in the currency of modern fame famous for being famous as well as debates about the shifting parameters of public private visibility it is female celebrities who are positioned as the most active discursive terrain This collection seeks to interrogate such phenomena by forging a greater conceptual theoretical and historical dialogue between celebrity studies and critical gender studies It takes as its starting point the understanding that female celebrity is a particularly fraught cultural phenomenon with ideological and industrial implications that warrant careful scrutiny In moving across case studies from the 19th century to the present day this book works from the assumption that the case study should play a crucial role in generating debate about the dialogue between past and present and the individual essays seek to reflect this spirit of enquiry *Dictionary Catalog of the Henry W. and Albert A.
