Pounding Down...One Day at a Time Ruth A. Manieri,2005-06-01 The Age of Pisces is dying and the figure of Jesus no longer serves as an example on how to lead our lives We are in the early stages of Aquarius and still trying to figure out what it all means Philosophically these are hard times sort of like the saying Brother can you spare a paradigm The Astrological Ages always involve a polarity between opposite signs in this case Aquarius and Leo Entropy is a metaphor for the lower side of The Age of Society Aquarius while alchemy is our collective progress The past few centuries have seen the great social and technological advances that are the hallmark of Aquarius but they have been accompanied by cultural decay and a loss of symbolic meaning and true individuality Instead we see a near obsession with superficial forms of self expression the lower side of Leo which may be a reaction to the increasing uniformity and pervasive organization of Aquarius Other cultures react against the impersonal secular modernity of Aquarius with a fervent religious fundamentalism or blind loyalty to an undemocratic Leo like leader but in either case resolving this dichotomy between Aquarius and Leo society and the individual is one of the keys to civilization s future *A Strong and Sudden Thaw* Rebecca W. Day,2008 Dragons terrorize a Virginia town and one young man finds friendship and love in unlikely places in this near future post apocalyptic romance from Lambda award finalist Day Ezra Pound: Poet A. David Moody,2015-09-24 This third and final volume of A David Moody s critical life of Ezra Pound presents Pound s personal tragedy in a tragic time In this volume we experience the 1939 1945 World War and Pound s hubristic involvement in Fascist Italy s part in it we encounter the grave moral and intellectual error of Pound holding the Jewish race responsible for the war and his consequent downfall being charged with treason condemned as an anti Semite and shut up for twelve years in an institution for the insane Further we see Pound stripped for life by his own counsel and wife of his civil and human rights Pound endured what was inflicted upon him justly and unjustly without complaint and continued his lifetime s effort to promote in and through his Cantos and his translations a consciousness of a possible humane and just social order The contradictions run deep and compel as tragedy does a steady and unprejudiced contemplation and an answering depth of comprehension Case of the Bleus: A Cheese Shop Mystery Korina Moss,2023-09-26 What in the bleu blazes is happening in Yarrow Glen now An Agatha Nominee for Best Contemporary Mystery Novel Cheesemongers from across the Northwest have come to the Sonoma Valley for the Northwest Cheese Invitational As owner of the local cheese shop Curds Whey Willa Bauer loves it The event showcases custom cheese creations and it s the perfect time to gather with old colleagues to honor her former boss the late and grate cheese legend Max Dumas He was famous for journeying into the wild bleu yonder to where he aged his award winning custom Church Bleu Only Max knew the recipe and location to his beloved cheese and many are eager to have these revealed at his will reading But instead of naming someone to inherit his cheese and its secrets Max stuns everyone with one cryptic clue When a fellow

cheesemonger dies under mysterious circumstances the woman they all thought would get the secrets to Max's prized possession everyone falls under suspicion Willa adores Church Bleu as much as the next cheese connoisseur but it's not to die for Is a killer trying to get away with murder and the cheese
