Sharon Kettering

Poverty And Charity In Aix En Provence 1640 1789:

Poverty and Charity in Aix-en-Provence, 1640-1789 C. C. Fairchild, 1992 *Poverty and Charity in Aix-en-Provence, 1640-1789* Cissie C. Fairchild, 2019-12-01 Originally published in 1976 This book is a study of the charitable institutions of one French town Aix en Provence It begins with their foundation during the Counter Reformation and ends with their dissolution during the Revolution It details the impulses behind their foundation and describes how they were financed and administered It also explores the lives of the people they helped The study is based primarily on surviving records of the charities These are the same sort of records that charitable institutions today accumulate entrance registers minutes of board meetings account books and fund raising pamphlets Records of the local and central government and court records were also consulted One purpose of this study is to bring readers closer to the reality of the problem of poverty in Old Regime France Another purpose is to historicize contemporary perceptions of poverty in the minds of French historical actors Chapter 1 outlines the social and economic makeup of Aix en Provence Chapter 2 deals with the attitudes and assumptions behind the foundation of the charities Chapter 3 describes how the institutions were administered and financed and the many important roles they played in the community at large Chapter 4 describes the types of assistance available to the poor and the types of people who received it Chapter 5 discusses the most important alternatives to charity for the needy beggary and crime After 1760 the traditional charities entered a period of decline Both the economic and social realities of poverty and popular perceptions of those realities changed drastically after 1760 Flooded by increasing numbers of the poor paralyzed financially because of declining donations and general mismanagement repudiated by public opinion and subject to increasing control by the state the charities were ineffective and indeed almost moribund after 1760 Chapters 6 and 7 detail these developments **Poverty and Charity in Aix-en-Provence, 1640-1789** Cissie Catherine Fairchild, 1972

Poverty and Charity in Aix-en-Provence, 1640-1789 Cissie Catherine Fairchild, 1972 **Poverty and Charity in the Jewish Community of Medieval Egypt** Mark R. Cohen, 2009-01-10 What was it like to be poor in the Middle Ages In the past the answer to this question came only from institutions and individuals who gave relief to the less fortunate This book by one of the top scholars in the field is the first comprehensive book to study poverty in a premodern Jewish community from the viewpoint of both the poor and those who provided for them Mark Cohen mines the richest body of documents available on the matter the papers of the Cairo Geniza These documents located in the Geniza a hidden chamber for discarded papers situated in a medieval synagogue in Old Cairo were preserved largely unharmed for more than nine centuries due to an ancient custom in Judaism that prohibited the destruction of pages of sacred writing Based on these papers the book provides abundant testimony about how one large and important medieval Jewish community dealt with the constant presence of poverty in its midst Building on S D Goitein's *Mediterranean Society* and inspired also by research on poverty and charity in medieval and early modern Europe it provides a clear window onto the daily lives of the poor It also

illuminates private charity a subject that has long been elusive to the medieval historian In addition Cohen s work functions as a detailed case study of an important phenomenon in human history Cohen concludes that the relatively narrow gap between the poor and rich and the precariousness of wealth in general combined to make charity one of the major agglutinates of Jewish associational life during the medieval period

Poverty, Charity, and Motherhood Christine Adams,2010-10-01 This far reaching study of maternal societies in post revolutionary France focuses on the philanthropic work of the Society for Maternal Charity the most prominent organization of its kind Administered by middle class and elite women and financed by powerful families and the government the Society offered support to poor mothers helping them to nurse and encouraging them not to abandon their children In *Poverty Charity and Motherhood* Christine Adams traces the Society s key role in shaping notions of maternity and in shifting the care of poor families from the hands of charitable volunteers with religious tinged social visions to paid welfare workers with secular goals such as population growth and patriotism Adams plumbs the origin and ideology of the Society and its branches showing how elite women in Paris Lyon Bordeaux Rouen Marseille Dijon and Limoges tried to influence the maternal behavior of women and families with lesser financial means and social status A deft analysis of the philosophy and goals of the Society details the members own notions of good mothering family solidarity and legitimate marriages that structured official elite and popular attitudes concerning gender and poverty in France These personal attitudes Adams argues greatly influenced public policy and shaped the country s burgeoning social welfare system

Charity and Community in Medieval Cambridge Miri Rubin,2002-05-09 This is a detailed study of the forms in which charitable giving was organised in medieval Cambridge and Cambridgeshire unravelling the economic and demographic factors which created the need for relief as well as the forms in which the community offered it

Crime and Repression in the Auvergne and the Guyenne, 1720-1790 Iain A. Cameron,1981-12-03 The book is a study of the police and criminal justice in eighteenth century France and of the crimes and disorders the authorities had to contain It is concerned with two provinces the Auvergne in the mountainous centre and the Guyenne the hinterland of Bordeaux and is based on extensive archival research in administrative records police reports and the transcripts of trials Part one examines the means of repression available to the government the national police force the *mar chauss e* and the police court of summary justice the *pr v t* It looks at the recruitment and discipline of policemen their duties methods of operating and efficiency it also examines the treatment of beggars and vagabonds the procedures of criminal justice the evidence put before the judges and the punishments handed down Part two studies the thefts assaults murders riots and rebellions of the two provinces particularly in the light of fashionable hypotheses about changing patterns of criminal behaviour

Health Care and Poor Relief in 18th and 19th Century Northern Europe Ole Peter Grell,Andrew Cunningham,2017-07-05 This volume looks at how northern European governments of the eighteenth and nineteenth centuries coped with the needs of the poor whilst balancing any new measures against the perceived negative effects of relief upon the moral wellbeing of the poor

and issues of social stability Taken together the essays in this volume chart the varying responses of states social classes and political theorists towards the great social and economic issue of the age industrialisation Its demands and effects undermined the capacity of the old poor relief arrangements to look after those people that the fits and starts of the industrialisation cycle itself turned into paupers The result was a response that replaced the traditional principle of outdoor relief with a generally repressive system of indoor relief that lasted until the rise of organised labour forced a more benign approach to the problems of poverty

Charity and Economy in the Orphanages of Early Modern Augsburg Thomas Max Safley, 2023-08-21 This book examines the complex interrelationship between charity confession and capital in the orphanages of the Free Imperial City of Augsburg To provide the best care at the least cost the administrators of these traditionally non capitalistic organizations engaged in a wide variety of capitalistic practices in capital commodity and labor markets Their market orientated practices inspired bourgeois virtues that included the assessments of long term risk and reward the avoidance of excess and waste and the practice of obedience persistence and industry Under the pressures of confessional tension efficiency slowly evolved into a more complex notion of utility that placed the needs of the orphanages over the dictates of economy and the divisions of religion The product of monumental original research this book offers a substantial revision of current historical scholarship on poor relief social discipline organization building and the advent of capitalism A forthcoming volume will pursue these issues through a close study of the fortunes and fates of 8 000 Augsburg orphans These studies make required reading for advanced students of early modern Europe

Patronage in Sixteenth- and Seventeenth-Century France Sharon Kettering, 2024-10-28 The dual themes of this volume are the characteristics of patronage relationships and their political uses in early modern France The first essays provide an overview of the scholarly literature and suggest that the obligatory reciprocity of the patron client exchange was a defining characteristic The third and fourth essays compare patronage relationships with kinship and friendship while the following two focus on the patronage role of noblewomen Professor Kettering then looks at the role of brokerage in state formation in early modern France comparing this with other early modern societies In the final section she explores the role of patronage in the religious wars of the late 16th century and in the civil war of the Fronde a half century later and the ways in which it was affected by the changing lifestyles of the great nobles during the late 17th century

Creating the Welfare State in France, 1880-1940 Timothy B. Smith, 2003-02-04 Smith shows that France s most important social legislation to date providing medical insurance maternity benefits modest pensions and disability benefits to millions of people was passed in 1928 and amended and put into practice in 1930 This law misrepresented in textbooks as being an utter failure covered over 50 percent of the population by 1940 Few other nations could have claimed this sort of social insurance success As well by 1937 the centuries old public assistance residency requirements had been transferred from the local to the departmental regional level France s success in introducing important social reforms may require us to rethink or at least modify the

common view of interwar France as a time of utter political economic and social failure *The Origins of Freemasonry* Margaret C. Jacob, 2016-10-18 Can the ancestry of freemasonry really be traced back to the Knights Templar Is the image of the eye in a triangle on the back of the dollar bill one of its cryptic signs Is there a conspiracy that stretches through centuries and generations to align this shadow organization and its secret rituals to world governments and religions Myths persist and abound about the freemasons Margaret C Jacob notes But what are their origins How has an early modern organization of bricklayers and stonemasons aroused so much public interest In *The Origins of Freemasonry* Jacob throws back the veil from a secret society that turns out not to have been very secret at all What factors contributed to the extraordinarily rapid spread of freemasonry over the course of the eighteenth century and why were so many of the era's most influential figures drawn to it Using material from the archives of leading masonic libraries in Europe Jacob examines masonic almanacs and pocket diaries to get closer to what living as a freemason might have meant on a daily basis She explores the persistent connections between masons and nascent democratic movements as each lodge set up a polity where an individual's standing was meant to be based on merit rather than on birth or wealth and she demonstrates beyond any doubt how active a role women played in the masonic movement **Early Modern European Society** Henry Kamen, 2005-07-28 Drawing together common features of society from a range of different contexts throughout Europe from Italy and Spain to Poland and Russia *Early Modern European Society* surveys the sweeping changes affecting Europe from the end of the fifteenth century to the early decades of the eighteenth century Henry Kamen includes discussion on European identities frontiers and language leisure work and migration religion ritual and witchcraft the aristocracy the bourgeoisie and the poor gender roles social discipline and absolutism **Women and Poor Relief in Seventeenth-Century France** Susan E. Dinan, 2017-09-29 Chronicling the history of the Daughters of Charity through the seventeenth century this study examines how the community's existence outside of convents helped to change the nature of women's religious communities and the early modern Catholic church Unusually for the time this group of Catholic religious women remained uncloistered They lived in private houses in the cities and towns of France offering medical care religious instruction and alms to the sick and the poor by the end of the century they were France's premier organization of nurses This book places the Daughters of Charity within the context of early modern poor relief in France the author shows how they played a critical role in shaping the system and also how they were shaped by it The study also examines the complicated relationship of the Daughters of Charity to the Catholic church of the time analyzing it not only for what light it can shed on the history of the community but also for what it can tell us about the Catholic Reformation more generally **Policing the Poor in Eighteenth-Century France** Robert M. Schwartz, 2017-10-10 Robert Schwartz examines the French government's attempts to suppress mendicancy from the reign of Louis XIV to the Revolution His study provides a rich account of the evolution of poverty the varied and shifting attitudes toward the delinquent poor and the government's efforts to control mendicancy by strengthening the state's

repressive machinery during the eighteenth century As Schwartz demonstrates popular conceptions of the mendicant poor in the ancient regime increasingly focused on the threat that they presented to the rest of society thereby opening the way for the central state to augment its authority and enhance its credibility by acting as the agent protecting the majority of the populace from its threat to public security Government efforts to control the activity of the unworthy poor those of sound mind and body who were seen to prefer idleness over productive work were most pronounced during two periods of repressive policing one in the early eighteenth century and the other in the last two decades before the Revolution From 1724 to 1733 beggars were interned in hopitaux existing municipal institutions intended for the care of the worthy poor including orphans the infirm and the aged But from 1768 until the outbreak of the Revolution more stringent measures were taken Sturdy beggars and vagrants were confined apart from the worthy poor on specially established royal workhouses called depots de mendicite and in the case of some repeat offenders were sentenced to the galleys This stepped up level of policing arose not only from royal administrators long standing view of mendicity as criminal activity it was also made possible because the propertied classes had likewise come to believe the mendicant poor were a danger rather than a nuisance Economic and demographic conditions combined to swell the ranks of paupers and vagrants especially in the 1760s and 1770s and social tensions along with calls for government action multiplied in proportion to their numbers As villagers came to call upon the improved royal police for help a popular mental association of the state with public security began to take root In arriving at these conclusions Schwartz concentrates on law enforcement in a single area Lower Normandy but continually provides a perspective on local events by putting them in the context of national trends and realities He tells the story of the poor in eighteenth century France in sympathetic terms giving a human face to poverty and to the men who policed its effects Originally published in 1987 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value French Society Sharon Kettering, 2014-08-21 This book provides a birds eye view of social change in France during the long seventeenth century from 1589 1715 One of the most dynamic phases of French history it covers the reigns of the first three Bourbon kings Henri IV Louis XIII and Louis XIV The author explores the upheavals in French society during this period through an examination of the bonds which tied various classes and groupings together including rank honour and reputation family household and kinship faith and the Church and state and obedience to the King Acting as a social glue against instability and fragmentation in periods of great transformation some of these social solidarities are eroded whilst new ones emerge Sharon Kettering shows how nuclear family ties emerged at the expense of extended kinship ties while traditional rural ties were eroded by a combination of demographic crisis and agricultural stagnation Urban ties of neighbourhood sociability and work increased with rapid urbanisation By 1715 France had become a

more peaceful and civilised place and this book discusses some of the reasons why **Bureaucrats and Beggars** Thomas McStay Adams,1991-01-31 In the mid eighteenth century in France the royal authorities launched a new campaign to sweep beggars from the streets pinning their hopes on the creation of a uniform royal network of lock ups in which anyone found begging might be detained In this study Adams probes the accomplishments and the failings of these so called d p ts de mendicit as seen by critics of the experiment including learned judges and influential spokesmen of the provincial Estates and as seen by those responsible for its success the provincial intendants the royal engineers the doctors the inspectors the contractors and various givers of advice He shows how the debate both internal and external over the operation of the d p ts contributed to the intellectual ferment of the Enlightenment and the Revolution The resulting web of reasoning and empirical data gave support to Montesquieu s principle that the state owes every one of its citizens a secure subsistence suitable food and clothing and a manner of life that is not contrary to good health *Welfare and Welfare Reform* Thomas Streissguth,Tom Streissguth,2014-05-14 Provides an overview of the issues associated with welfare and welfare reform in the United States with a glossary of terms and a fully annotated bibliography Models of Charitable Care Annelies Van Heijst,2008 This Dutch case study examines historically and ethically Catholic charity in the 19th and 20th centuries The nuns embodied a spiritual model of devotion and theorists offered theoretical models for interpretation but how to integrate the perspective of care leavers

Poverty And Charity In Aix En Provence 1640 1789 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Poverty And Charity In Aix En Provence 1640 1789 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Poverty And Charity In Aix En Provence 1640 1789 has opened up a world of possibilities. Downloading Poverty And Charity In Aix En Provence 1640 1789 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Poverty And Charity In Aix En Provence 1640 1789 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Poverty And Charity In Aix En Provence 1640 1789. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Poverty And Charity In Aix En Provence 1640 1789. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Poverty And Charity In Aix En Provence 1640 1789, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Poverty And Charity In Aix En Provence 1640 1789 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Poverty And Charity In Aix En Provence 1640 1789 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
