for pleasure Yet the overarching narrative of the region is often one of pain loss privation exploitation poverty and suffering of various kinds While some cookbook writers go to great lengths to avoid reminding readers of this painful past others invoke that pain as a marker of southern authenticity Still others use stories of southern suffering as an opportunity to make space for reconciliation reparation or apology for past wrongs In *Unpalatable Stories of Pain and Pleasure in Southern Cookbooks* author Carrie Helms Tippen attempts to understand the unique rhetorical situation of the southern cookbook as it negotiates a tension between the expectations of the genre and the prevailing metanarratives of the southern experience one focused on pleasure and the other rooted in pain Through an analysis of commercially published southern cookbooks from the 1990s to the present Tippen examines the range of rhetorical purposes and strategies writers have employed some of which undermine the reality of a painful past and cause harm or violence and others which serve as tools for truth and reconciliation

Gender and Qualitative Methods Helmi Järviluoma, Pirkko Moisala, Anni Vilkkö, 2003-10-21 *Gender and Qualitative Methods* outlines the practical and philosophical issues of gender in qualitative research Taking a social constructionist approach to gender the authors emphasize that the task of the researcher is to investigate how gender s is are defined negotiated and performed by people themselves within specific situations and locations Each chapter begins with an introduction to a specific method and or research subject and then goes on to discuss gender as an analytical category in relation to it Areas covered include field work life story membership categorisation analysis and analysis of gender in sound and vision Written in a clear and accessible way each chapter contains practical exercises that will teach the student methods to observe and analyze the effects of gender in various texts and contexts The book is also packed with examples taken from women and men s studies as well as from feminist and other gender studies

Women in Journalism at the Fin de Siècle F. Gray, 2012-03-13 As the nineteenth century drew to a close women became more numerous and prominent in British journalism This book offers a fascinating introduction to the work lives of twelve such journalists and each essay examines the career writing and strategic choices of women battling against the odds to secure recognition in a male dominated society

Women's Studies Linda Krikos, Cindy Ingold, 2004-08-30 This truly monumental work maps the literature of women's studies covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review The annotations summarize each work's content its importance or contribution to women's studies and its relationship to other titles on the subject Core titles and titles that are out of print are noted and reviews indicate which titles are appropriate as texts or supplemental texts This definitive guide to the literature of women's studies is a must purchase for academic libraries that support women's studies programs and it is a useful addition to any academic or public library that endeavors to represent the field A team of subject specialists has taken on the immense task of documenting publications in the area of women's studies in the last decades of the 20th century The result is this truly monumental work which maps the field covering thousands of titles and Web sites in 19 subject areas published between 1985 and 1999 Intended as a reference and collection development tool this bibliography provides a guide for women's studies information for each title along with a detailed often evaluative review The annotations

summarize each work's content, its importance or contribution to women's studies and its relationship to other titles on the subject. Most reviews cite and describe similar and contrasting titles, substantially extending the coverage. Core titles and titles that are out of print are noted, and reviews indicate which titles are appropriate as texts or supplemental texts. Taking up where the previous volume by Loeb Searing and Stineman left off, this is the definitive guide to the literature of women's studies. It is a must purchase for academic libraries that support women's studies programs and a welcome addition to any academic or public library that endeavors to represent the field.

The Missing Half Alison Kelly, 1981 Bundeling van beshcouwingen over het waarom van het ondervertegenwoordigd zijn van meisjes in exacte wetenschappen. Het boek kan onderverdeeld worden in drie delen. Ten eerste worden de verschillende theorieën over deze ondervertegenwoordiging op een rijtje gezet. Vervolgens worden de onderzoeksresultaten hieromtrent besproken. Deze werpen een licht op de determinanten van studiekeuze bij meisjes en op de attitudes van leerkrachten t.o.v. wetenschappelijk begaafde meisjes. Tot slot geven leerlingen en leerkrachten hun eigen mening en suggeren strategieën om de resultaten van meisjes te verbeteren.

Women in American History Peg A. Lamphier, Rosanne Welch, 2017-01-23 This four volume set documents the complexity and richness of women's contributions to American history and culture, empowering all students by demonstrating a more populist approach to the past. Based on the content of most textbooks, it would be easy to reach the erroneous conclusion that women have not contributed much to America's history and development. Nothing could be further from the truth. Offering comprehensive coverage of women of a diverse range of cultures, classes, ethnicities, religions, and sexual identifications, this four volume set identifies the many ways in which women have helped to shape and strengthen the United States. This encyclopedia is organized into four chronological volumes, with each volume further divided into three sections. Each section features an overview essay and thematic essay, as well as detailed entries on topics ranging from Lady Gaga to Ladybird Johnson, Lucy Stone and Lucille Ball, and from the International Ladies of Rhythm to the International Ladies Garment Workers Union. The set also includes a vast variety of primary documents, such as personal letters, public papers, newspaper articles, recipes, and more. These primary documents enhance users' learning opportunities and enable readers to better connect with the subject matter.

Reading from This Place, Volume 1 Fernando F. Segovia, Mary Ann Tolbert, How does one's life situation shape one's reading of the Bible? In this landmark volume, Segovia, Tolbert, and their 15 other contributors measure the impact of social location on the theory and practice of biblical interpretation. *Reading From This Place* helps readers come to terms with the interpretive revolution sweeping through biblical studies.
