It contained tales that were recorded by the author each week after the family Melaveh Malkah, a time reserved in Chassidic custom for the sharing of meaningful anecdotes about the deeds of great Rebbes and other noble spiritual leaders. This second volume of inspirational stories, A Mazeldig Voch, continues to impart a sense of the special holiness with which the spiritual giants of past generations lived their lives. Each anecdote is brief yet each captures the color of an era. Rooted in the sanctified lives of tzaddikim, the stories in A Mazeldig Voch stir the soul and move the heart. The Klausenberger Rebbe: Rebuilding Aharon Sorski,2007 This book is a translation and adaptation by Lifschitz of that part of Surasky's work which deals with the Holocaust period and the DP camps. **Who's who in Lubavitch** Chaim Dalfin,2003 *They Called Him Rebbe* Raphael Blumberg,2007 The present volume, which contains more than one hundred vivid stories about Rabbi Boruch Milikowsky's relationship with his students, entertains as it inspires. With tears and laughter you will accompany Rebbe through the tragedies and triumphs of his life as he reaches out to his students with humor, wisdom, and compassion, helping each one to achieve his full potential as a Jew and a human being. The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces ,1881 *The Lost Princess & Other Kabbalistic Tales of Rebbe Nachman of Breslov* Nahman (of Bratslav),2005 Discover the hidden secrets of Torah and Kabbalah through the captivating stories of Rebbe Nachman of Breslov. Rabbi Nachman's stories are among the great classics of Jewish literature. They have been recognized by Jews and non-Jews alike for their depth and insight into both the human condition and the realm of the mysterious. From Aryeh Kaplan's Translator's Introduction: For centuries spiritual teachers have told stories to convey lessons about God and perceptions of the world around us. Hasidic master Rebbe Nachman of Breslov, 1772-1810, perfected this teaching method through his engrossing and entertaining stories that are fast-moving, brilliantly structured, and filled with penetrating insights. This collection presents the wisdom of Rebbe Nachman, translated by Rabbi Aryeh Kaplan and accompanied by illuminating commentary drawn from the works of Rebbe Nachman's pupils. This important work brings you authentic interpretations of Rebbe Nachman's stories, allowing you to experience the rich heritage of Torah and Kabbalah that underlies each word of his inspirational teachings. *Inner Rhythms* DovBer Pinson,2000-06-30 What is Jewish Music? What makes a song sound Jewish? What is the place of music in Jewish history and philosophy? The author writes: What is known to us as Jewish music is actually a compilation of styles and rhythms gathered over centuries and obtained in various manners and from countless sources. However, musicologists the world over agree that the purity of the Jewish song has always been retained. The quality which

makes it uniquely Jewish regardless of the influence on it has remained untouched and clearly identifiable What is this quality What is it that makes a song sound Jewish It is a note of longing of a child yearning to unite with his parent a nation pining for its homeland and lost temple a soul in this world remembering the holiness above and longing to reunite Each song resonates with the entirety of the Jewish experience the devastations and victories the separations and reunifications and above all the constant bound with the eternal The study of Jewish music is vast and requires volumes to contain it There are many who have analyzed its unique qualities and have written extensively on it Their examination of music is essentially a lesson in history another means of glimpsing a rich and diverse past There is yet another way to examine a song and that is to view it as an eternal message as relevant today as it was hundreds of years ago at the time of its composition Each song tells its own story in the heart of the one who sings it It evokes a unique response in each listener A tune can touch a soul in a way no words ever could The study of music as response is what I aim to portray in this work Music can be used in a myriad of ways in our everyday lives Especially today with all of the gadgets that can convey music we are bombarded by sound Just by taking a long walk a person changes zones of melodies beats and compositions of various types Our bodies seem to vibrate to uninvited songs and noises that permeate the air around us But invited **Gura Humora** ,1997 *The Chasidic Historical Review* ,1997 **"His Name is Aaron"** Mordechai Staiman,2002
