Who will evangelize our teens and to what will they be converted Ironically most evangelization is being done not by the Church but by contemporary American culture A variety of voices are vying for the attention and allegiance of our youth Many of those voices often electronically piped into our unsuspecting households proclaim relevantly creatively and persuasively a message contrary to our Catholic faith Yet the Church possesses a message that addresses the most significant hunger of every teen s heart We have exactly what young people are searching for We struggle however in constructing an environment that teens find attractive and we often fail to proclaim the Gospel in a creative and culturally relevant manner Make It Real A Practical Resource for Teen Friendly Evangelization is all about building evangelistic ministry that not only is worth teens time but also addresses the issues that are real in their lives This book provides fresh clear and test driven principles for building an effective and teen friendly ministry for evangelistic outreach The fully designed sessions help the busy youth worker implement dynamic and spiritually powerful evangelistic gatherings

Making Chastity Sexy Christine J. Gardner, 2011-07-28 Students of rhetoric should appreciate *Making Chastity Sexy* for the sophistication of its argument about counter public advocacy Others will welcome it for keen insights about the recent history of American evangelicals and even more Christine Gardner s striking comparisons between chastity rhetoric in the United States and in East Africa Mark Noll author of *The New Shape of World Christianity How American Experience Reflects Global Faith* Christine Gardner has written a terrific book that moves beyond tired survey research based studies to give us a rich and engaging in depth analysis of the language through which evangelical abstinence movements attempt to persuade teenagers to refrain from having sex We learn not only about programs in the United States but also in Africa where abstinence has been advocated to prevent HIV AIDS *Making Chastity Sexy* shows clearly the power of rhetoric and its unanticipated consequences Robert Wuthnow Princeton University Written in an engaging often journalistic style *Making Chastity Sexy* offers compelling insight into the rhetorical strategies of contemporary evangelical sexual abstinence campaigns and illuminates a remarkable variety of responses to these campaigns by teens and young adults Angela G Ray Associate Professor of Communication Studies Northwestern University **Apostles of Rock** Jay R. Howard, John M. Streck, 2021-10-21 *Apostles of Rock* is the first objective comprehensive examination of the contemporary Christian music phenomenon Some see CCM performers as ministers or musical missionaries while others define them as entertainers or artists This popular musical movement clearly evokes a variety of responses concerning the relationship between Christ and culture The resulting tensions have splintered the genre and given rise to misunderstanding conflict and an obsessive focus on self examination As Christian stars Amy Grant Michael W Smith DC Talk and Sixpence None the Richer climb the mainstream charts Jay Howard and John Streck talk about CCM as an important movement and show how this musical genre relates to a larger popular culture They map the world of CCM by bringing together the perspectives of the people who perform study market and listen to this music By examining CCM lyrics interviews performances web sites and chat rooms

Howard and Streck uncover the religious and aesthetic tensions within the CCM community Ultimately the conflict centered around Christian music reflects the modern religious community's understanding of evangelicalism and the community's complex relationship with American popular culture *Behind the Lights* Helen Smallbone, Lisa Stilwell, Rebecca St. James, 2022-04-12 From the Woman Who Inspired Unsung Hero A Major Motion Picture In this inspiring debut memoir Helen Smallbone mother of seven creative children including Christian music artists for KING COUNTRY and Rebecca St James chronicles the family's journey of faith across the ocean to go where God was leading Written from a mother's perspective Helen shares stories of peaks valleys and a family trusting God for provision Helen Smallbone's heartfelt story illustrates what it means to really let God lead which almost always means living outside the box of how the world says to live How did an ordinary Australian family produce two Grammy Award winning artists Rebecca St James and for KING COUNTRY What happened to bring the Smallbones through closed doors and to new beginnings in the United States In *Behind the Lights* Helen shares not only these stories of her family but of the life lessons they all learned along the way In 1991 Helen and her husband David packed up their family and sixteen suitcases to move from Australia to the United States Completely isolated from the support of family and friends they relied on God to provide them with hope and direction Helen watched her children join forces as Rebecca St James career grew soon followed by blossoming careers for the others as artists entrepreneurs filmmakers and the rise of Joel and Luke's for KING COUNTRY on Christian music charts Helen shares untold stories and insights into how her family worked and stuck together constantly relying on their faith to guide the way Helen's journey includes Meeting her future husband with a cockatoo on her shoulder The family's move to the states in blind faith The kindness of neighbors and the local church that gave them the encouragement they so desperately needed Years of touring alongside Rebecca and the formation of for KING COUNTRY The ways God led and enabled her to homeschool and think about education differently An inside look at the stories and dynamics of the entire Smallbone family No matter where you are in life Helen shows through her own experiences that what God has done in her life He will do in yours too
