[A James Connolly Reader](#) James Connolly, 2018-05-15 Considered by many Ireland's most important revolutionary, James Connolly devoted his life to struggles against exploitation, oppression and imperialism. Active in workers' movements in the United States, Scotland and Ireland, Connolly was a peerless organizer, sharp polemicist and highly original thinker. His positions on the relationship between national liberation and socialism, revolution in colonized and underdeveloped economies and women's liberation in particular were often decades ahead of their time. This collection seeks to return Connolly to his proper place in Irish and global history and to inspire activists, students and those interested in history today with his vision of an Ireland and world free from militarism, injustice and deprivation.
