## **Rebels With A Cause Failure Of The Left In Iran:**

**Rebels with a Cause** Maziar Behrooz,2024-01-25 Why were left wing politics so ineffective in Iran while socialism and communism were making great strides in the rest of the world Why did the Left not capitalise on Iran s brief fling with anti western politics in the early 1950 s before the CIA and MI6 inspired military coup which restored the Shah to his throne And above all why was the Left so crushingly defeated after the 1979 Islamic revolution in Iran The author unearths new details and provides fresh insights into an enduring puzzle of modern Iranian political history concluding that the Left s demise came from a combination of Iran s geopolitical setting where both the Soviet and western worlds saw advantage in the stability of Iran during the Cold War as well as internal factors such as splits and factionalism and not least the Iranian Left s over enthusiastic devotion to a barren Stalinism with its poverty of philosophy and ideas Based on primary and secondary Persian language sources never before published in English this book is a crucial addition to the literature on modern Iranian history and the study of communist and socialist history in general

**Foucault and the Iranian Revolution** Janet Afary, Kevin B. Anderson,2010-07-15 In 1978 as the protests against the Shah of Iran reached their zenith philosopher Michel Foucault was working as a special correspondent for Corriere della Sera and le Nouvel Observateur During his little known stint as a journalist Foucault traveled to Iran met with leaders like Ayatollah Khomeini and wrote a series of articles on the revolution Foucault and the Iranian Revolution is the first book length analysis of these essays on Iran the majority of which have never before appeared in English Accompanying the analysis are annotated translations of the Iran writings in their entirety and the at times blistering responses from such contemporaneous critics as Middle East scholar Maxime Rodinson as well as comments on the revolution by feminist philosopher Simone de Beauvoir In this important and controversial account Janet Afary and Kevin B Anderson illuminate Foucault s support of the Islamist movement They also show how Foucault s experiences in Iran contributed to a turning point in his thought influencing his ideas on the Enlightenment homosexuality and his search for political spirituality Foucault and the Iranian Revolution informs current discussion on the divisions that have reemerged among Western intellectuals over the response to radical Islamism after September 11 Foucault s provocative writings are thus essential for understanding the history and the future of the West s relationship with Iran and more generally to political Islam In their examination of these journalistic pieces Afary and Anderson offer a surprising glimpse into the mind of a celebrated thinker

**Iranian Irony: Marxists Becoming Muslims** , [Iranian Kurdistan Under the Islamic Republic](#) Marouf Cabi,2024-11-28 This book presents a social political cultural and socioeconomic history of Iranian Kurdistan since the 1979 Revolution In this study Marouf Cabi shines a spotlight on the modern history of Iranian Kurdistan an area of Greater Kurdistan understudied in comparison to its regions in Syria and Iraq The book provides a historical narrative and analysis of Kurdistan since the Revolution It addresses key changes and events in detail such as the participation of the Kurds in the Revolution the reinvigoration of the Kurdish movements and the emergence of the women s

movement the armed struggle of the 1980s socioeconomic and political change of the 1990s and the emergence of civil society since 2000 Cabi draws on extensive primary sources including oral history various newspapers journals and books published during the period

Iran's Reconstruction Jihad Eric Lob,2020-02-27 The first full length study to examine the significance of the critical but neglected Iranian organization and ministry Reconstruction Jihad *Liberalism for a New Century* Neil Jumonville, Kevin Mattson,2007-06-04 American liberalism today is in a state of confusion and disarray with the L word widely considered a term of derision By examining both the historical past and the fractious present Liberalism for a New Century restores a proud political tradition and carves out a formidable defense of its philosophical tenets This manifesto for a New Liberalism issues an urgent and cogent call for the most important rethinking of its values since the late 1960s when conservatives reenergized themselves after Barry Goldwater s infamous loss The essays in this volume most of them never before published are written by a leading group of historians journalists and public intellectuals Some of the nation s most highly respected liberal minds explore such topics as the classical liberal tradition postmodernism s challenge to the American Enlightenment the civil rights era the influence of twentieth century radicals on American liberalism the 1950s tolerance the cold war and whether liberalism should have a large and aggressive vision One essay considers liberalism in Iran and what American liberals might learn from this movement Fast paced and encompassing such hot button issues as the family and religion here are ringside seat arguments between people who don t often get to engage with one another right leaning liberals like Peter Berkowitz and John Patrick Diggins and leftier liberals like Michael Tomasky and Mona Harrington The result is a lively and stimulating collection that articulates a clear minded alternative to the conservative ascendancy in American history and offers a timely and essential contribution to the growing national debate

**A Guerrilla Odyssey** Peyman Vahabzadeh,2010-05-04 Emerging in the early 1970s the Organization of Iranian People s Fadai Guerrillas OIPFG became one of the most important secular leftist political organizations in Iran Despite their lasting influence and the way in which their efforts helped shape the history of Iran for decades to come little is known about the group A Guerrilla Odyssey presents the first comprehensive examination of the rise and fall of the Fadai urban guerrilla movement in Iran Drawing on exhaustive analyses of the published and unpublished works of the Fadai Guerrillas as well as of archival material and interviews with activists the author demonstrates historically and sociologically the conditions that surrounded the debut and demise of the urban guerrilla warfare that defined Iranian political life in the 1970s Vahabzadeh offers a critique of various aspects of the Fadai s theories of national liberation in an attempt to reconsider the painful relationship among modernization secularism and democracy in contemporary Iran In addition the author details the transformation of the revolutionary social movements of the 1960s and 1970s into the new democratic social movements that emerged in the 1980s onward in the form of today s women s student and youth movements in Iran A Guerrilla Odyssey is a meticulously researched and engrossing narrative that promises to be a major contribution to the field of Iranian history

**Iran's Grand Strategy** Vali Nasr, 2025-05-20 Two pervasive fears of external aggression and internal dissolution have dominated political discourse and state action in Iran for many decades and arguably for centuries This book closely examines these fears how they've shaped political trends in Iran and specifically how they have undergirded the conduct of state actors during both the regime of the Shah the Pahlavi monarchy of the twentieth century and the Islamic Republic since the 1979 revolution Drawing on archival sources in the West and in Iran as well as interviews with key Iranian decision makers both past and present Vali Nasr traces this thread of national security through key modern historical episodes in Iran By viewing modern Iranian history through this lens Nasr argues that decrying the current Iranian regime as a theocracy is a tired rhetorical move and inaccurate as an explanation for how it conducts itself in the world Today's Islamic Republic functions as a modern legal rational nation state It is one that has evolved around a distinct and deeply held view of national interest and national security rooted in both recent and not so recent history Nasr's book will serve as a corrective to a deeply rooted view in policy making circles that the Iranian ruling elite's commitment to Islamic theocracy has driven the country's foreign policy since the time of the revolution

*Foucault in Iran* Behrooz Ghamari-Tabrizi, 2016-08-08 Were the thirteen essays Michel Foucault wrote in 1978 1979 endorsing the Iranian Revolution an aberration of his earlier work or an inevitable pitfall of his stance on Enlightenment rationality as critics have long alleged Behrooz Ghamari-Tabrizi argues that the critics are wrong He declares that Foucault recognized that Iranians were at a threshold and were considering if it were possible to think of dignity justice and liberty outside the cognitive maps and principles of the European Enlightenment Foucault in Iran centers not only on the significance of the great thinker's writings on the revolution but also on the profound mark the event left on his later lectures on ethics spirituality and fearless speech Contemporary events since 9/11 the War on Terror and the Arab Uprisings have made Foucault's essays on the Iranian Revolution more relevant than ever Ghamari-Tabrizi illustrates how Foucault saw in the revolution an instance of his antiteleological philosophy here was an event that did not fit into the normative progressive discourses of history What attracted him to the Iranian Revolution was precisely its ambiguity Theoretically sophisticated and empirically rich this interdisciplinary work will spark a lively debate in its insistence that what informed Foucault's writing was not an effort to understand Islamism but rather his conviction that Enlightenment rationality has not closed the gate of unknown possibilities for human societies

Global 1979 Arang Keshavarzian, Ali Mirsepassi, 2021-07-15 A multi-disciplinary approach placing the 1979 Iranian revolution within global and transnational contexts showing how the revolution became possible and consequential

Iranian Diaspora Literature of Women Leila Samadi Rendy, 2020-08-10 No detailed description available for Iranian Diaspora Literature of Women

Iran and Global Decolonisation Robert Steele, Firoozeh Kashani-Sabet, 2024-04-03 A presentation of scholarly work that investigates Iran's experiences with colonialism and decolonization from a variety of perspectives How did Iran's unique position in the world affect and define its treatment of decolonization During the final decades of Pahlavi rule in the late

1970s the country sought to establish close relationships with newly independent counterparts in the Global South Most scholarly work focused on this period is centered around the Cold War and Iran s relations with the United States Russia and Europe Little attention has been paid to how the country interacted with other regions such as Africa Asia and the Americas Adding to an important and growing body of literature that discusses the profound and lasting impact of decolonization Iran and Global Decolonisation contributes to the theoretical debates around the re shaping of the world brought about by the end of an empire It considers not only the impact of global decolonization on movements and ideas within Iran but also how Iran s own experiences of imperialism shaped how these ideas were received and developed

**The Role, Position and Agency of Cusp States in International Relations** Marc Herzog, Philip Robins, 2014-06-20 This work seeks to develop a new concept with which to analyse the actions and activities of states that tend to be relatively ignored by the discipline of International Relations IR As a discipline IR has a tendency to lean towards the analytically safe Given the current and recent dynamism of the international system that is both surprising and undesirable Arranged around the concept of the idea of the Cusp State and cuspness more generally the book consists of empirical analysis of eight different countries Brazil Iran Israel Japan Mexico Taiwan Turkey and Ukraine defined as states that lie uneasily on the political and or normative edge of what is widely believed to be an established region By focusing on the importance of comparing groups of states like states with high degrees of cuspness this book argues that it is possible to categorise the world in a fresher and more original way and one which covers more of the globe than either a systemic or regionalist approach would do This work will be of great interest to students and scholars of Geopolitics International Security and Regionalism

The Cold War and After Richard Saull, 2007-01-20 The Cold War is often presented as an international power struggle between the Soviet Union and the US Richard Saull challenges this assumption He broadens our understanding of the defining political conflict of the twentieth century by stressing the social and ideological differences of the superpowers and how these differences conditioned their international behaviour Saull argues that US Soviet antagonism was part of a wider conflict between capitalism and communism involving states and social forces other than the superpowers The US was committed to containing revolutionary and communist movements that emerged out of uneven capitalist development In highlighting the socio economic and ideological dimensions of the Cold War Saull not only provides a richer history of the Cold War than mainstream approaches but is also able to explain why revolutionary domestic transformations caused international crises Tracing the origins of new resistance to American global power Saull s book provides an ideal alternative perspective on the Cold War and its end

**To Run the World** Sergey Radchenko, 2024-05-30 Reveals how perennial insecurities delusions of grandeur and desire for recognition propelled Moscow on a headlong quest for global power

**A Companion to U.S. Foreign Relations** Christopher R. W. Dietrich, 2020-03-04 Covers the entire range of the history of U S foreign relations from the colonial period to the beginning of the 21st century A Companion to U S Foreign Relations is an authoritative guide to past and present

scholarship on the history of American diplomacy and foreign relations from its seventeenth century origins to the modern day This two volume reference work presents a collection of historiographical essays by prominent scholars The essays explore three centuries of America s global interactions and the ways U S foreign policies have been analyzed and interpreted over time Scholars offer fresh perspectives on the history of U S foreign relations analyze the causes influences and consequences of major foreign policy decisions and address contemporary debates surrounding the practice of American power The Companion covers a wide variety of methodologies integrating political military economic social and cultural history to explore the ideas and events that shaped U S diplomacy and foreign relations and continue to influence national identity The essays discuss topics such as the links between U S foreign relations and the study of ideology race gender and religion Native American history expansion and imperialism industrialization and modernization domestic and international politics and the United States role in decolonization globalization and the Cold War A comprehensive approach to understanding the history influences and drivers of U S foreign relation this indispensable resource Examines significant foreign policy events and their subsequent interpretations Places key figures and policies in their historical national and international contexts Provides background on recent and current debates in U S foreign policy Explores the historiography and primary sources for each topic Covers the development of diverse themes and methodologies in histories of U S foreign policy Offering scholars teachers and students unmatched chronological breadth and analytical depth A Companion to U S Foreign Relations Colonial Era to the Present is an important contribution to scholarship on the history of America s

interactions with the world Iran Negin Nabavi,2012-08-30 Recent Iranian history has been full of unexpected turns Whether it was the 1979 revolution which resulted in the establishment of the first ever Islamic Republic in the history of the Muslim world the rise to power of the reformist movement in 1997 or the emergence of the Green Movement an opposition movement that took shape spontaneously in the days immediately following the presidential elections in June 2009 the world has been taken unawares at every juncture This book brings together essays that both speculate on the import of the developments of 2009 and shed light on the complexities and the ever changing dynamics of post revolutionary Iran

*Truth and Revolution* Michael Staudenmaier,2012-05-15 A poignant compelling history of one of the most important radical groups you ve never heard of **The Loneliest Revolution** Ali Mirsepassi,2023-03-31 In this first hand account of the Iranian Revolution Mirsepassi deftly weaves together his memories of provincial life and radical activism in 1960s and 1970s Iran with insights gleaned in his subsequent career as a sociologist of Iran *Iran at War* Kaveh Farrokh,2011-12-20 Following on from his award winning book on the history of ancient Persia Kaveh Farrokh goes on to examine Iran s wartime history from the Safavid dynasty of the 16th and 17th century through to the 1979 Revolution and beyond He shows how the early military successes were followed by centuries of defeat as the external influences of nations like Russia and Britain began to shape the internal history of Iran before unraveling the complex violent 20th century military history of the country

which encompasses two world wars regional movements foreign intervention anti government revolts conflicts on the Soviet border a revolution and an eight year war with Iraq Illustrated with contemporary illustrations and photographs this book provides an unparalleled investigation into the bloody martial history of Iran

including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Rebels With A Cause Failure Of The Left In Iran full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rebels With A Cause Failure Of The Left In Iran eBooks, including some popular titles.

### FAQs About Rebels With A Cause Failure Of The Left In Iran Books

**What is a Rebels With A Cause Failure Of The Left In Iran PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Rebels With A Cause Failure Of The Left In Iran PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Rebels With A Cause Failure Of The Left In Iran PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Rebels With A Cause Failure Of The Left In Iran PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Rebels With A Cause Failure Of The Left In Iran PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any

restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
