Rebirthing In The New Age:

Rebirthing in the New Age Leonard Orr, 2007-09 You can create for yourself ongoing health effortless bliss prosperity youthfulness and even total mastery by consciously using the power of your mind and your breath Rebirthing in the New Age describes an innovative technique called rebirthing Rebirthing is a breathing process that does for adults what the Leboyer's birth without violence method does for infants transforming the subconscious impression of birth into a gentle and awakening event This breathing process produces extraordinary results because as one takes in the light all else is revealed and let go of thus one's heart is open to receive love peace and joy The rebirthing technique is augmented by the use of affirmations Thoughts produce effects and we create our happy unhappy world with our own positive negative thoughts The idea behind affirmations is to imprint positive thoughts regarding desired changes into the consciousness through autosuggestion using the emotional response technique The Mind and the Breath are the king and queen of human consciousness Leonard Orr Since the Rebirthing Movement started in 1974 it has spread all around the globe to over ten million people from all walks of life *Therapeutic Voicework* Paul Newham, 1998 Based on Paul Newham's experience as a voice therapist and on his work running a professional training course in the psychotherapeutic use of singing this text explores both the theory and practice behind the use of voice and singing in expressive arts therapy *The Concise Guide to Today's Religions and Spirituality* James K.
