L'if et la rose Mary Westmacott, *The Rose and the Yew Tree* Mary Westmacott, 1978 *The Ground of Our Beseeking* Peter Sharpe, 2004 The Ground of Our Beseeking Metaphor and the Poetics of Meditation describes the signature styles of meditation in three American poets and shows how each generated language out of spiritual yearning The author's inquiry in this area grew out of an interest in the interplay of creativity language and religion and a need to know as both critic and practicing poet how metaphor arises particularly in the context of poetry which hearkens after the sacred How far in other words has metaphor taken some of our central poets T S Eliot Wallace Stevens and Theodore Roethke in matters of belief No other critique of American poetry prior to this study has systematically linked the idea of the sacred with the practice of metaphor Nor has a compelling case been made until now for viewing meditation a style of thinking close to prayer as the source or ground of these poets BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Thomas Stearns Eliot: Poet A. David Moody, 1994 A carefully revised and corrected second edition of a classic book on our century's best known poet An important and original study which admirably generates fresh thought about Eliot Journal of American Studies *Agatha Christie* Gillian Gill, 2016-12-08 In this sensitive and revealing biography of Agatha Christie Gillian Gill probes the mysterious private life and motivations of one of the bestselling authors of all time and discovers a brilliant and eccentric woman whose passionate search for success was balanced by an obsession with privacy The break up of Agatha's first marriage to Archibald Christie and her subsequent ten day disappearance had made headline news Feeling hunted and wounded by the press Christie determined never again to let them into her private life Instead she developed a public persona seemingly tongue tied and dull which ensured the journalists and the public would let her be This successful strategy helped to account for a happy second marriage and family life as well as an astonishing literary productivity Skillfully weaving the details of Christie's life with the plots and characters of her mystery novels Gillian

Gill uncovers the flesh and blood woman behind the popular and celebrated Marple like image and establishes Agatha Christie as a unique and determined person whose fictional creations sparked the imagination of millions around the world
