W. Pope, John Nauright, 2009-12-17 This

book describes how the field of sports history has matured dramatically over the past decade and expands on what this means for sports historians today The specially commissioned essays addressing a range of thematic and regional contexts that make up this companion make it a uniquely valuable resource *Music and Moral Management in the Nineteenth-Century English Lunatic Asylum* Rosemary Golding, 2021-09-01 This book traces the role played by music within asylums the participation of staff and patients in musical activity and the links drawn between music health and wellbeing In the first part of the book the author draws on a wide range of sources to investigate the debates around moral management entertainment and music for patients as well as the wider context of music and mental health In the second part a series of case studies bring to life the characters and contexts involved in asylum music selected from a range of public and private institutions From asylum bands to chapel choirs smoking concerts to orchestras the rich variety of musical activity presents new perspectives on music in everyday life Aspects such as employment practices musicians networks and the purchase and maintenance of musical instruments illuminate the business of music as part of moral management As a source of entertainment and occupation a means of solace and self control and as a device for social gatherings and contact with the outside world the place of music in the asylum offers valuable insight into its uses and meanings in nineteenth century England *Acquired Tastes* Benjamin R. Cohen, Michael S. Kideckel, Anna Zeide, 2021-08-17 How modern food helped make modern society between 1870 and 1930 stories of power and food from bananas and beer to bread and fake meat The modern way of eating our taste for food that is processed packaged and advertised has its roots as far back as the 1870s Many food writers trace our eating habits to World War II but this book shows that our current food system began to coalesce much earlier Modern food came from and helped to create a society based on racial hierarchies colonization and global integration *Acquired Tastes* explores these themes through a series of moments in food history stories of bread beer sugar canned food cereal bananas and more that shaped how we think about food today Contributors consider the displacement of native peoples for agricultural development the invention of Pilsner the first international beer style the long con of gilded sugar and corn syrup Josephine Baker s banana skirt and the rise of celebrity tastemakers and faith in institutions and experts who produced among other things food rankings and fake meat *The Colonial World* Robert Aldrich, Andreas Stucki, 2022-12-29 *The Colonial World A History of European Empires 1780s to the Present* provides the most authoritative in depth overview on European imperialism available It synthesizes recent developments in the study of European empires and provides new perspectives on European colonialism and the challenges to it With a post 1800 focus and extensive background coverage tracing the subject to the early 1700s the book charts the rise and eclipse of European empires Robert Aldrich and Andreas Stucki integrate innovative approaches and findings from the new imperial history and look at both the colonial era and the legacies it left behind for countries around the world after they gained independence Dividing the text into three complementary sections Aldrich and Stucki offer an original approach to the subject that allows

you to explore Different eras of colonisation and decolonisation from early modern European colonialism to the present day Overarching themes in colonial history like land and sea the body and representations of colonialism A global range of snapshot colonial case studies such as Peru 1780 India 1876 The South Pacific 1903 the Dutch East Indies 1938 and the Portuguese empire in Africa 1971 This is the essential text for anyone seeking to understand the nature and complexities of modern European imperialism and its aftermath **British Children's Literature of the 19th Century** Patrick C.

Fleming, 2025-02-13 Many beloved classics of children's literature including Alice's Adventures in Wonderland Peter Pan and The Tale of Peter Rabbit were written at the end of the nineteenth century an era known as the Golden Age of children's literature Notable figures like William Godwin Harriet Martineau Christina Rossetti and Charles Dickens contributed to children's literature while juvenile periodicals first appeared to young readers during this time This is the first comprehensive reference work about the Golden Age of children's literature and the emergence of juvenile literature as a major publishing phenomenon Alphabetical entries include foundational figures like Sarah Trimmer Maria Edgeworth and Mary Martha Sherwood who helped establish the market for children's literature New genres for the time like the moral tale religious fiction children's poetry school stories and prolific authors like Hesba Stretton L T Meade and G A Henty are also included **Brass Bands of the British Isles 1800-2018 - a historical directory** Gavin Holman, Of the many brass

bands that have flourished in Britain and Ireland over the last 200 years very few have documented records covering their history This directory is an attempt to collect together information about such bands and make it available to all Over 19 600 bands are recorded here with some 10 600 additional cross references for alternative or previous names This volume supersedes the earlier British Brass Bands a Historical Directory 2016 and includes some 1 400 bands from the island of Ireland A separate work is in preparation covering brass bands beyond the British Isles A separate appendix lists the brass bands in each county [Book Review Index](#), 2006 Every 3rd issue is a quarterly cumulation
