

Довідник містить перелік основних міжнародних організацій, які надають підтримку органам місцевого самоврядування, недержавним організаціям, ініціативним групам. Основна увага у збірці приділена актуальним проектам підтримки міжнародними організаціями України у сфері децентралізації та регіональної політики. Ця інформація може бути корисна перш за все муніципалітетам, а також усім, хто цікавиться участю міжнародної спільноти у здійсненні реформування в Україні.

Проекти міжнародних донорів дозволяють не тільки ориєнтувати рух українських громад до європейських стандартів, формують міцне громадянське суспільство, але й безпосередньою технічною допомогою допомагають крок за кроком покращувати інфраструктуру міст. На жаль, в Україні не так багато громад усвідомлюють ті можливості, які наразі існують. Довідник показує весь спектр таких резервів та покликаний підготувати муніципалітети до залучення донорських коштів на розвиток населених пунктів.
