Robbins,2018-08-21 A brilliant book based on a brilliant and true concept TUCKER CARLSON Remember America There may come a time when no one will There will be no monuments to American heroes no stories that will praise them The United States will have become a dark chapter in human history best forgotten In *Erasing America Destroying Our Future by Erasing Our Past* releasing August 21st James Robbins reveals that the radical Left controls education the media and the Democratic party and they seek to demean demolish and relentlessly attack America s past in order to control America s present This toxic movement has already brainwashed an entire generation and is rapidly changing the cultural historical and spiritual bonds of our nation American exceptionalism history and patriotism are a magnificent legacy Robbins warns but to pass it on to our children we must view the past with understanding the present with gratitude and the future with hope Wondering if it s really that bad Here are some facts you ll learn in *Erasing America* At Yale residential Calhoun College is being renamed after students complained about the pro slavery sentiments of John C Calhoun In Massachusetts Simmons College claims saying God bless you is an Islamophobic microaggression In Virginia school districts seek to ban *To Kill a Mockingbird* and *The Adventures of Huckleberry Finn* because parents complained about the racial slurs in the books Across the country Christmas songs and movies are labelled as racist and sexist and banned In California a San Francisco school district wants to rename George Washington High School because our first president owned slaves In Arkansas a monument engraved with the Ten Commandments was smashed to smithereens by
