Handbook of Literary Apologetics Thomas L. Martin, 2025-08-18 Literature's probative force travels across the realm of sense in this world to what lies beyond it When we speak of what is beyond our grasp in this world we think most immediately of the world of the spirit Shakespeare famously celebrates literature's power to explore the forms of things unknown How many great works of literature guide us through a familiar world to the edge of the spiritual unknown Not only Shakespeare but Dante Milton Dostoevsky Hopkins Eliot O'Connor and many others in these pages carry us there This book follows their quest Literary apologetics is the study of the characteristic moves by the authors who take readers on their journey of faith with them Most notably that tradition begins with Latin authors spreads across Europe in a continuous literary culture and extends over world literature to the present day While early apologetics is proclamation rhetoric philosophy and poetry above all it is witness to the faith manifesting itself in time The early faith community produces a distinct literary culture as Christian witness takes all these forms and more From then until now this kind of literature probes ultimate questions adumbrates numinous experience and extrapolates ethical outcomes of Christian teachings across a wide variety of literary forms The Handbook of Literary Apologetics provides an authoritative introduction to the scope of this tradition and its major figures

Contemporary Foundations for Teaching English as an Additional Language Polina Vinogradova, Joan Kang Shin, 2020-10-29 This engaging volume on English as an Additional Language EAL argues persuasively for the importance of critical participatory pedagogies that embrace multilingualism and multimodality in the field of TESOL It highlights the role of the TESOL profession in teaching for social justice and advocacy and explores how critical participatory pedagogies translate into English language teaching and teacher education around the world Bringing together diverse scholars in the field and practicing English language teachers editors Polina Vinogradova and Joan Kang Shin present 10 thematically organized units that demonstrate that language teaching pedagogy must be embedded in the larger sociocultural contexts of teaching and learning to be successful Each unit covers one pedagogical approach and includes three case studies to illustrate how English language teachers across the world implement these approaches in their classrooms The chapters are supplemented by discussion questions and a range of practical sources for further exploration Addressing established and emerging areas of TESOL topics covered include Critical and postmethod pedagogies Translingualism Digital literacy and multiliteracies Culturally responsive pedagogy Advocacy Featuring educators

implementing innovative approaches in primary secondary and tertiary contexts across borders Contemporary Foundations for Teaching English as an Additional Language is an ideal text for methods and foundational courses in TESOL and will appeal to in service and preservice English language teachers as well as students and teacher educators in TESOL and applied linguistics
