The Pain in the Promise Nikki J, 2012-06-27 Nikki was a bright and precocious child that loved her mom and siblings Due to circumstances that she couldn't control she ended up in foster care There she experienced all sorts of abuse and fell victim to the system that should have protected her Not long after adoption a spiral of events led to the climatic throw down that forever changed the course of her life Take the journey with her back to the beginning as she endured the pain of abuse and the instability of foster care while staying determined to live in the promise of knowing that God will never leave you or forsake you That if you hold on keep the faith and keep hope He always has something better According to most statistics Nikki J should be a neglectful mother of at least three children incarcerated a high school dropout or dead But fortunately for the world she's just too darn stubborn to do what anybody says She decided to write this book instead Take the ride to the beginning as against all odds Nikki hangs on long enough for her promise to arrive Determined not to let her hurt pain anger and disappointment determine her future here's her incredible story of forgiveness unbelievable strength hope perseverance and faith Allow her experiences to spark change so no matter what your pain is you keep faith in your promise
