Interpreting Bonhoeffer Clifford J. Green, Guy C. Carter, 2013-10-01

In the early twenty-first century interest in the life and work of Dietrich Bonhoeffer is increasing significantly. In this environment how should we understand and interpret Bonhoeffer? Interpreting Bonhoeffer explores the many questions surrounding the complexities of Bonhoeffer's life, work and historical context and what they might mean for how we understand and interpret Bonhoeffer now and in the future.

Sacred Nature Jerome A. Stone, 2017-06-26

Sacred Nature examines the crisis of environmental degradation through the prism of religious naturalism which seeks rich spiritual engagement in a world without a god. Jerome Stone introduces students to the growing field of religious naturalism exploring a series of questions about how it addresses the environmental crises evaluating the merits of public prophetic discourse that uses the language of spirituality. He presents and defends the concept of religious naturalism while drawing out the implications of religious naturalism for addressing some of the major environmental issues facing humans today. This book is designed for undergraduate and graduate students as well as scholars specializing in contemporary religious thought or environmental studies.

Bernard Eugene Meland's Unpublished Papers John N. Gaston, 2012-12-18

Bernard Eugene Meland 1899-1993 was a leader in the pragmatic tradition of constructive theology associated with the University of Chicago. This volume contains more than forty-six previously unpublished lectures, reports

and other personal documents that Meland wrote at various times between 1937 and 1979 It is a companion volume to W Creighton Peden's book *Life and Thought of Bernard Eugene Meland American Constructive Theologian 1899-1993* and is intended to give the reader a deeper understanding of Meland's methods and thought

Religion Robert Cummings Neville, 2015-01-08 Religion is the third and final volume in Robert Cummings Neville's systematic development of a new philosophical theology Unfolding through his earlier volumes *Ultimates* and *Existence* and now in *Religion* philosophical theology considers first order questions generally treated by religious traditions through philosophical methods while reflecting Neville's long engagement with philosophy theology and Eastern and Western religious traditions In this capstone to the trilogy Neville provides a theory of religion and presents a sacred worldview to guide religious participation His philosophical theory of value enlightens religions approaches to ethics spirituality and religious institutional living and collaboration With a detailed examination of plausibility conditions for sacred worldviews the book concludes with an exploration of religionless religion for which institutions of religion are of penultimate value Through the development of philosophical theology Neville has built a unique multidisciplinary comparative nonconfessional theological system one that addresses concerns and provides tools for scientific and humanistic scholars of religion postmodern thinkers intellectuals from both secular and religious backgrounds and those interested in the global state of religion today

Taking Religious Claims Seriously Warren E. Steinkraus, 2022-07-18 *Taking Religious Claims Seriously* is a systematic critical and comprehensive study of the fundamental questions of the philosophy of religion religious experience the existence and nature of God religious knowledge and truth good and evil immortality of the soul religious diversity religious claims about the person faith and the religious way of life In this study the author seeks to capture the reality and meaning of the religious as such What is the foundation of religion Under what conditions is an authentic religious way of life possible His method of inquiry is phenomenological The author begins his discussion with a general characterization of the basic features of all the literate and illiterate religions of the world He then identifies the ideas beliefs and concerns which are common to these religions What are the central claims of these religions How did the various religions understand these claims The author makes a serious attempt to clarify these claims and explore the possibility for a reconciliation between them For him the foundation of religion is the religious experience and the essence of this experience consists in a serious cognitive and meaningful encounter with the Ultimate Being This being is the ground of the world and human life This book is a comparative pluralistic study of the philosophy of religion

At Home in Creativity Bruce Southworth, 1995 For many religious liberals Henry Nelson Wieman 1884-1975 saved theology from the secular modernist and the conservative Barthians of his time Southworth traces Wieman's life and the events that shaped his philosophy

Process Theology as Political Theology John B. Cobb, 2016-07-21 The movement of process theology is brought into creative interaction with political theology in this exciting new work by distinguished author John B Cobb Jr Confronted with the critical problems

facing the global environment the author seeks to overcome the abstractness that has kept process thought from achieving practical influence Cobb reviews contemporary political theology in the works of major European theologians Johann Baptist Metz Jürgen Moltmann and Dorothee Sölle then surveys the movement in recent German theology He examines the challenge of political theology in the tradition of the Chicago school and advocates broadening the horizons of political theology into the formulation of an ecological rather than a sociological theology Process Theology as Political Theology responds to the challenge of providing a theological base for the Christian activist Pastors seminarians and students will find it to be a stimulating evolutionary work derived from the author's concern for the planet earth *Philosophy of Religion*, 2013-08-05

Philosophy of Religion The Basics offers a concise introduction to philosophy of religion distilling key discussions and concepts of the subject to their succinct essence providing a truly accessible entry into the subject A truly accessible introduction to philosophy of religion for beginners Takes a topical approach starting with the nature of religion and moving the reader through the major concepts explaining how topics connect and point to one another Offers a thorough and full treatment of diverse conceptions of God the ontological argument and divine attributes and dilemmas A genuinely concise introduction this text can be used alongside other resources without overtaxing students Represents 30 years of experience teaching to undergraduates Includes a free downloadable file with key excerpts and additions to help students study *In an Inescapable Network of Mutuality* Lewis V. Baldwin, Paul R. Dekar, 2013-08-30

The scholarship on Martin Luther King Jr has too often cast him in the image of the Southern black preacher and the American Gandhi while ignoring or trivializing his global connections and significance This groundbreaking work written by scholars religious leaders and activists of different backgrounds addresses this glaring pattern of neglect in King studies King is treated here as both a global figure and a forerunner of much of what is currently associated with contemporary globalization theory and praxis The contributors to this volume agree that King must be understood not only as a thinker visionary and social change agent in his own historical context but also in terms of his meaning for the different generations who still appeal to him as an authority inspiration and model of exemplary service to humanity The task of engaging King both in context and beyond context is fulfilled in remarkable ways in this volume without doing essential violence to this phenomenal figure **Letting Go** Roy D.
