Neighbouring Eyes A Tale Of 1951:

Neighbouring Eyes Richard Cody, John Offord, 2004-11-01 **Neighbouring Eyes** Richard Cody, 2004-11-22 **Perfect Witness** Richard Cody, 2009-12-04 Why shouldn't those Baltic provinces stew in their own juice for a while says Stalin not long before dying in office The President of the Baltic Peoples Republic Marshal Jurgis Tievas after an ill fated visit to socialist Britain returns to Gdains to find himself besieged by domestic enemies Nor is he comforted by being an impostor the double of the Marshal who was inadvertently killed in Britain Seven of his entourage know his secret Now his beloved niece Valija invites two of their British friends Elizabeth Templeton and Michael Brenan to stay who may or may not know the secret **Book Review Digest** Leslie Dunmore-Leiber, 1976 Stanley Park Story Jeff Goulding, 2018-10-22 Stanley Park Story Life Love and the Merseyside Derby charts the recent history of the longest continuous running derby game in English football Liverpool and Everton have now contested the fixture every season since 1962 Using a mixture of fact fiction and personal experience Jeff Goulding has crafted a compelling tale spanning three generations of two families Red and Blue Their lives become intricately woven together through 50 years of this unique sporting rivalry The story explores the changing fortunes of each team and the relationship between the two sets of supporters which evolves over the years The life and times of Jimmy a Blue and Tommy a Red form the basis of the drama which unfolds against a backdrop of thrilling sporting encounters social and political upheaval and catastrophe Ultimately the story is one of a love so strong it reaches across the park to forge a timeless bond between the two families **Partition's Legacies** Joya Chatterji, 2021-01-01 Partition's Legacies offers a selection of Joya Chatterji's finest and most influential essays Partition nation making frontiers refugees minority formation and categories of citizenship have been my preoccupations she writes in the preface and these are also the major themes of this book Chatterji's first book Bengal Divided shifted the focus from Muslim fanaticism as the driving force of Partition towards secular nationalism and Hindu aggression Her Spoils of Partition rejected the idea of Partition as a breaking apart showing it to be a process in the remaking of society and state Her third book Bengal Diaspora cowritten with Claire Alexander and Annu Jalais challenged the idea of migration and resettlement as exceptional situations Partition's Legacies can be seen as continuous with Chatterji's earlier work as well as a distillation and expansion of it Chatterji is known for the elegance of her prose as much as for the sharpness of her insights into Indian history and Partition's Legacies will enthrall everyone interested in modern India's apocalyptic past What emerges from the essays David Washbrook writes in the introduction is often quite startling The demarcation of Partition followed no master plan or even coherent strategy but was made up of myriad ad hoc decisions taken on the ground often by obscure actors Refugee policy immigrant rights and even definitions of national citizenship were produced by no deus ex machina but out of day to day struggles on the streets and in the courts *The Birds of Africa: Volume VI*, 2020-06-25 This is the sixth volume in the Birds of Africa series covering the rich avifauna of the world's second largest continent Universally recognised as by far the most

authoritative work ever published on the subject *The Birds of Africa* is a superb multi contributor reference work with encyclopaedic species texts stunning paintings of all species and numerous subspecies hundreds of informative line drawings detailed range maps and extensive bibliographies Each volume contains an Introduction that brings the reader up to date with the latest developments in African ornithology including the evolution and biogeography of African birds Diagnoses of the families and genera often with superspecies maps are followed by the comprehensive species accounts themselves These include descriptions of range and status field characters voice general habits food and breeding habits Full bibliographies acoustic references and indexes complete this scholarly work of reference This sixth volume in the series deals comprehensively with picathartes babblers long tailed tits tits penduline tits nuthatches creepers sunbirds white eyes sugarbirds true shrikes bush shrikes bulbuls helmet shrikes orioles drongos crows starlings and oxpeckers The editors and artists have worked closely with other authors all acknowledged experts in their field to produce a superb reference in which comprehensive texts on every species are complemented by accurate and detailed paintings and drawings of the birds themselves

Mammals of Maryland John L. Paradiso,1969

The Mammals of Ancient Egypt Dale J. Osborn,Jana Osbornová,2024-06-15 Various attempts have been made to systematize the mammals depicted in Egyptian tomb paintings inscriptions carvings figurines and other objects and as mummies but there are many discrepancies variable spellings and names including now obsolete Latin names and mis identifications The Egyptian artists themselves sometimes used the wrong hieroglyph or drew some parts of animals incorrectly Dale Osborn s comprehensive reassessment presented here in a facsimile reissue

catalogues around 100 separate species ranging from hedgehogs to hippopotami Anubis Baboons to Zebu cattle that can be identified in Egyptian art from prehistoric through Pre Dynastic to Late Kingdom times Profusely illustrated the catalogue is arranged by Order then species each entry providing the relevant hieroglyph a brief description of the animal its natural habitat and distribution and a narrative on its depiction in Egyptian art through time by location types of illustration or object and context tomb etc Known errors and discrepancies either in original scripts or classical and or modern literature are listed Mammals are abundantly depicted in tomb paintings and inscriptions Common scenes include hunts processions wild animals being led on chains domesticated animals in household and working environments and satirical scenes Such scenes provide many insights into the lives of Egyptians and their relationships with animals that are further enhanced by many decorative figurines and statues and often poignantly by the mummies of mostly small animals including cats and dogs

Snakes, People, and Spirits, Volume One Robert Hazel, 2019-11-05 This two volume publication offers an in depth analysis of ophidian symbolism in Eastern Africa while setting the topic within its regional and historical context namely with regards to the rest of Africa ancient Egypt and Mesopotamia the Greek world ancient Palestine Arabia India and medieval and pre Christian Europe Through the ages most of those areas have connected with Eastern Africa in a broad sense where ophidian symbolism was as rampant and far reaching if not more so as anywhere else on the continent and perhaps in past civilisations Much as in the wider context snakes were held to be long lived closely related to holes caverns trees and water life and death and credited with a liking for milk Even though ophidian symbolism has always been developed out of the outstanding biological and ethological features of snakes the process of symbolisation which plays a crucial role in the elaboration of cultural systems and the shaping of human experience was inevitably at work This first volume deals with snakes as a zoological category snake symbolism as perceived by encyclopaedists and psychologists and ophidian symbolism as it occurred in ancient civilisations It explores the traditional African scene in general with a view to set the scene for a more proximate baseline for comparison The divide between animals and humans was porous and snakes had a more or less equal footing in both the animal realm and the spiritual world Key features of snake symbolism in traditional Eastern Africa are then examined in detail especially phantasmagorical snakes the rainbow serpent snake totems and snake related witches and ritual leaders among others In Eastern Africa the meanings attributed to snakes were multifaceted and paradoxical Overall the two volumes of this publication show that African snake symbolism broadly echoed the diverse representations of ancient civilisations The widely acknowledged assimilation of snakes to death and Evil is therefore unrepresentative both historically and culturally

Dictionary of Newfoundland English W.J. Kirwin, G. M. Story, J.D.A. Widdowson, 1990-11-01 The Dictionary of Newfoundland English first published in 1982 to regional national and international acclaim is a historical dictionary that gives the pronunciations and definitions for words that the editors have called Newfoundland English The varieties of English spoken in Newfoundland date back four centuries mainly to the early seventeenth century migratory

English fishermen of Cornwall Devon Dorset and Somerset and to the seventeenth to the nineteenth century immigrants chiefly from southeastern Ireland Culled from a vast reading of books newspapers and magazines this book is the most sustained reading ever undertaken of the written words of this province The dictionary gives not only the meaning of words but also presents each word with its variant spellings Moreover each definition is succeeded by an all important quotation of usage which illustrates the typical context in which word is used This well researched impressive work of scholarship illustrates how words and phrases have evolved and are used in everyday speech and writing in a specific geographical area The Dictionary of Newfoundland English is one of the most important comprehensive and thorough works dealing with Newfoundland Its publication a great addition to Newfoundlandia Canadiana and lexicography provides more than a regional lexicon In fact this entertaining and delightful book presents a panoramic view of the social cultural and natural history as well as the geography and economics of the quintessential lifestyle of one of Canada s oldest European settled areas This second edition contains a supplement offering approximately 1500 new or expanded entries an increase of more than 30 per cent over the first edition Besides new words the supplement includes modified and additional senses of old words and fresh derivations and usages

Birds New to Britain and Ireland J.T.R. Sharrock,P. J. Grant,2010-11-30 The 83 species featured in this book in date sequence of discovery had not been recorded in Britain or Ireland before 1946 The original accounts of the sightings published in issues of British Birds between 1947 and 1982 are now reprinted and supplemented with comment by Dr Sharrock on subsequent occurrences and current status In addition Peter Grant provides identification notes drawing attention to points not covered in the original accounts There is also a world distribution map for each species and a line illustration to head each of the accounts At the end of the book a section of plates reproduces 81 first sighting photographs covering 32 of the species in the book

Filming Literature Neil Sinyard,2013-07-18 This is a comprehensive survey of the relationship between film and literature It looks at the cinematic adaptations of such literary masters as Shakespeare Henry James Joseph Conrad and D H Lawrence and considers the contribution to the cinema made by important literary figures as Harold Pinter James Agree and Graham Greene Elsewhere the book draws intriguing analogies between certain literary and film artists such as Dickens and Chaplin Ford and Twain and suggests that such analogies can throw fresh light on the subjects under review Another chapter considers the film genre of the bio pic the numerous cinematic attempts to render in concrete terms the complexities of the literary life whether the writer be Proust Joyce Oscar Wilde Dashiell Hammett Agatha Christie or Boris Pasternak Originally published in 1986 this is a book to appeal to any reader with an interest in film or literature and is of especial value to those involved in the teaching or study of either subject

The A to Z of Australian Radio and Television Albert Moran,Chris Keating,2009-08-04 Australians have become increasingly visible outside of the country as speakers and actors in radio and television their media moguls have frequently bought up foreign companies and people around the world have been able to enjoy such Australian productions as The Flying Doctors

Neighbours and Kath and Kim The origins early development and later adaptations of radio and television show how Australia has gone from being a minor and rather parochial player to being a significant part of the international scene The A to Z of Australian Radio and Television provides essential facts and information concerning the Australian radio and television industry This is accomplished through the use of a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on directors producers writers actors television and radio series and television and radio stations

Shake Hands With the Devil Romeo Dallaire, 2009-02-24 On the tenth anniversary of the date that UN peacekeepers landed in Rwanda Random House Canada is proud to publish the unforgettable first hand account of the genocide by the man who led the UN mission Digging deep into shattering memories General Dallaire has written a powerful story of betrayal na vet racism and international politics His message is simple and undeniable Never again When Lt Gen Rom o Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993 he thought he was heading off on a modest and straightforward peacekeeping mission Thirteen months later he flew home from Africa broken disillusioned and suicidal having witnessed the slaughter of 800 000 Rwandans in only a hundred days In Shake Hands with the Devil he takes the reader with him on a return voyage into the hell of Rwanda vividly recreating the events the international community turned its back on This book is an unsparing eyewitness account of the failure by humanity to stop the genocide despite timely warnings Woven through the story of this disastrous mission is Dallaire s own journey from confident Cold Warrior to devastated UN commander to retired general engaged in a painful struggle to find a measure of peace reconciliation and hope This book is General Dallaire s personal account of his conversion from a man certain of his worth and secure in his assumptions to a man conscious of his own weaknesses and failures and critical of the institutions he d relied on It might not sit easily with standard ideas of military leadership but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world s dirty wars Excerpt from Shake Hands with the Devil My story is not a strictly military account nor a clinical academic study of the breakdown of Rwanda It is not a simplistic indictment of the many failures of the UN as a force for peace in the world It is not a story of heroes and villains although such a work could easily be written This book is a cri de coeur for the slaughtered thousands a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace Instead we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect

Argentine Perspectives on the Falklands War Nicholas van der Bijl, 2023-09-14 A new assessment of the Falklands War from the Argentine perspective In 1982 the United Kingdom and Argentina fought a war over an historical disagreement over the colonial ownership or rights over the Falkland Islands Within months of the Argentinian defeat General Edgardo Calvi then the Argentine Head of the Army Joint Chief of

Staff was instructed to undertake a wide ranging and formal inquiry to investigate the performance of the Argentine Army during the Falklands. Calvi concluded that while the Army had the motivation it lacked the organization, equipment, training and ability to oppose an army capable of operating in a variety of environments. The war exposed political, military and public weaknesses in a period of considerable internal unrest during the seven years of the Dirty War. Several senior officers who fought in the Falklands were imprisoned for offenses committed during the Dirty War. Secrecy and political disagreements isolated the Service chiefs of staff from the logistic and operational planning. This book tells the story of the Falklands War from the Argentine Army perspective.
