Layman's Christology of the Pentateuch Pastor David L. Carpenter, Jr.,2014-04-10 The book was written in light of the many challenges I faced as a student in seminary I found it quite difficult to find books on simple Christology Not only were the numbers of available Christological books few but when I did find books they represented very little Christology and referenced much theology and unnecessary reading What I needed was a resource with reference to help me out and not a scholarly work that embedded denominational values I needed a book that condensed many different Christological viewpoints into an easy to read resource that was practical applicable and with cross reference information That is why I penned this book The book is an assimilation of my Christological studies with secondary resources Therefore the book is short rich in information and short in explanation intentionally done as a reference resource The book is intended to stimulate the undergraduate and graduate student The book has been very useful for some of my friends regarding Bible study and Sunday morning sermons The resource is well displayed in the table of contents and easy to understand The book gives examples of Christological studies throughout the Pentateuch The book is by no means an exhaustive resource but one that lifts the fingerprints of Christ's presence in the OT while still allowing for the reader to make their own Christological discoveries **Defined by Moments** Joel E. Medley,2020-07-01

Defined by Moments breaks down the life of Gideon into 13 critical decisions that either advanced or diminished his leadership Defining moments are not the grand successes or failures for which we are remembered but are the moments hardly noticed by others that create those public milestones Gideon's story is compelling in that he offers a balanced picture of leadership's highs and lows This book will challenge the interpretive notion that Gideon was a coward by arguing that he was an ordinary faith challenged leader whose defining moments shaped him Every decision matters and you will learn strategies to help recognize and act upon your defining moments A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31

The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views

theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease Acts The Holy Spirit at Work Practical Christianity Foundation,2020-08-08 The Holy Spirit at work The Gospel is spreading In this powerful narrative Luke records specific historical events marking the crucial moments of transition from Jesus physical departure from earth ascension to the coming of the Holy Spirit to earth focusing on the commission of the apostles and the beginning of the ministry of the Church of Jesus Christ in spreading the Gospel beyond Jerusalem to the ends of the world Luke outlines an investigative historical narrative detailing the works of the Holy Spirit through the apostles primarily Peter Stephen and Paul Although Luke s narrative was addressed to an individual Acts 1 1 it is equally relevant to the Church of Jesus Christ across the ages This verse by verse devotional study complete with engaging commentary and practical life applications will renew your appreciation of the grace of God in your own life and challenge you to pursue a closer walk with Christ As you embark on this journey surrender yourself to the living Word of God to inspire you to share the fundamental message of the gospel with others we are reconciled to the Father not by our works but only by the sacrifice of Jesus Christ This extensive Devotional Commentary candidly addresses various controversial issues and offers challenging devotional thoughts and precepts assuring the redeemed and warning the unsaved about the unchanging Truth of God s Holy Word May we heed the words of Christ and open our ears to hear what the Spirit says to the churches

Elder Governance Daniel Evans,Joseph Godwin,2011-03-07 When the leadership of Patterson Park Church looked for a book explaining the process of transitioning from a board run church to an elder led form of church government a structure

they had come to believe was more in line with Scripture they found none God honored their efforts and two of their elders decided a book still needed to be written Elder Governance Insights into Making the Transition examines church government from a biblical and historical context and tells the story of Patterson Park s transition The authors are hopeful that God will use their experience to help others considering such a transition Breakthrough - Women's Bible Study Participant Workbook Barb Roose,2021-04-06 Let go of feeling like you are not a good enough Christian and find freedom in Christ by studying Paul s letter to the Galatians in Breakthrough by Barb Roose Have you ever felt that being a good Christian means you ve got to follow a bunch of rules and measure up If so you aren t alone In this six week Bible study of Galatians Barb Roose shows us that even the believers in the early church struggled to let go of rule keeping and performance in order to embrace God s free gift of grace In his letter to the Galatians Paul pours out his heart and faith to set them straight addressing so many of the same questions and problems we still face today such as Who has led you to believe you have to follow rules and measure up Why do you think you have to be perfect for God Does God only show up or love you when you get it right If you ve ever struggled with these questions or felt trapped by rules or religion this study will provide a path to discover your freedom in Christ Through this study women will learn to Stop trying to measure up and embrace God s grace Distinguish between lies and truth Embrace God s promise of freedom Components for this six week Bible study each available separately include a Participant Workbook a Leader Guide and video sessions with six 25 minute segments with closed captioning **Why Christians Should Not Tithe** James D. Quiggle,2009-08-01 The premise of Why Christians Should Not Tithe is simple God having freed his people from the Law through faith in Jesus Christ does not place on them a burden from the Law The thesis is equally as simple Christian giving is not a tithe Christ challenges the believer to give himself and his possessions to the gospel cause but the tithe fixes a limit and implies nothing more is needed Why Christians Should Not Tithe is a thorough discussion of the four tithes in Moses Law Jesus comments on tithing and the twenty one principles of giving developed by the apostles in Acts and the epistles Included is a brief review of the history of tithing from post apostolic times to the present The book concludes with a new paradigm for giving not based on the tithe but on the apostles doctrine of Christian giving Should Christians tithe to support the gospel Here is a study that will help every Christian discover the biblical answer for him or her self The Sheep and the Goats Chad Venters,2022-08-09 Chad Venters argues that Psalm 80 Psalm 79 LXX is an important source for the composition of Matthew 25 31 46 Psalm 80 provides a religio political background for understanding the devastation facing Israel at the hands of the Romans Viewing Psalm 80 as a source for Matthew 25 31 46 accounts for the diversity of images found in the Sheep and the Goats and provides further insight into the meaning of the passage Venters s reading of the Sheep and the Goats contends that the story is not focused on world ending judgment but a cataclysmic shift in which Yahweh s vineyard has been taken from Israel and given to the church and the nations This book augments the larger corpus of Matthean studies contributing to the less

prominent research of Psalm 80 as an influential text for multiple passages in the New Testament and other first century literature Various studies have proposed the prevalence of Psalm 80 through scriptural echoes and allusions in the New Testament Venters seeks to solidify these hypotheses in favor of Psalm 80 as an important background text for the New Testament Gospels *Jesus in the Church's Gospels* John Henry Paul Reumann,1968 *Daniel In God I Trust* Practical Christianity Foundation,2020-08-08 In God I trust The prophet Daniel was a man both tested and exalted His commitment to the Lord God Almighty never fluctuated He relied upon God for both life saving miracles and the smallest of provisions In this intriguing book we will examine this one man s unwavering faith in his God beginning from the time that he arrived in Babylon as a young Jew and continuing throughout his years of service under the authority of several kings and kingdoms There is perhaps no better example of godly faith dependency trust and worship than in the character of the prophet Daniel He was faithful to God and commendable before men This chapter by chapter and verse by verse exegesis of the wonderful prophetic work of Daniel in itself one of the most readable books of the Bible is a triumph This major collaborative undertaking provides a format for devotional study that challenges any other work of its kind For any reader with a thirst for irrefutable Bible knowledge this scholarly but practical approach to the study of Daniel is enthusiastically recommended The Late Dr James Kennedy Ph D Senior Minister Coral Ridge Presbyterian Church **The Theory of Creation** Jim Schicatano,2001-10 Can the Biblical account of creation be reconciled with current scientific beliefs For over a century the Holy Bible s story of creation has come under considerable scrutiny and derision by the scientific community The length of creation days the Biblical order of creation and man s origin have all been the subjects of heated debates debates that cast further doubts on Biblical accuracy But is such derision warranted The Theory of Creation boldly answers that very question Rather than denounce other theories or repudiate accepted scientific beliefs this is a comprehensive and objective analysis of the first story of the Bible Genesis 1 1 2 4 Each verse is carefully examined for its scientific meaning the original Hebrew text is often referenced popular theories are explored and the purpose and implications of God s actions are addressed Finally the Biblical account of creation is compared to the scientific record In this era of moral relativism when Biblical values are condemned and the sanctity of the Holy Bible is often ridiculed validation of the creation story would be a source of inspiration for believers everywhere In The Theory of Creation Jim Schicatano answers the enduring questions of science and resolves the Biblical Creation debate **British Books** ,1910
