Philosophic Quest: Call of The Self Pranav Khullar,2025-01-17 This is a journey of reflection and contemplation on the ancient philosophical texts an exploration of not only the Vedantic blueprint of Indic thought but a deep dive into the spiritual seeking of the evolved seekers themselves Philosophic wisdom has been at the heart of India s culture defining and redefining its contours at each step of its historical evolution and has been the fountainhead from which the expression of this wisdom through the arts and culture flows The Philosopher and mystic in the Indic tradition has not just reflected upon the nuances of society but has laid down a template at each critical junction of history for society to follow in the footprints of that template This journey of articles too attempts to resurrect and revive this Indic Philosophic template which is a beautiful diverse tapes try in itself a spiritual vision that gave rise to this idea that there are manifold ways of approaching the eternal of invoking the elan vital Life Force as Bergson termed it Swami Vivekananda and Non-Hindu Traditions Stephen E. Gregg,2019-03-15 The Hindu thinker Swami Vivekananda 1863 1902 was and remains an important figure both within India and in the West where he was notable for preaching Vedanta Scholarship surrounding Vivekananda is dominated by hagiography and his mis appropriation by the political Hindu Right This work demonstrates that Vivekananda was no simplistic pluralist as portrayed in hagiographical texts nor narrow exclusivist as portrayed by some modern Hindu nationalists but a thoughtful complex inclusivist The book shows that Vivekananda formulated a hierarchical and inclusivistic framework of Hinduism based upon his interpretations of a four fold system of Yoga It goes on to argue that Vivekananda understood his formulation of Vedanta to be universal and applied it freely to non Hindu traditions and in so doing demonstrates that Vivekananda was consistently critical of low level spirituality not only in non Hindu traditions but also within Hinduism Demonstrating that Vivekananda is best understood within the context of Advaitic primacy rather than Hindu chauvinism this book will be of interest to scholars of Hinduism and South Asian religion and of South Asian diaspora communities and religious studies more generally *The Brahmvâdin* ,1910 *Bihar BPSC-TRE & STET PGT Philosophy PGT-Darshan Shastr Bilingual (Hindi & English)* Munna Khatun,2024-11-12
