Barroco VV.AA., 2013-04-24 Esta nueva salida de la edición española de la Estética krauseana pasa a integrarse en esta colección junto a la Estética y Teoría literaria de Mil y Fontanals que es el lugar que por vinculación histórica y de dialéctica intelectual le corresponde El pensamiento estético de Krause ha de entenderse por relación a Kant Fichte y a Hegel tanto en el sentido de reinicio como de diálogo filosófico y controversia Su punto de partida necesariamente el sujeto kantiano gira sin embargo en otro sentido que el romántico de Fichte Krause también se sirve de las experiencias de Schiller y Schelling posibilitando un orden filosófico más comprensivo De ahí el aspecto último de gran relieve krauseano su especificidad neoplatónica conducente a una eficiente perspectiva de la organicidad del Todo Esta nueva edición del Compendio de Estética incorpora un Prefacio que da cuenta con brevedad y precisión de la cuestión estética en España Se trataba de estudiar y editar en lengua española de una parte algunas obras clave del pensamiento estético moderno ampliando ese propósito a las fundamentales creadoras de la Estética como disciplina en nuestro país lo cual por otra parte permite acceder con naturalidad en el caso de Krause a un lugar de encuentro entre ambos puntos de mira La idea es avanzar en la resolución de tres problemas muy diversos pero igualmente graves mediante 1 la contribución desde el ámbito español a un allegamiento de relaciones entre filosofía y filología como única resolución humanística posible 2 ofrecer una perspectiva para los estudios estéticos diversa de la dispersión dominante y la unilateralidad platónica y 3 discernir el origen de la disciplina en España cosa que estaba aún pendiente de dilucidar por raro que pueda parecer

The Art of Worldly Wisdom Illustrated Baltasar Gracian, 2021-08-22 We may certainly say of Gracian what Heine by an amiable fiction said of himself he was one of the first men of his century For he was born 8th January 1601 at Belmonte a

suburb of Calatayud in the kingdom of Aragon By Gracian s time it had again been Christian and Spanish for many generations and Gracian himself was of noble birth For a Spaniard of noble birth only two careers were open arms and the Church In the seventeenth century arms had yielded to the cassock and Balthasar and his three brothers all took orders He joined the Company of Jesus in 1619 when in its most flourishing state after the organising genius of Acquaviva had given solid form to the bold counter stroke of Loyola to the Protestant Revolution Once enrolled among the ranks of the Jesuits the individual disappears the Jesuit alone remains There is scarcely anything to record of Gracian s life except that he was a Jesuit and engaged in teaching what passes with the Order for philosophy and sacred literature and became ultimately Rector of the Jesuit College at Tarragona Gracian s style which after all was the most striking thing about his works That style reaches its greatest perfection in the *Or culo Manual* to which we might at once turn but for a preliminary inquiry which it seems worth while to make It is a book of maxims as distinguished from a book of aphorisms and it is worth while for several reasons inquiring into maxims in general and maxim literature in particular before dealing with what is probably the most remarkable specimen of its class Many men have sought to give their views about man and about life in a pithy way a few have tried to advise men in short sentences what to do in the various emergencies of life The former have written aphorisms the latter maxims Where the aphorism states a fact of human nature a maxim advises a certain course of action The aphorism is written in the indicative the maxim in an imperative mood Life is interesting if not happy is an aphorism of Professor Seely s I believe Ascend a step to choose a friend descend a step to choose a wife is a maxim of Rabbi Meir one of the Doctors of the Talmud Now it is indeed curious how few maxims have ever been written Wisdom has been extolled on the house tops but her practical advice seems to have been kept secret Taken from *The Art of Worldly Wisdom* written by Baltasar Gracian and translated by Joseph Jacobs **Gracian** Baltasar Gracian Y.
