Paul Stevens, Clive Lim, 2021-01-26 A guide to investing in heaven and being rich toward God Christians often hesitate to talk about money in spiritual contexts but in the gospels Jesus talks more about money than about religious topics like prayer and heaven Money Matters advocates following Jesus's lead in engaging with matters of economy and finance in a faith driven way in both our individual and our corporate lives The

authors draw on their contrasting life experiences to offer a well rounded look at money in the twenty first century Paul Stevens who grew up well off in Canada and worked as a carpenter a banker and later a pastor and professor of theology finds a complementary voice in Clive Lim who grew up without money in Singapore and now works there as an entrepreneur and head of a family investment firm With frequent scriptural references Stevens and Lim offer insight into navigating the economic systems of today aiming to help individuals churches and societies become faithful stewards who store up treasures in heaven by investing in the kingdom of God Money Matters is a comprehensive yet accessible guide to integrating one's faith with one's approach to money Just as the Bible variously treats money as a blessing a sacrament and a problem so do Stevens and Lim approach this matter judiciously avoiding the prosperity gospel on one side and the demonization of material wealth on the other Capitalism is treated as what it is a system that has created widespread opportunity and relieved poverty for millions while also exacerbating the gap between the haves and the have nots The authors wisdom is at turns theological historical and practical and always focused on what it means to live with faithful integrity in our contemporary global economy
