**Prostate Disorders 2007: Johns Hopkins White Papers** H. Ballentine Carter, 2007 *Choosing the Right Treatment for Your Prostate Cancer*, **Prostate Disorders**, 2005-01-01 The Johns Hopkins White Papers are in depth special reports written for the consumer by some of the nation's leading doctors. This team of experts has come together to give you a thorough easy to understand review of the current state of medical knowledge in each of their specialties as well as to discuss what encouraging new treatments are the subject of ongoing research. There are currently 13 titles in this series.

**Building Healthy Communities Through Medical-Religious Partnerships** Richard G. Bennett, W. Daniel Hale, 2009-09 This innovative approach to the development of community based health education and patient advocacy programs offer valuable guidance for religious and medical leaders interested in developing partnerships between health systems and religious congregations. Richard G. Bennett and W. Daniel Hale discuss a range of medical topics and provide practical information on establishing partnerships, identifying resources that can be obtained from local and national organizations, and training volunteers to assist others in navigating our complex health system. In showing that these programs can be successful in bringing appropriate care to people who are often overlooked, the authors pay special attention to the challenges and opportunities presented by our aging and increasingly diverse population.
