Stephen Lamb,2015-06-01 Steve had never written a book before and never thought he would After unexpectedly enduring a prostate cancer experience and the subsequent outcome he felt inspired to put pen to paper His inspiration was fueled in the hope that the book raises awareness and ultimately makes a difference for other men and their families who have or are facing a prostate cancer journey Hopefully it sends an important message in relation to the diagnosis and shows them that there are also amazing alternatives in treatment available to them He is a firm believer that things happen for a reason If he hadn t contracted prostate cancer his book would not be a reality today After a lot of soul searching he chose not to follow the conventional mainstream path of treatment the norm He has his wife Karen to thank for that Steve s book is very different to the normal cancer books on the shelf in as much as it is a unique marriage of the human story a cutting edge scientific nutritional approach to diagnosis and treatment and a reference book at the same time *The Publishers Weekly* ,2002 Failure Masquerading as Success Rudolph Cumberbatch,2008-12-04 President Lincoln in 1865 said To care for him who shall have borne the battle and for his widow and his orphan This quote was later adapted as the VAs motto General Omar N Bradleys VA Mission Statement We are dealing with veterans not procedures with their problems not ours has been quoted repeatedly during the seventy five years since In 1982 President Reagan approved 55 6 million in financial aid to Meharry Medical College An acute care facility was established at Murfreesboro VA for training Meharry students Bob Stump Rep Arizona the chairman of the House Committee on Veterans Affairs recently heard that in some VAs incompetent managers are not fired on the spot but instead reassigned or transferred The fix was the immediate removal of Konik as the failed director at the Salisbury VA and recycling him as our new director in the summer of 1996 On Tuesday April 14th 1998 an E Mail was disseminated with following quotation Weak leadership at the York VA Medical Center has prompted changes in the hospitals administration staff with hospital Director Gene Konik reportedly asking for reassignment VA officials said Mr Dandridge began to initiate his long term plan for integrating Murfreesboro and Nashville VA One of his famous quotations was Practice practice makes perfect Another of his public quotations was Having the Nashville VA surgical residents perform the surgery would provide world class surgery to the area veterans In the last five years York has seen four different directors Gordons office has been bombarded with complaints from ailing veterans and their families about lack luster care Those who ve died as a result of the administrative and service changes cant complain anymore Current York VA Director David Pennington has never spoken to the press about anything

but did send a memo to the medical staff warning them to get online or get out Our last crop of veterans is dying because of VA medical mismanagement and our next batch is being loaded onto airplanes to fly back to an uncertain future Mr Sullivan a gulf War I vet and VA project manager stated This administration is so absolutely corrupt incompetent and malevolent it pales anything that came before it Why is our economy tanking The war the war the war

Cancer Etiquette Rosanne Kalick,2005 At last the definitive guide on how to respond when someone says I have cancer Two time cancer survivor Rosanne Kalick helps readers communicate caringly with the cancer patient Many have had the gut wrenching experience of having a friend or loved one reveal they have cancer yet few can figure out how to react Using real stories Kalick conveys how much most people really want to say and do the right thing and how they often fail Even those in the medical profession who work with cancer are guilty of etiquette don ts The book is intended for patients caregivers family members and friends Patients and others will find a great deal of value here The lay out is unadorned there are subsection headings but readers will have to read through t to find the nuggets This book is long overdue Recommended for all libraries Bette Lee Fox Library Journal

Doctor You Jeremy Howick,2018-06-05 Award winning Oxford University researcher Dr Jeremy Howick draws on the latest peer reviewed medical studies to arm readers with scientific evidence that will empower them to make sensible choices about what drugs to take what drugs to give their children and when and when not to simply let the body do its thing

READ THIS BREAKTHROUGH BOOK DEEPAK CHOPRA The miracles of modern medicine and our overreliance on prescription drugs and surgical procedures have obscured the evolutionary ability of the body to heal itself as Dr Jeremy Howick explains in this groundbreaking book Wealthy countries have become highly dependent on medical intervention On average one fifth of all Americans half of the elderly British and two thirds of older Canadians take at least five prescription drugs per day their lives a nonstop ritual of pill popping and managing side effects One in ten people takes antidepressants and millions of boys who can t sit still in school are prescribed methamphetamines Skyrocketing global healthcare costs render this overmedication increasingly unaffordable In Doctor You Howick explains that the abundance of modern drugs and technologies has blinded us to the fact that the human body produces its own drugs that can treat pain is capable of curing itself of many physical ailments as well as a surgeon and can even combat most mild depression as well as any psychologist Recent clinical trials clearly show that states of mind affect our health relaxation positive thinking and comfortable social environments all provide measurable health benefits sometimes as effectively as blockbuster drugs With a methodical and approachable analysis of modern medicine s overuse of pharmaceutical intervention and the scientific evidence for your body s innate power to heal itself Doctor You will change the way you think about your health your body and your approach to medicine
