Prostate Poetry Lake Limericks, 2004-01-01 **British Medical Journal**, 1906 **Sources**, 2000 **Quill & Quire**, 1996 **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 Words Woke Me Stephen Jones, 2023-09

The words in this book were born out of my journey through prostate cancer. Ultimately it's been quite a rewarding journey to a successful recovery. These poems are about the different stages of that recovery. The title of the book was born when late one night 3 or 4 am I was writing a poem and my phone pinged. A message from the USA asking why I was not sleeping. I replied some words woke me. My friend said that should be the name of your book. Some words woke me in more ways than one. I hope this book resonates with men going through prostate cancer and that my journey may help them to realise they are not alone.

Surviving Cancer At Both Ends Bob Crew, 2023-08-10. Powerful poetry from the killing fields of cancer about the nature of mouth cancer and prostate cancer and how one survivor has survived these diseases for eleven years. Neil Vickers, Lecturer in Literature and Medicine at King's College University of London. Cancer at Both Ends has tremendous value. It is rare to find real poetry on these subjects. This is subtle and powerful verse. Really terrific. I admire the strength of character, the humour and the willingness to embrace the very uncomfortable truth that there is no reason why we should not get cancer. Wonderful poetry. Michael Lee, 2003. Editor of Poems in the Waiting Room. Cancer at Both Ends is a remarkable collection, an impressive stirring record. Medicine has been classically defined as the study of the progress of disease through the morbid anatomy. Bob Crew's work is a healthy response. It is exceptionally strong and moving with a life-giving touch of humour. Professor Michael Baum, Cancer Surgeon and former Professor of Surgery at King's College Hospital, Royal Marsden Hospital and University College Hospital. Wonderful and deeply moving. Nicholas Kalavrezos, Head Neck Cancer and Reconstructive Maxillofacial Surgeon, University College London. Bob Crew's poetry is very precise and sweet. James Poole, BA Natural Sciences, Cambridge. It's kind of awesome that the Big C creates opportunities for such savage humour and irony. Bob Crew's humour is not just mischievous; it's contagious. He has also put his finger on a very interesting area of intellectual debate: Complexity Theory. The wonder is not why things go wrong but that they do not. But why does it take only one molecule going awl or wrong to cause big bad cancer?

A Calligraphy of Poetry and Life Jennifer Leggett, 2008-10-01. About Aiming At Life. Targeting Ice Against Prostate Cancer. Cryotherapy or freezing is a minimally invasive procedure that uses lethal ice to destroy prostate cancer. Research over ten years has shown cryotherapy to be at least as effective as surgery and radiation with rapid recovery and high quality of life following treatment. Aiming At Life is designed to help prostate cancer patients and their families determine if cryotherapy with its advantages is a treatment option to discuss with their physician.

The Cancer Poetry Project Karin B. Miller, 2001. An anthology of cancer-related poetry from survivors, family caregivers and health care providers. *Cancer Songs* Richard Sommer, 2011. A moving journal in verse. Cancer Songs is poet Richard Sommer's response to his diagnosis and treatment for prostate cancer. Often these are songs of newly discovered yearning.

courage and awe they are songs of refusal to go under to surrender to the undertow of the disease There is no discounting the pain and suffering in the process but as many victims of cancer know there can also be a heightened intensity of perception a kind of awakening These poems celebrate that sharpening of awareness and the richness that it discovers and celebrate too connections with others going through parallel ordeals Sommer discovers hitherto unrealized resources in himself and a deepened appreciation of the embrace of surrounding life the friendship and loyalty of dogs the astonishing physical grace of cats wildlife music And once recognized and acknowledged the love and help of other people are sources of nourishment and complex delight giving him the strength to accept pain and to express the immense gratitude that comes folded in adversity
