A Proverbs Driven Life Anthony Selvaggio,2008-06-01 In an age when practical common sense wisdom the kind of thing we get in the Book of Proverbs is all too rare the problem with common sense is that it is not that common Anthony Selvaggio has set himself a gargantuan task how to assimilate the seemingly wisdom of Solomon and present in a reasonable structured way And he has succeeded in what must be seen as an admirable way This is a sign of springtime in what is largely a neglected section of the Scriptures with a promise for those who read this volume of harvest to come in practical Christian living With advice on such topics as work and wealth courtship and children Selvaggio has given us a valuable treasure of practical wisdom Just what Solomon intended

Ancient Jewish Proverbs ,1911 **Ancient Jewish Proverbs** ,1911 Studies in Life from Jewish Proverbs W. A. L. Elmslie,2019-09-24

Most writers on proverbs have thought it necessary to attempt a definition of their subject but the task is difficult and the phrase that will silence criticism has yet to be produced Lord Russell s epigram describing a proverb as The wisdom of many and the wit of one is as good as any but it leaves so much unsaid that as a definition it is certainly inadequate On the other hand it is a true remark and the facts it emphasises may conveniently be taken as the point from which to begin this study No saying is a proverb until it has commended itself to a number of men the wisdom of one is not a proverb but the wisdom of many Countless fine expressions well suited to become proverbial have perished in the speaking or lie forgotten in our books To win wide acceptance and then to keep pace with the jealous years and remain a living word on the lips of the people is an achievement few human thoughts have compassed for thousands that pass unheeded only one here or there helped by some happy quality or perhaps some freak of fortune is caught from mouth to mouth approved repeated and transmitted Every accepted proverb has therefore survived a searching test all the more severe because judgment is not always passed upon the merits of the case Popular favour is at the best capricious and often an admirable saying has died out of use and a worse
