Psalms & the Creator Lord Jesus Christ Dale M. Presley, 2005-05-01 They were young Americans farm boys and city toughs transformed into raw edged killers in the green hell of Vietnam But the daily diet of mud blood and death in the miserable leech infested swamplands of the Mekong Delta had taken its toll on the men of the Third Platoon Shell shocked and battle weary they became careless And they paid a terrible price Mistakes had already cost Lieutenant Marlin Beckwith the lives of some of his best men and delivered another into the brutal clutches of the VC Vowing to save his captured warrior Beckwith leads his ravaged troops on an impossible rescue mission through the steaming jungles of Southwest Asia a nightmare journey past snipers ruthless CIA spooks and sadistic ARVN allies and straight into the lethal heart of the most terrifying Cong offensive of the war the bloody horror known as Tet **The Psalms as Christian Praise** Bruce K.

Waltke, James M. Houston, 2019-11-19 Two respected scholars explore the heart of the Psalms Following in the style of their companion volumes The Psalms as Christian Worship and The Psalms as Christian Lament Bruce Waltke and James Houston now explore the depths of Christian praise Each volume uniquely blends verse by verse commentary with a history of Psalms interpretation in the church from the time of the apostles to the present Since praise is the essence of the book of Psalms Waltke and Houston have narrowed the focus to Book IV of the Psalter Psalms 90 106 which magnify God and proclaim him king To give voice to the psalmist the authors carefully translate and explain each psalm and summarize its theological message This is followed by listening to the voice of godly churchmen whose comments have stood the test of time The Psalms as Christian Praise is ideal for anyone seeking to better understand the praise of Israel as found in the Psalms and how Christians also use these Psalms in worship **Encouragement from the Psalms** Dr. B, 2023-06-12 As James Brandon

read and studied the Psalms over the years he came to realize that the Lord was talking to our souls through these ancient songs He was also struck by a book written in the 1800s by a man named Hawker who after reading one of the Psalms would exclaim Oh my soul what is this that thou hast found in the Holy Writ He would talk to his soul after reading the text The author began to read the Psalms and reflect on what each one said to his soul He has done that for fifty years In this book he focuses on the Psalms of Moses which encompass Psalms 90 to 106 They may have been collected by the men of Hezekiah during the reign of King Hezekiah and or by Ezra following the Babylonian Captivity It was titled The Numbers Book the Wilderness Sojourn and the Promised Land The Pulpit Commentary Vol 8 254 The Companion Bible Psalms 720 The Psalms are a wonderland of devotion They have enlightened the author s mind and encouraged his spirit They can do the same for you all while providing principles for living this life as you help others walk with the Lord **Way Truth: Life** Dale M.

Presley, 2009-10-29 Way Truth Life that expands upon the theology presented in the authors first published book Way Truth Life Revelation of the Creator LORD Jesus Christ is a book that is much needed For most who claim to be Christian do not comprehend the fullness of Who the Creator LORD Jesus Christ is And virtually none of these understands Gods overall Plan

of Redemption of the Ages that is necessary to correctly interpret Bible prophecy These are so ignorant of what God is doing and about to do that they do not even know what questions to ask Most proclaimed Christians have no concept of what the Bible reveals concerning the timing of Christs return They certainly cannot use simple terms to clearly explain how Gods predestination and mankinds free will coexist They do not know how God will ultimately judge all sinners in a fair manner regardless of when they live or what spiritual enlightenment they are exposed to Sadly most do not even know what God really requires for a person to be born again and eternally saved much less what spiritual stages everyone who ever lives potentially goes through from the moment that one comes into existence until he physically dies They do not know Gods plan for His chosen nation of Israel during the church age during the coming 7 year Tribulation and during the Millennial Kingdom And they have no idea what the Bible clearly reveals about the destiny of everyone who dies before the age of moral accountability Clear answers to the above are provided within this fully scripture referenced book on theology entitled Way Truth Life Additionally the authors most literal approach to interpreting Gods Word also makes it very easy to decipher Bible prophecy

Treasures in the Psalms Henry M. Morris,2000 A brand new book from the Father of the Modern Creationism Movement this marvelous look at the author s favorite book of the Bible gives the reader insights not commonly taught in the Church today This devotional focusing on the spiritual physical and scientific dimensions of the Psalms starts with the conviction that the Bible is a supernaturally transmitted collection of the books with Psalms leading the parade of the world s greatest literature From the book s definite nod to scientific concepts to the groanings of King David Treasures in the Psalms promises to be a gift beyond measure *An explanation of the Psalms, as read in the liturgy of the Church* James Slade,1847 *An Explanation of the Psalms as Read in the Liturgy of the Church. Jesus in the Psalms Donald Louis Giddens,2007-11-01 Jesus in the Psalms brings out astounding references to Jesus in every Psalm You will be amazed at the things Jesus did before He ever walked on earth prophecies written describing details of His life on earth and prophecies of His coming reign as King of Kings All in the Psalms [NPNF1-08. The Psalms (Volume 4, Psalms 101-150) Christopher Ash,2024-07-09 Commentary from Christopher Ash Sets Out a Deeply Christian Study of Psalms 101 150 While reading Psalms it is common for commentaries to focus on Old Testament meaning without connecting it deeply to Christ s fulfillment in the New Testament By studying Scripture this way believers miss out on the fullness of God s word The key to experiencing authentically Christian worship is learning a Christ focused approach to praying and singing the Psalms In this thorough commentary Christopher Ash provides a careful treatment of Psalms 101 150 examining each psalm s significance to David and the other psalmists to Jesus during his earthly ministry and to the church of Christ in every age Ash includes introductory quotations a deep analysis of the text s structure and vocabulary and a closing reflection and response along with selected quotations from older readings of the Psalms Perfect for pastors Bible teachers and students this commentary

helps readers sing and pray the Psalms with Christ in view Exhaustive Christopher Ash's exegesis explores how the Psalms are quoted and echoed throughout the New Testament Applicable and Heartfelt Explains how a Christ centered approach to reading the Psalms influences doctrines of prayer prophecy the Trinity ecclesiology and more Ideal for Pastors and Serious Students of Scripture Written for Bible teachers Sunday school and youth leaders and small group leaders [Psalms 73-150](#)

Herman J. Selderhuis, 2018-11-13 Christians have often turned to the Book of Psalms as a significant resource for Christian belief and practice and as the church's prayer book and hymnal The Protestant reformers also turned to the Psalms during their time of significant spiritual renewal theological debate and ecclesial reform In this RCS volume Herman Selderhuis guides readers through Reformation era commentary on the second half of the Psalter *Bible Understanding Made Easy*

Anthony L. Norwood, 2008-07-30 Bible Understanding Made Easy is a series of books used to inspire and teach the Word of God to sincere souls that are trying to draw closer to God This volume is dedicated to building understanding of the Old Testament portion of the Holy Bible Many of the world's prominent religions are based on the teachings of the Old Testament including Judaism Christianity and Islam In fact Christian students of the Bible will have a hard time understanding the teachings of Jesus and His apostles without a firm foundational understanding of the Old Testament The method of teaching used in this book was purposely kept as simple as possible so that beginning students of the Bible can be inspired and build a rich foundation of understanding the Bible that will last a lifetime The main themes of each chapter and many times entire books of the Bible are presented to help one understand particular verses that may confuse sincere students of the Bible Lastly as an added bonus there are many life application style mini lessons that Christians of today can use to help build faith encourage and inspire sincere folks to maintain a personal relationship with Jesus Christ For ordering within the United States of America and outside of the United States of America please call toll free in the U S 1 888 795 4274 or Email XLibris at orders xlibris com The easiest way would be to add the book to your shopping cart above and order online as another alternative Normally you may pay using your nation's own currency i e the U S dollar the British pound Euro etc Please call or Email XLibris Corporation for currency exchange rates Please also explore the next in this series called Bible Understanding Made Easy Volume 2 Matthews Gospel available now click here to be taken to volume 2 **The Psalms** J. H. Eaton, 2003-03-12 Remarkably enough there is a scarcity of modern commentaries on the Psalms for the more general reader though after the Gospels they are probably the most widely read part of the Bible No one is more qualified to write on the Psalms than John Eaton He is a distinguished Old Testament scholar and has spent a lifetime studying the Psalms This commentary is addressed to the wide readership There is a long and highly readable introduction giving a background to the Psalms then follow the 150 Psalms each in Eaton's translation He explains the background to the Psalms and their content in a way that makes them interesting and relevant to the present The discussion of each psalm ends with a related Christian prayer either from the tradition or written by Eaton himself John Eaton is recognized as one of the world's leading experts on

Psalms this commentary is the culmination of his life's work John Eaton lectured in Old Testament at the University of Birmingham until his retirement He is the author of many books especially on aspects of the Psalms Lectionary Preaching Workbook on the Psalms, Series A Hagen Staack,1983 *Twelve sermons* James Battersby,1876 **Expositions on the Book of Psalms** Saint Augustine of Hippo,Aeterna Press, Blessed is the man that hath not gone away in the counsel of the ungodly ver 1 This is to be understood of our Lord Jesus Christ the Lord Man Blessed is the man that hath not gone away in the counsel of the ungodly as the man of earth did who consented to his wife deceived by the serpent to the transgressing the commandment of God Nor stood in the way of sinners For He came indeed in the way of sinners by being born as sinners are but He stood not therein for that the enticements of the world held Him not And hath not sat in the seat of pestilence He willed not an earthly kingdom with pride which is well taken for the seat of pestilence for that there is hardly any one who is free from the love of rule and craves not human glory Aeterna Press **Commentary on the Book of Psalms, Form #17.074** Brook Stockton,2024-05-20 Insights on walking with God Exalting Jesus in Psalms 1-50 J. Josh Smith,Daniel L. Akin,2022-07-15 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition Projected contributors to the series include notable authors such as Russell D Moore Al Mohler Matt Chandler Francis Chan Mark Dever and others **Episcopal Hymnal 1982 Accompaniment** Church Publishing Incorporated,1985-06 The authorized hymnal for the Episcopal Church with durable beautiful covered spiral binding especially created for music stands organ and piano music racks This edition provides accompaniment for all hymns and service music and contains an appendix of additional service music It comes in two volumes one of hymns and one of service music **The Expositions On The Psalms Volume 2** St. Augustine of Hippo, In any commentary on a portion of the Old Testament by a writer unacquainted with Hebrew exact criticism and freedom from mistake must not be expected But the Psalms have been so in the mouth and in the heart of God's people in all languages that it has been necessary often to find an explanation suitable to imperfect translations And no doubt it is intended that we should use such explanations for the purpose of edification when we are unable to be more accurate though in proving doctrine it is necessary always to remember and allow for any want of acquaintance with the original or uncertainty with respect to its actual meaning However the main scope and bearing of the text is rarely affected by such points as vary in different translations and the analogy of the faith is sufficient to prevent a Catholic mind from adopting any error in consequence of a text seeming to bear a heterodox meaning Perhaps the errors of translation in the existing versions may have led the Fathers to adopt rules of interpretation ranging too far from the simple and literal but having such translations they could hardly use them otherwise Meanwhile St Augustin will be found to excel in

the intense apprehension of those great truths which pervade the whole of Sacred Writ and in the vivid and powerful exposition of what bears upon them It is hardly possible to read his practical and forcible applications of Holy Scripture without feeling those truths by the faith of which we ought to live brought home to the heart in a wonderful manner His was a mind that strove earnestly to solve the great problems of human life and after exhausting the resources and discovering the emptiness of erroneous systems found truth and rest at last in Catholic Christianity in the religion of the Bible as expounded by St Ambrose This is volume two out of two covering the Psalms LXXIV through CL
