current assumptions regarding what we know and what we are still unable to explain about what happens to us at the threshold of death Adapted from publisher description

Baker,2009-07-01 The great burden of Al Baker s life that which drives him in Christian ministry more than anything else is to see the church of the Lord Jesus Christ rise up and become mighty as she has been so often in past years One thing has become very clear to Baker the western church is in big trouble Many pastors are terribly discouraged in their ministries So are their people Pastors have been told that they can model their ministries after whoever the latest and hottest preacher is and all will be well with them that they can expect exponential growth in their churches With few exceptions this has not been their experience They have attended the seminars and read the latest books but they have little to show for their efforts As a pastor Baker is heartbroken over the vastness of people s problems in today s church everything from incest child molestation homosexuality pornography severe depression suicide divorce wayward children adultery fornication and more The pastoral problems are epidemic The Christian faith in American churches is woefully lacking Church people are generally no different from those of the world What are we to do We need revival We need a revival culture in the western church We need like Israel laboring under Egyptian bondage to become intolerable of our circumstances Israel cried out to the Lord when their slavery became intolerable to them May God move us to divine discontent to be dissatisfied with the status quo      Glory Increasing God's Presence (Expanded Edition) Bill Vincent,2025-03-27 Are you hungry for more of God s

It tells of Aldo's miraculous healing and their supernatural journey since a car accident almost claimed Aldo's life in 2004. The book contains journal entries in Aldo's own handwriting wherein he warns the bride of Christ to be ready for the soon arrival of the King. During Aldo's coma Jesus took him to heaven and hell. Aldo rarely wanted to talk or write about hell. Jesus said he had to wait for the right time. Retha explains. She goes on to say That time is now here. He recently told me Jesus said to him Aldo tell My bride BE PREPARED I am coming soon. Aldo's letters will open your eyes to the reality of heaven and hell and the implications of your choices here on earth. The book explains that the road of dying to self and living in Christ is what purifies the bride and this can only be done if you walk by faith and not by sight believing that God is who He says He is.
