Raising Children Joseph R. Parker, 2018-02-08 Have you wondered if you're making the right decisions when it comes to raising your sons and daughters Over the last years there has been a lot of confusion about the role of boys and girls in our society It's easy to see why parents are left with lots of unanswered questions when they're raising their children Raising children the right way through positive parenting can significantly help them become responsible and balanced adults later on Here's some of what you can expect to learn inside the pages of this book Learn how to avoid common mistakes that parents make that can end up harming their kids development in the long term How to teach proper conduct at home the right way saving yourself of countless headaches Dealing with depression anxiety and feelings of loneliness The right way to help your sons and daughters prepare for the future The biggest challenges when raising children and teenagers and how to easily overcome them Would you like to enjoy going through every stage of your child's development without worrying if you're doing the right thing or not The earlier you manage to give proper guidance the easier it is for them to grow into healthier adults However there is no such thing as being too late and even the most damaging of behaviors and habits can be helped Do not leave anything to chance Start by guiding them towards the best possible path towards a healthy and responsible

adulthood today *Raise Your Sons and Daughters with Real Unconditional Love* John Sangwon Lee, MD., FAAP, 2023-01-11
Raise Your Sons and Daughters with Real Unconditional Love By John Sangwon Lee MD FAAP Pediatrician John Sangwon Lee MD FAAP has years of experience with parenting methods and children's health in both America and in South Korea. With these combined experiences and his own as a father, Dr. Lee puts forth *Raise Your Sons and Daughters with Real Unconditional Love*, a guide to raising children with kindness, empathy, and love. He describes in detail the types of love needed for parents to raise their children well: eye contact love, physical contact love, and focused attention love. With his familiarity of American and South Korean parenting styles, he sets forth to create a shared foundation of parenting knowledge using the positive childrearing practices of both nations. Whether you are a new parent or already have children of your own, Dr. Lee's in-depth explanations of newborn, toddler, child, and adolescent physical and mental health, combined with insightful guides on how parents should handle difficult or new situations, is an essential read.
